PATRICK PARDONED FOR THANKSGIVING.

Ossining, N. Y., Nov. 28.— "Thank God. This is a real Thanksgiving day for me." These words were uttered by Lawyer Albert T. Patrick today who was pardoned by Governor Dix after a 10-year fight for freedom. He has twice been within the shadow of the death chair for the murder of William Marsh Rice, millionaire. It is expected that Patrick will be released at noon.

Albany, N. Y., Nov. 28.—Albert T. Patrick, who is serving a life sentence in Sing Sing prison for the murder of William Marsh Rice, an aged millionaire, in New York city on September 23, 1900, was pardoned last night by Governor Dix.

Patrick, who was saved from the electric chair, by the late Governor Higgins in December 1906, has made a remarkable fight for freedom. A lawyer by profession, he protested when Governor Higgins commuted the death sentence to life imprisonment declaring that the governor had no legal right to cancel the original sentence and impose punishment of life imprisonment.

"There has always been an air of mystery in this important case," Governor Dix said, "quoting from the minority opinion of the court of appeals, 'the atmosphere that surrounded the defendant showed that a fair and impartial trial was scarcely possible.'"

"I trust that Mr. Patrick will devote his energies to a complete vindication of his declared innocence."

"During the past year I have given much consideration to this case and am convinced that the defendant is entitled to have a full pardon."

Governor Dix said Superintendent of State Prisons Scott and scores of prominent citizens appealed to him in Patrick's behalf. The pardon was mailed last night to Warden John S. Kennedy of Sing Sing and Patrick will be released today upon its receipt.

It is said that Patrick plans to leave for St. Louis, the home of John F. Milliken, his brother-in-law, but may return later to New York as a claimant for the millions left by the aged man with whose murder he was charged.

Sarah Jane Holt was born March 24 1825 and departed this life Nov. 28, 1912, aged 87 years 8 months and 4 days. Her husband, John Holt, died 40 years ago the 18 of last September. She was the mother of 9 children, 7 of whom are living. The children are, Miss Bettie Holt, who make her home with her nephew John R. Holt, Mrs. Dr. A. A. Phipps, Mrs. Rev. John Ingle of Blowing Rock N. C. Mrs. Thomas Low of Greensboro. Mrs. Isaac Shoffner, J. Lewis Holt and Wm. S. Holt. She has 31 grand children living and 3 dead 42 great grand children living and 6 dead, and 2 great, great grand children living and 1 dead.

Mrs. Holt was a sister of the late Wm M. Mebane of Guilford County and the late Robert Mebane of the St. Marks neighborhood of Alamance County.

In early life she united with the Presbyterian Church and when her children joined the Reformed Church she transferred to Mt Hope Reformed Church in order to have a united family.

Left a widow with large family of children in the hard times following the Civil war Mrs. Holt had to work hard. But she was fully equal to the demands and succeeded well in rearing and training her large family.

By trade Mrs. Holt was a tailor and many men can remember the garments made for them before the days of ready made clothing.

Her funeral was held in Mt. Hope Reformed Church Nov. 29 and was conducted by her pastor Rev. D. C. Cox and former pastor Rev. J. D. Andrew. (Rev. Cox spoke from the 10 verse of the 90 Psalm, while Rev. Andrew spoke from the 36 verse of the 9 Chapter of the Acts of the Apostles.

Rev. Andrew who is a son of Mt. Hope Congregation spoke from his own observation of Mrs. Holt's visiting the sick in her community and of her earnestness to her Church work. She was a good woman and will be greatly missed in her community.

Washington, Nov. 29.—The appointment of William P. Jackson, a republican as the successor to the late Senator Rayner of Maryland, reduces the supposed Democratic majority in the new Senate to a point very near the jevinding line. Before Senator Raynors death the Democratic leaders counted on having 49 votes or one more than a majority of 96. Now they can count on only 48 votes with Democratic Vice President to cast the deciding vote in case of a tie.

ABSCONDING CASHEIR TRIES TO KILL HIMSELF

West Point, Ga., Dec. 1.—H. W. Parker, absconding bank cashier, of Winnebag, Miss., who yesterday confessed to a shortage in his accounts of \$17,000 attempted to commit suicide in the local jail late last night. The prisoner swallowed 25 grains of medical tablets secured by him as a headache remedy. He finally was revived by physicians.

After making a written confession of his guilt in which he admitted marrying Miss Florence Bauer, Cleveland, O., despite the fact that he has a wife and three children in Winnebag, Parker became morose and despondent. He refused to see any visitors and late in the night complained of a severe headache.

A messenger was sent for headache tablets. Shortly after receiving the tablets Parker swallowed the entire grains. One of the tunkeys heard sigs of distress from Parker's cell and discovered his condition. Physicians were at once summoned and succeeded in reviving the banker.

When he became conscious Parker begged the physicians to save his life.

The Cleveland woman, Parker married while going under the name of Charles A. Long, today announced that she would not accompany him to Winnebag. Yesterday she declared that she would return to the Minnesota city, but now has decided to return to her home in Cleveland.

Officers are expected to arrive in West Point tonight. They will return with the prisoner immediately as he has expressed a willingness to face the charges against him.

ROW AMONG ORANGE DEMOCOCATS.

Duham, N. C., Nov. 29.—A row in politics that is likely to prove serious for the Democratic party in Orange County is now in process, and is likely to continue for some time. Besides this it is likely to involve several citizens of the county in litigation, and perhaps do damage in other ways. The row comes after the defeat of Mr. Browning for the office of County Commissioner in the recent election and the various causes for his defeat. It is generally believed that stickers or white slips of paper were used over Mr. Browning's name, by whom this was done is not stated.
