On account of the deepening of the channel of a stream in Catawba county, several new bridges were made necessary. The county commissioners went ahead and built them, but there is doubt about whether the county or the abutting land-owners should pay the bill; so a friendly suit has been started in the courts to decide it.

To the Sunday-school Workers of Alamance County.

The annual convention of our County Association will be held at Spring Quaker church, near Saxapahaw, on the 27th day of August. The program is now being made and will be published soon. Let every school in the county be represented at this convention. At a meeting of the executive committee a few days ago Prof. John Cobb resigned as secretary and treasurer, and Mr. John H. Club at Elon College.

The club at Elon College has always made it possible for young men to obtain good board at cost and has always been liberally patronized by Alamance county boys. This year the club will be one of the best in the institution's history. The Lambeth property has been rented and the citizen near-by have agreed to rent rooms at reasonable rates to the club men.

The manager this time is J. S. Truitt, a member of the Junior Class in College, who last commencement won the Junior Alumni Scholarship for this year. He has conducted the club before and is fully capable of carrying it forward to success.

One of the disadvantages of clubbing in the past has been the lack of the home-like atmosphere. This will be provided against this time by having Mr. and Mrs. Egbert Truitt, of Burlington, No. 8, look after the preparation and serving of the meals and the keeping of the club house. It is believed that this arrangement will give general cause for congratulation to all who are interested in going to Elon as cheaply as possible.

Don't Need A Crutch.

When Editor J. P. Sossman, of Cornelius N. C., bruised his leg badly, it started an ugly sore. Many salves and ointments proved worthless. Then Bucklen's Arnica Salve healed it thoroughly. Nothing is so prompt and sure for Ulcers, Boils, Burns, Bruises Cuts, Corns, Sores, Pimples, Eczema or Piles. 25c at Freeman Drug Company.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
