No. 12

A VICTORY FOR THE UNIVERSITY OVER TRINITY AND HER FACULTY.

WE WIN BY A SCORE OF EIGHT TO THREE.

The University Base Ball team with Mr. A. H. Patterson as Manager and Perrin Busbee as Captain, left Thursday evening for Winston to play the long awaited for game with Trinity. The result was the above score. We give below the main points throughout the game. The score by innings was

INNINGS.	1	2	3	4	5	6	7	8	9
TRINITY.	1	0	0	0	0	2	0	0	3
UNIVERSITY.	2	0	0	2	1	1	0	2	8

Messrs. Sumner and Williamson, of Winston, umpired the game to the satisfaction of every one. After the teams had reached the grounds there was some delay occasioned by refusal of Trinity to remove Sutton, their pitcher, who is a Professor of stenography at Trinity and by his own confession takes no recitations. Trinity refused to play should Sutton be removed and at last Capt. Busbee gave up to them, although he had written, when making the date, stating that no one should play except *BONA FIDE* members of college, taking five recitations; and although Trinity said that no such letter had been received. Trinity took the field.

It was decided by Captains Busbee and Sutton that a ball batted over the centre fence could give a home run, and that one over either the right or left fence entitled the batter but to one base.

1st. University—Busbee who batted first knocked a fly to right field and was caught out by Taylor; Graham hit an easy infield ball and was thrown out on first; Oldham gained his first and Jones who was the next batter sent the ball squarely over the centre fence, putting Oldham and himself home; shaw was thrown out on first.

1st. Trinity—Harper knocked ball to center field and was caught out by Busbee; Daniels and Sutton got to their first and Durham made a hit sending Daniels in; Harris was thrown out on first and Jones struck out leaving Sutton and Durham on base.

2nd. University—Hamlin struck out; Johnston R., batted to center field and was caught out by Daniels; Johnston H., was thrown out on first.

2nd. Trinity—Ardrey was caught out by Oldham on a high foul. Barnes knocked to center field and was caught out by a splendid catch by Busbee; Taylor out on fly to Willard.

3rd. University—Willard knocked to right field and out by Taylor; Busbee hit over right fence and held first; Graham made first putting Busbee to 2nd; Oldham out on fly to center field; Shaw hit to first and Graham put out running to 2nd, leaving Busbee on base.

3rd. Trinity—Harper hit an easy ball to Willard and out; Daniels had three balls and no strikes, but Johnston put in three successive strikes at this critical period and struck him out; Sutton struck out.

4th. University—Shaw hit an easy in-field ball and out on first; Hamlin got to 2d on a wild throw to 1st. Johnston R hit to C F and out; Hamlin made a fine slide to 3d, gaining his base. Johnston H batted over centre fence, putting Hamlin in. Willard out on easy in-field ball.

5th. University—Busbee got to first but was put out on slide to 2d; Graham knocked ball over right fence and stole to 2d; Oldham struck out; Jones hit a hard ball to l. f, putting Graham in; Jones made 3d by daring slide; Shaw gained first and Jones was put out between 3d and home; Shaw left on base.

5th. Trinity—Barnes out on high foul by Old-

ham; Taylor out on 1st by a beautiful catch by Willard who was knocked off his base; Harper hit fly ball to 3d and out by Jones.

6th. University—Hamlin got hit and took base; Johnston R hit, gaining 1st, putting Hamlin to 2d; Johnston H hit, gaining 1st and putting all others up one base; Willard hit in-field ball and gained his 1st, Hamlin being put out on home; Busbee got his first and Johnston R was put out on home; Graham hit to S S, gaining 1st and putting Johnston H in; Oldham hit a long fly to l. f. and was caught out, leaving Willard, Busbee and Graham on base.

6th. Trinity—Daniels again struck out; Sutton hit a fly to Graham who muffed it threw wild to 1st and Sutton gained his 2d; Durham knocked a home run and put both in; Harris knocked a high fly and was caught out by Willard; Jones struck out.

7th. University—Jones struck out; Shaw batted to s. s. and out on 1st; Hamlin being hit, took his base and out on slide to 2d.

7th. Trinity—Ardrey out on high foul by Johnston R; Barnes thrown out on 1st by easy ball to Johnston R; Taylor out on beautiful catch by Hamlin.

