They've Caught On—the Talk of the Town.

The Archie Gunn series of color studies of stage beauties being given away with the New York World has made a great success. The demand both in New York City and out of town for the past two Sunday World at a premium. With every copy of the Sunday World Magazine there are six beautiful panel photo size collar prints of famous actress—famed both for their beauty and their talent.

Opening of City Schools.

The session of 1909 and 1910 will begin Monday Sept. 6th. It is earnestly requested that as far as possible all pupils will report the first day, that they may be properly classified. All new pupils and all pupils of last session who have any examinations to make up will meet the Superintendent in his office at one o'clock Monday afternoon Sept. 6th.

Frank H. Curtis, Supt.

Opening at Elon College.

The opening at Elon College takes place today. This is our home college and we always send a large delegation from our town. Thus far we have learned of five young ladies Misses Mary and Beulah Foster, Pearle Fogleman, Bettie Lyde, May and Flossie Loy, who enter on the opening, the two first having been in school there before. We wish these young people every possible success as they launch upon the sea of college life. We doubt if any town in the State will send as fair a representation to Elon College this year as our town Burlington.

Very little tobacco has been offered for sale on the market at this place owing to the fact that farmers are busy making feed and saving their tobacco in the field. This is nothing unusual as we note very little has been placed on the market at any place. It is quite probable when the feed saving season is over a great break will take place which our warehousemen are prepared to take care of and give the farmers the best of attention.

A LEADING BOARDING SCHOOL
