TWO BROTHERS FIGHT TO DEATH IN LONELY WOODS

Arkansas City, Ark., Sept. 22
—In a lonely spot in the Arkan-
sas woods, near Lead Hill, two
brothers fought to the death this
afternoon. Reuben Cantrell, 35
years of age, was slain and Tho-
mas Cantrell 55 years of age, is
dying. The former was shot to
death and the latter will not sur-
vive a dozen knife wounds which
he received in the battle.

Leaving the body of his brother
where it had fallen the wound-
ed man walked four miles to his
home, where he declared Reuben
had attacked him with a knife
while he was at work in the
woods. After a terrific struggle
Thomas secured possession of his
shot gun and killed his antago-
nist. Meanwhile Reuben had
plunged his knife many times in-
to his brother's body.

Physicians tonight say there is
no chance for his recovery.
The battle was the out growth
of a family feud.

Rev. J. D. Williams will be at
The Ridge near Hillsboro Sunday
assisting in a protracted meeting.
Rev. C. J. Edwards of the Me-
bane Circuit will fill his pulpit at
the M. P. Church.

Miss Delah Austin of Tarboro
arrived Sunday night to take her
place in the Graded School. On
account of ill health she had been
unable to come sooner.

Miss Mable Ellis left today for

been here visiting will return to-
morrow Wednesday to her home

Interesting to Farmers.

Farmers having about wound-
up curing their tobacco, the next
thing that is of the most vital
importance to you is, How will
this Crop sell. I wish to say for
your information, that every in-
dication points to good prices,
and farmers will in some degree
be remunerated for their labors,
which they are justly due. I
would advise farmers to sell their
commonest curings first as there
is a great deal of common
tobacco in this crop. My impres-
sion is, that prices are about as
good as they will be on that
class of tobacco. I have had
pretty fair sales for the past few
days. I do not think I have seen
tobacco sell so well in ten years
in Sept. as it is selling now. We
have all of the big tobacco com-
panies represented on our market,
also two or three independent
buyers, which makes Burlington
one of the leading markets in the
state and MORGAN the HUSTLER
the leading warehouse man as to
prices.

When you are ready to sell come
right on to MORGAN'S ware-
house where you will get the
very best attention and the very
best prices for your tobacco. I
will assure you I greatly appre-
ciate your patronage since I have
been in Burlington and I hope to
merit a good share of your patron-
age this season. Promising
you my very best efforts at all
times,
Your friend,
E. L. MORGAN.

Auto trip

Mr. Jas. N. Williamson Jr., of
Burlington is not classed among
the automobile or aviator speed-
ers but made a trip which is a
record breaker.

Mr. and Mrs. Williamson in
his Stevens Dunyca Car left the
home office of the Stevens Dun-
yca Co., at Chicapee Falls Mass.
at 11:30 a. m. Friday September
22, reaching New York City that
night a distance of 153 miles
amid rain and mud. Left New
York Saturday at eleven going
by way of Trenton and Philadel-
phia arriving at Wilmington Del.
that night, on to Frederick Md.
the next night, arriving at Lex-
ington Va., Monday night on to
Martinsville Va., Tuesday night
arriving home at Burlington, N. C.
at 12:30 Wednesday. A total of
881 miles made in 50 hours. The
entire trip was made without
even a puncture which is a
very remarkable record consider-
ing the rough roads which upon
an average were not up to our
County Alamance by far, which
speaks very favorably for the
Stevens Dunyca Co. Mr. W. E.
White of Graham joined Mr. and
Mrs. Williamson at Baltimore
accompanying them on their re-
turn.

Millinery Opening at Graham.
Misses A. & L. Freeland's

of beauty next Friday and Satur-
day when they will throw out
to view to the public one of the
most beautiful lines of pattern
hats and millinery novelties to
be seen in the county. The lad-
ies should not fail to see this
display.

Movement on Foot For County Fair at Durham.

