White Co. Gets a Big Hotel Contract

In competition with Furniture manufacturers through the nation the White Furniture company, of Mebane has just been awarded a magnificent contract for furnishing the handsome new Grove Park Inn at Asheville. The Mebane concern is one of the foremost on the south and North Carolinians especially will be interested in the following facts, taken from a news story in the Asheville Citizen:

"Through the firm of J. L. Smathers and son, the owners of the new Grove Park Inn yesterday closed a contract with the White Furniture company of Mebane, N. C., for \$22,000 worth of furniture which will be used in the Hotel. In this bill the pieces for bedrooms, ladies parlors and the offices which is to be stained silver gray, the furniture ordered yesterday will be furnished in the natural colors. All of it will be constructed, according to the William Morris pattern of two-year-old Indiana quarter sawed white oak. All of the handles will be hand hammered.

"Frey Seely stated last night that the selection of the White company to furnish the material for the new hotel came after the owners had conferred with furniture manufacturers from all parts of the world and had witnessed the products of scores of factories. He stated that when the question of furnishing the hotel was first taken up it was thought that northern and eastern dealers would have to be dealt with exclusively if the best grade of furniture was obtained. How ever Mr. Seely stated, the samples of the White company which arrived here by express Saturday night, are the best which has been seen and the owners of the Hotel are delighted with the manner in which the furniture has shown up. It is precisely what is wanted for the new hostelry.

"The Roycrofters received a contract for a large bill of furniture for the hotel several weeks ago and last week, the owners purchased their material for furnishing the lobby of the building. The order for the silver ware for the Inn has been given. It will be ready for shipping by the time that it is needed here and will be very valuable. It will be hand hammered and the designs while very elaborate, will be unusually unique.

"The White company, which yesterday received the contract for a portion of furniture for the hotel, several years ago received the contract for furnishing the United State government with \$100,000 worth of furniture. This firm was selected after scores of others in the United States had submitted bids."

Castly Find in Kentucky Hotel.

Cattlettsburg, Ky., Dec. 5.—When a door to a hotel was battered down today the body of a young woman who had been dead probably 48 hours was lying on a bed. Near-by a man lay dying, while the third occupant of the room a—women who had registered as the man's wife—seemed unable in any way to give account for the tragedy.

The trio reached the hotel on Monday night. The girl who was found dead registered as "Minnie Turner."

They man gave his name as James York, of Huntington, W. Va., and the second woman registered as Mrs. York.

They did not appear about the hotel in two days after their arrival, and the hotel proprietor determined to break down the door to their room.

Mrs. York seemed to know that the Turner girl was dead while York was so weak he could make no statement. Coroner Swope, of Ashland, began an investigation. He said he believed the Turner girls death was caused by poison and he ordered the York Women held.

The name of the York woman was registered as Mrs. York is said to be Mrs. Edward Gullit, of Huntington, W. Va. She has been taken into custody to await further investigation by the coroner. One theory of the tragedy,

that it was a triangular suicide pact while another is that jealousy was at the bottom of the affair.

Bleasé Condemned.

Columbia, S. C., Dec. 8.—Public opinion of the better class throughout South Carolina generally deprecates and condemns such utterances as those of Gov. Cole L. Bleasé at the governor's conference in Richmond, where he endorsed lynching and promised his acquiescence in mob violence. His action, however, was not a surprise. He has always conducted his campaigns on this basis, one of his most notorious declarations being "I stand by my friend."

Statistics are quoted to show that since he has taken office there has been a great increase in the number of lynchings.

In the last Democratic primary Governor Bleasé was renominated by a majority of 2,000 in a total of 140,000 votes cast. It was freely charged that there had been ballot box stuffing, but the state executive committee declared it unable to find proof of frauds sufficient to throw out the nomination.

Gov. Bleasé's declaration that he will enter the senate in 1915 undoubtedly means that he intend to run for the Democratic nomination for the senate in opposition to C. E. Smith, whose term expires in 1915. It is probable that Senator Smith will run.

A Busy Place

The Alamance Loan and Trust Co. is a busy place this week. The Officers are engaged in mailing out Christmas Savings Club checks to their members. They have over five hundred members and the checks will amount to more than \$3000.00 which will be paid out just before Christmas—a time when every body needs extra money.

This is the most unique and best plan to save a little money for Christmas we have ever seen and is as follows: In class No. 1, you pay 1c. first week, 2c the second week, 3c the third week, and so on for fifty weeks and two weeks before Christmas they will mail you a check for \$12.75 with interest at 4 per cent. In class No. 2 you pay 2c the first week, 4c the second week, 6c the third week and so on for fifty weeks and two weeks before Christmas they will mail you a check for \$25.50 and interest at 4 per cent. In class No. 5 you pay 5c first week, 10c second week, 15c third week and so on for fifty weeks and two weeks before Christmas they will mail you a check for \$63.75 with interest at 4 per cent.

You may reverse the order of payments if you wish; that is begin with the larger amount and decrease it each week. You will pay in the same amount of money this way as the other but you will get more interest.

Their next Club opens Dec. 25 and they have arranged to have extra clerks on hand to wait on you promptly. They expect to double the present club and we know of no better plan to save money. Call on them and let them explain it to you thoroughly. They will take pleasure in doing so.
