## TAFT PROCLAIMS THANKto Progressive Party. GIVING DAY.

tion follows:

By the President of the United States of America: "A proclamation:

"A God-fearing Nation like ours owes it to its inborn and sincere sense of moral duty to testify its devout gratitude to the All-giver for the countless benefits it has enjoyed. For many vears it has been customary at he close of the year of the National Executive to call upon his fellow countrymen to offer praise and thanks to God for the manifold blessings vouchsafed to them in the past and to unite in earnest supplicant for their continu-

The year now drawing to a close has been notably favorable to our fortunate land. At peace within and without free from the nerturbations and calamities that have afflicted other peoples; rich in harvests so abundant and in industries so productive that the overflow of our prosperity has advantaged the whole world; strong in the steadfast conservation of the heritage of self-government bequeathed to us by the wisdom of our fathers and firm in the resolve to transmit that heritage unimpaired but rather improved by good use, to our childrep and our children's children for all time to come, the people of this country have abounding cause or contended gratitude.

Wherefore, I William How-3 Taft, President of the United Sames of America in pursuance ong establishe usage and in arre been our portion and mode prayer that His great as toward us may endure. n witness whereof I have e-mio set my hand and caused -) of the United States to
