Resolutions of Respect.

Whereas it has pleased God in His infinite wisdom on March 17, 1911 to call to rest our beloved brother, W. F. Griffith, who by his sunny disposition had endeared himself to us all, therefore be resolved:
1.—That we the members of the North State Council No. 343, U. M. have lost a kind friend, brother a willing worker and one who was always interested in the work of the Order.
2.—That while we bow in humble submission to Him who doeth all things well, we cannot but feel a tinge of sorrow when we realize that we shall never see his face or hear his voice in this Council Chamber again.
3.—That a copy of these resolutions be spread on the minutes of the Council, a copy be sent to the family and a copy be sent to each of the City papers for publication.

Massachusetts is greatly mortified because Senator Winthrop Murray Crane voted to sustain Bill Lorimer. It did not expect anything better of Lodge, but Crane's action was a sore disappointment.

Admires Pastor Russell's Book.
Atlanta Constitution.—Bill Arp, the "Southern Philosopher," wrote the following review of "The Divine Plan of the Ages" some time before he died: "It is impossible to read this book without loving the writer and pondering his wonderful solution of the great mysteries that have troubled us all our lives. There is hardly a family to be found that has not lost some loved one who died outside the church—outside the plan of salvation, and, if Calvinism be true, outside of all hope and inside of eternal torment and despair. We smother our feelings and turn away from the horrible picture. We dare not deny the faith of our fathers, and yet can it be possible that the good mother and the wandering child are forever separated?—forever and forever?"

"I believe it is the rigidity of these teachings that makes atheists and infidels and skeptics—makes Christians unhappy and brings their gray hairs down in sorrow to the grave—a lost child, a lost soul!
"This wonderful book makes no assertions that are not well sustained by the Scriptures. It is built up stone by stone, and upon every stone is the text, and it becomes a pyramid of God's love, and mercy, and wisdom. "There is nothing in the Bible that the author denies or doubts, but there are many texts that he throws a flood of light upon that seems to remove from them the dark and gloomy meaning. I see that editors of leading journals and many orthodox ministers of different denominations have endorsed it and have confessed to this new and comforting light that has dawned upon the interpretation of God's Book. Then let every man read and ponder and take comfort, for we are all prisoners of hope. This is an age of advanced thought, and more thinking is done than ever before—men dare to think now. Light—more light—is the watchword."

Helpless as a Baby.

Valley Heights, Va.—Mrs. Jennie B. Kirby, in a letter from this place says: "I was sick in bed for nine months, with womanly troubles. I was so weak and helpless, at times I couldn't raise my head off the pillow. I commenced to take Cardui, and I saw it was helping me, at once. Now, I can work all day." As a tonic, for weak woman, nothing has been found, for fifty years, that would take the place of Cardui. Try a bottle today. It will surely do you good.

Terrible Picture of Suffering

Clinton, Ky.—Mrs. M. C. McElroy, in a letter from Clinton, writes: "For six years, I was a sufferer from female troubles. I could not eat, and could not stand on my feet, without suffering great pain. I had lost hope. After using Cardui a week, I began to improve. Now I feel better than in six years." Fifty years of success in actual practice, is positive proof, furnished by those who have used it, that Cardui can always be relied on for relieving female weakness and disease. Try Cardui, today, now!

EIGHTEEN YEARS

18 Years in buggy & harness business with ample capital to discount all bills buying in car lots should enable dealer to get lowest prices.
While my competitors were talking dull times and no money Saturday my sales were more than \$500.00 (names and addresses of customers if wanted). If I had \$65 and \$75 store rents to pay out I would have to sell buggies and harness high like they are doing.
My plan is to do the largest business on least expense. Unloaded another car Columbia "A" grade wheel buggies Saturday. Saving my customers \$7.50 to \$10 on buggy, \$15 on carriages. Big stock Mowers-Rakes-Harrows-Plows Cultivators.
More harness, collars saddles bridles than in all the stores in town. Best \$1 Bridle in town.

President Taft's letter on the occasion of Mr. Fallinger's resignation should warn foreign distributors that administration is not in a mood to be trifled with.

Senator Bailey adds something to the sayings of Jefferson as to officials—"none resign" but those that do withdraw their resignations.