8th. University—Johnston R gained first by hit over 2d base; Johnston H gained 1st and sent J. R. to 2d, both moved up by passed ball; Willard gained first, sending Johnston R in and J. H. to 3d, and then stole 2d; Busbee got out on 1st; Graham gained first, putting Willard to 3d and Johnston H out on home; Oldham hit, putting Willard in home and gaining first; Graham out while running home.

8th. Trinity—Harper knocked to 2d and was thrown out on 1st; Daniels gained 1st; Sutton knocked foul to 3d and out by Jones; Durham gained first and Daniels 3d, on fumble by Jones; Harris out on fly to Johnston.

9th. Trinity—Jones struck out; Ardrey gained 1st on fumble by Johnston R, but out on slide to 2d; Barnes out on 1st.

The game was well played by both sides but comparatively few errors being made. University, 6; Trinity, 8; passed balls: Oldham, 0; Ardrey, 1; base hits, University, 13; Trinity, 7.

The main points in the playing of each member of the University team we give below:

Busbee made several beautiful catches in centre field, while the catch of Hamlin in left field was superb, running for a low fly over Jones' head and stooping low caught it on his knee. Both batted fairly well. Graham did not play the good ball he was expected to do, for during the sixth innings a fly came to him in right field, and muffed it, he threw wild to first, thus giving Trinity one more run than they deserved—the other two being earned runs. Graham did good batting. Oldham excelled himself, caught several hard fouls, passed no balls and threw true to 2d. Jones played good ball, but one or two fumbles that could have been avoided. His batting was excellent. Shaw did not have a single ball during the game, batted fairly well. Johnston R, pitched his best, threw no wild ball, gave no bases on balls and struck out one-fourth of the men who came to the bat; batted well. Johnston H, did not have many chances of putting in his excellent 2d base work. Did splendid batting. Willard held his own, as customary; was knocked off his base twice, but held to his ball like grim death. His batting was fair. The base running by all was excellent and cannot be too highly praised. Our training told in the long run and will win other games. The team and those who accompanied them were handsomely treated, while at Winston, by Messrs. W. B. Allen and Abe Strause

and desire us to express their thanks to those gentlemen.

TOWN DOTS.

Miss Alice Jones, of Raleigh, who has been visiting the Misses Mangum, has returned home, after a pleasant stay of some weeks.

Miss Laura Payne spent a few days at Bingham's School last week, much to the regret of her student friends.

On the night of the 14th Mrs. Hogan's kitchen caught fire. It was extinguished before much damage was done, by the timely efforts of Prof. Venable and Mr. Charles Mangum, who had his knee-cap injured during the accident. He is doing well by this time.

Dr. Gushee, of Cambridge, Mass., arrived on the Hill last week. We hope he will remain as pastor of the Episcopal church, as they have no regular one at present and Dr. Gushee, we think, is just the man for the place.

We were delighted at the enthusiasm displayed at our victory over Trinity. When the news was received both Societies adjourned and a meeting was held in front of the South Building. Amid the ringing of all the college bells and several town bells, many hopeful and hearty speeches were made by the Faculty and students. A grand ovation awaited the team upon their arrival the next day. The University train and engine bearing them from University Station to Chapel Hill was laden with flags and bunting, and as the train drew near the station the engine whistle tooted the yell and the score which was immediately taken up by the neighboring factory. The Faculty and 200 town-folks and students welcomed the boys, and the procession, headed by a brass band, escorted the team to the hotel, where repeated cheers were given for the team, the different members who had distinguished themselves and the zealous Faculty. The order of line was: Band, team in carriages decked with our colors, Faculty and students in carriages, students on horses, students and ladies in carriages and students and towns-people on foot. Great enthusiasm prevailed and cheer and yell were repeated many times up and down that long column.

UNIVERSITY MINSTRELS.

On the night of class-day, Wednesday, April 15th, the University Minstrels gave their first performance. A good audience greeted the troupe, and all were amply repaid for attending. Worthy of especial mention are Messrs. E. W. Martin and J. O. Gilmer, Jr., these gentlemen furnished the fun and carried out their parts in a commendable way. True is the remark made of Gilmer, "he makes a much better nigger than white man." The singing was good and on the whole the performance very creditable. The receipts amounted to something over \$40.00.

We are glad to learn that our young friend, Mr. Chas. Mangum, has been appointed Gymnastic Instructor for the Teacher's Assembly at Morehead, this year. He is capable and will fill the position to the satisfaction of all.