Durham, Sept. 22 —The mer-
chants' association has taken up
the county fair agitation after a
long rest, with the result that
work will begin earnestly next
year to interest the county in it
and a site for it purchased by
some syndicator. The county
came near having such a thing
last year, but failed at the last
minute because ground wasn't
available. Durham as one of the
small counties which makes its
real estate for such a purpose
hard to secure. A good fair
ground is almost as large as the
outside country.

Don't Forget To See.

Dr. N. Rosenstein, the Opto-
metrist of Durham, at the Bur-
lington Drug Co. next Wednes-
day and Thursday, Oct. 4th and
5th, to examine your eyes and
fit glasses. If your eyes "ACHE"
he can relieve it, and his charges
are very moderate to all, and
his work the best.

We regret that the cut of Mr.
Walker comes too late to be used.

Gentlemen: Your secretary
takes this opportunity and begs
leave to be permitted to say that
the Baptist Baraca Class of which
he is teacher or rather director
led all other classes in town last
Sunday in attendance and offer-
ing for which our boys are very
grateful. Pardon me, this time
and I will not indulge any more
soon.

The attendance and offering in
the Burlington Schools last Sun-
day was a record breaker.

The Men's Bible Class Associa-
tion of Burlington has been or-
ganized and making its weekly
reports through its secretary of
attendance and offering for every
week since August 26, 1910.

Below is a comparison of at-
tendance and offering Aug. 26,
1910 and September 24, 1911, a
period of thirteen months:
Total August 26, 1910—Attend-
ance 117; Offering \$7.91.

Total September 24, 1911—At-
tendance 381; Offering \$19.30.

Another idea: The efficient
work of Mr. W. E. Sharpe, Supt.
of the M. E. S. S. should be an
example to the other Superinten-
dents of our town and the in-
dustry of Mr. O. F. Crowson,
the M. E. Baraca teacher must
also be reckoned with by all of
us. Brother Wright to, is doing
a good work with the Webb Ave-
nue people. In fact there is not
a school in town that is not doing
creditable work.

Our motto: "We Do Things."
Our platform: "Young Men
at Work for Young Men, all
standing by the Bible and the
Bible School."

John H. Vernon, Secretary

R. F. D. No. 5.

The farmers are getting along
fine cutting their tobacco. What
they can't do the worms are do-
ing for them. They are very
very, accommodating, they don't
only cut it, but stem it.

This will be a time when the
buyers will have no room for
complaint, for they can have all
colors.

Mr. and Mrs. J. R. Aldridge
and Master Allen Graves visited
at the home of Mr. A. J. Porter-
field's last Sunday.

gin, but hasten to welcome her in
our midst, and wish her much
success.

Some of the Democratic "good
government" supporters now
want a law and order league in
order to have the law enforced.
Isn't that an admission on their
part that Democratic "good gov-
ernment" is a failure?—Cacau-
sian.

Look out, the tax sale is com-
ing.

veterans on Wednesday at the
fair. All veterans are especially
invited to be present. Money is
being raised to pay the Daughters
twenty-five cents for each veter-

the Daughters to the Monument
fund. The Daughters of the
Confederacy will be paid ten per
cent of the gate receipts Wednes-
day.

The cause for which the daugh-
ters are working is one of worth
and if you are solicited for funds
you will be serving the veterans
nothing more than their just dues
by contributing. The daughters
are putting forth every effort to
do honor to those who died for
what they believed to be right
and to whose memory we as true
American Citizens and Citizens
of Alamance County owe homage.

Happiness Depends On the Way We Look at Things.

Are your eyes so that you can
see things in the right light? If
not, it shows the presence of eye
strain. Let Dr. Rosenstein fit
your eyes with glasses that will
relieve the strain and see right.
Dr. Rosenstein's experience and
ability, together with exceptional
facilities enables him to do the
best work at the lowest prices.
Dr. Rosenstein will be at Bur-
lington next week, Wednesday
and Thursday, Oct. 4th and 5th,
stopping at the Burlington Drug
Co. Call to see him.

Mr. Russell Moore left last
week to enter school at Mt.
Pleasant Institute. Russell is a
bright boy and we wish for him
a bright future.

and will surely succeed.
