TRAIN GOES OVER HIM, YET HE WILL RECOVER.

Rocky Mount, Oct. 25.—One of the most remarkable escapes from death so far as is recalled by some of the oldest citizens hereabout in railroad history was that of late Friday afternoon at South Rocky Mount, in which B. B. Gregory, a flagman, sustained injuries and severe bruises. The young man was at work on top of a coal car which was being shifted, when in some way, while the train was moving at a fair rate of speed the dumper doors under the bottom of the car, became unlocked or broke and the car load of coal was precipitated under the train and a small quantity, probably a fifth of the car-load through the small holes made by the V shape in the release of the floor. It was through the small V shaped hole that the young man was thrown with great force to the ground, without a wheel striking him, or being mangled in any way by being dragged by the train. The young man was hustled to the Rocky Mount Sanitarium where a careful examination disclosed severe bruises over his entire body while his greatest injury was in having his left shoulder crushed. While he will never again have normal use of his left arm, so physicians think, they likewise declare that he will recover.

FINDS SON 20 YEARS LOST

Mother's Search Ends at Panama Exposition. Concordia (Kna.) Dispatch. Robert Nelson has arrived here from San Francisco to visit his mother who has been searching for him for nearly 20 years. Believing her son might attend the San Francisco Exposition, she inserted advertisements in newspapers there and was rewarded by a message that her son had been found. He was taken from his mother by his father in San Francisco 19 years ago, when he was 8 years old. The mother was left with a 2-year-old daughter, and \$50 and told to go to Concordia, Kan., to her mother. A sister, Miss Josephine Nelson, lives in Kansas City. One of the incidents leading up to the discovery was the premonition of the grandmother, Mrs. C. Gilbert, that the hope of her younger days would return to see her before she died. She lies at the point of death at her home. This is the message received by the mother in answer to the advertisement: Dearest Mother: I am coming home to you. My heart is filled with love and gratitude and will wire you latter the exact date of my arrival. Will be there as soon as I can arrange my affairs. With love, I am, ROBERT.

CHIEFS WILL FIGHT IT OUT.

Carranza Making Strong Efforts to Vanquish the Villa Army; Troops in Texas—Five Trains With Men and Guns Crossed the Border. El Paso, Texas, Oct. 29.—Two batteries of American artillery numbering eight guns were secretly posted after dark tonight with their muzzles pointed toward Juarez, where a Villa garrison of 1,500 men had given apparently hostile signs toward American troops on border patrol. The first train load of the 5,000 troops, which General Carranza is sending through the United States from Eagle Pass, Texas, to Agua Prieta, Sonora, was expected to pass through this city soon after midnight. The passage of these troops over American soil to fight Villa in Sonora has angered the Juarez garrison and there is danger of trouble. All the American soldiers stationed here, about 5,000 men, were ordered out tonight to guard the railway over which the Carranza train will pass to prevent Villa supporters from attempting to dynamite the troop train. Spofford, Tex., Oct. 29.—Five troop trains, loaded with 5,000 Carranza cavalry men and four three-inch cannon, passed through here this afternoon on their way to Agua Prieta, Sonora, to attack Villa's army from the American side of the border. They were entrained yesterday at Laredo, Texas. This is the first time in the history of the Mexican revolution that Mexican troops have been allowed to cross American territory with arms. General Carranza will arrive at Piedras, Negras, opposite Eagle Pass tomorrow where he will meet John Lind and John Silliman, special agents of the state department. General Obregon, it was reported here, refused to accompany First Chief Carranza to the border owing to a misunderstanding between the two chiefs over the distribution of certain moneys. Obregon remained at Torreon where reports that Carranza had been made a prisoner by his chief military commander were officially denied today.

APOSTLES' CREED IS OPENLY CRITICISED BY CAMBRIDGE MINISTER.

Says it Contains Phrases Modern Mind Cannot Accept at Face Value—Suggests New One.

Boston, Oct. 26.—After criticising the Apostles' Creed as "containing phrases which the modern mind cannot accept at their face value," the Rev. Wootman Bradbury of Cambridge today offered to the Baptist ministry a new creed. The new declaration was placed in the minutes of the meeting, held to celebrate the two hundred and fiftieth anniversary of Baptist religion in this state. The creed suggested by Mr. Bradbury follows: "I believe in God, the Father of all races; in Jesus Christ, our Lord, and in the Holy Spirit, the purifier of hearts of men; "I believe in the gospel as the power of God; and the wisdom of God and in Christian good will as the force to transform the world; "I believe in the church universal, the communion of the good, the coming of the kingdom and the life everlasting."

ASKS SLEUTHS TO GET ROBBER OF TRUNK BANK.

Kinston, Oct. 27.—Joe Gant, a Greene county planter who never had much faith in banks, has employed detectives to search for \$2,200 taken by an unidentified thief from a trunk in his home. The money was the savings of a life-time. After taking it the robber carefully locked the trunk as before. We should perhaps be thankful that some European nation did not gobble us up long ago, being as we were not prepared to offer resistance. When the war is ended there will be so many in the division the chances are that a mighty small slice will be left for the little ones.
