Charlotte Would Be Center of District.

Washington, Jan. 16 .- Hearings on the rival claims of eastern cities desiring to be chosen by the federal reserve organization board as locations for regional banks were concluded here today.

Representatioves of Pittsburg urged that it be located in the center of a great industrial territory. Representative Burke declared it would be principals gave little indication that Gruesome Find Made By Party of like compelling a man to swim upstream to locate the headquarters of the district in which Pittsburg is to he located at either Cleveland or Cincinnati.

Reasons why Charlotte, N. C., should be chosen as the seat of the reserve bank in the south Atlantic States were advanced by a delegation from Charlotte. The district propos ed would consist of Virginia, North Carolina, South Carolina, Georgia, Florida, eastern Tennessee and southwestern West Virginia. The delegation urged that Charlotte's central location made is admirably suited for
