**WAS BRIEFLY TOLD.**  
 People You Know - People You Don't Know and Some of Business.  
 Stop advertising.  
 Don't delay the matter longer, get a rock crusher and let the good work begin.  
 Mrs. R. S. Petty, of Greensboro, is on a visit to her mother, Mrs. Booker, near town.  
 Mr. John Pritchard, of Charlotte, is on a visit to his parents, Capt. and Mrs. W. N. Pritchard.  
 Mr. Chas. Woolen has returned from a few days visit to relatives in Winston-Salem.  
 Mr. and Mrs. Moody Lloyd have returned from a visit to relatives at Hillsboro.  
 Mrs. Charles Lane, of Wilmington, is visiting Mr. O. B. Tenny's family.  
 Most of the stores close in the evening at 7:30. There are several merchants who do not, but let their clerks do.

A few lines in THE NEWS about your business will not only help your trade but will aid us to keep the paper on its feet.  
 We guarantee to please you in every job we turn out. Our paper and envelopes are up to the standard and the printing is too.  
 Mr. Thos. Sparrow, of Winston-Salem, is on a visit to his parents, Mr. and Mrs. H. W. Sparrow.  
 Prof. Thos. Hume, Jr., Supt. of the Winston-Salem Graded Schools, is on a visit to his parents, Dr. and Mrs. Thos. Hume.  
 Mr. W. C. Cole, near town, had a very sick child the first of the week. We hope its condition is much improved by this time.  
 S. O. Yates, the clever soda water slinger at the University Drug Co., spent Sunday at his home in Chatham county. He reports a very pleasant time.

The many friends of Mrs. W. H. Temple, who has been ill for a week or more, will be glad to know that she is much better.  
 The degree of LL. D. was conferred upon President Smith, of Davidson College and President Pease, of Wake Forest College at the University Commencement this week.  
 Miss Malone, who has been on a visit to her sister, Mrs. A. P. Tilley, was called to her home in Alamance county Tuesday on account of the serious illness of her grand father.

We print wedding invitations, visiting cards, typewriter paper, letter and note papers, (ruled and unruled) envelopes, ball heads, statements, cards, pamphlets, circular letters, posters, in fact anything you may need.  
 Dr. Wm. B. McMiller was called over to University Station Monday to see R. P. Strayhorn's little boy, who was reported to be quite sick. We are glad to learn that the little fellow is much improved to-day.

Mr. Calvin R. Parish, our present efficient County Treasurer, is the first to make public announcement of his being a candidate for office, in this county. Read his card. Mr. Parish is not in the "ring." "Nuff said." Keep your seat Bro.  
 Don't think because the students are gone that your produce will not find a ready sale here. Fetch along your chickens and eggs just the same. Chapel Hill has grown out of the old rut when a few dozen eggs and chickens "glutted" the market. All kinds of produce is in demand here.

We learn that Mr. Ed. Kirkland of New Hope neighborhood, was painfully hurt a few days since by a horse. He was trying to bribe the animal when it threw up its hind very suddenly, striking Mr. Kirkland on the jaw, breaking the bone. He went to the hospital for treatment.  
 We learn that the Democratic County Executive Committee held a meeting after the Convention Saturday, at Hillsboro, and decided to call the County Convention on Saturday, Aug. 18 for

Mrs. Sarah Temple, of Liles, Tenn., who has been on a visit to Capt. W. N. Pritchard's family, left Monday for Greensboro to visit Miss Mamie Strowd.  
 Prof. and Mrs. Core left last week for Virginia to spend the summer. They will also spend some time with relatives and friends in Washington City.  
 The largest and best line of pipes to be had anywhere can be seen in the show window at Robt. Hackney's Pharmacy at Durham. All shapes and sizes can be had. Most complete line of pipes we ever saw. No trouble to find what you want in this line at Robt. Hackney's Pharmacy.

The average man does not mind high road tax as long as he can see any benefit to himself or his neighbors. Under the old way of working the roads around Chapel Hill there is very little benefit to be derived. If our Road Commissioners would only buy a rock crusher the question would be solved.  
 Children's Day exercises were held at the Alberta church Sunday night. The exercises consisted of songs and recitations. A large crowd attended. Revs. H. C. Houtt, Seymour and Wildman took part. Mrs. Wildman presided at the organ. The entertainment was very much enjoyed. The solo by little Miss Parker captivated the whole audience.

**Dumped Into a Ditch**  
 Uncle John Laws and Major Hampton spent last Wednesday on the Hill. On their return to Hillsboro in the afternoon the horse became scared on the bridge, this side of the Brockwell mill, and ran the buggy off, dumping the occupants into a ditch. Mr. Laws seemed to be the worst hurt, as Major Hampton fell on him. We are glad that no bones were broken and that they came out as well as they did. It could have resulted worse.

**Legs 2 Thumping Business**  
 Judging from the number of letters the president, Mr. T. H. Raney receives during a single day one would be obliged to think that the Raney-Canner Co., was doing a big business. In the past week or so this company has received orders for over two hundred canners. Mr. Raney is kept busy answering letters and writing orders. We are glad to know that there is such bright prospects for a big fruit crop in all sections this year.

**It Looks That Way Now.**  
 From all indications J. C. Biggs, of Durham, will be nominated for Judge in the 6th district. To begin with Mr. Biggs has about 105 votes, enough to nominate him. The vote stands something like this: For Biggs, Durham, 24; Granville, 22; Person, 18, and Alamance 20. For Shaw, Guilford 57, with a few in Alamance, and for Gattis, Orange, 17 and several in Alamance.

**Buy the Rock Crusher!**  
 The time is at hand when our roads should be put in good shape for next winter. A majority of the tax payers in Chapel Hill township want the Road Commissioners to buy a rock crusher and grind up rock and fix the worst places in the roads first. This would be the proper thing to do if we ever intend to have better roads. Cedar Grove township has a rock crusher and it is the only township in the county that has respectable roads. Get a rock crusher and grind up every rock that can be had and after we get a large supply put teams to hauling the gravel and filling up the worst places. It is the best and cheapest way we can make a start.

**Dr. Davis in Charlotte.**  
 Charlotte Observer of the 6th inst. says: Prof. R. O. E. Davis, of the faculty of the University of North Carolina, has accepted the position of assistant assayer of the Charlotte mint, taking the place made vacant by the recent death of Prof. George B. Hanna. Prof. Davis arrived in the city last night and he will assume his duties this morning. He will likely be here during the summer only, merely filling the place until a regular assistant assayer can be secured. Prof. Davis is an assistant in chemistry at the University and is an expert.

Miss Myrtle Morgan is visiting Mr. T. G. Lindsay's family in Damascens neighborhood.  
 Miss Nonie Hocutt has accepted a position in the jewelry and optical store of W. B. Sorrell.  
**FOR SALE:** A good farm horse. Apply to R. A. McLeod, Chapel Hill Construction and Supply Co.  
 Mr. Ben Abernethy, who has been working for the Stone Printing Co., at Roanoke, Va., is at home for a few weeks.  
 Dr. Charles S. Mangum left this morning for the University of Chicago. He will not return to Chapel Hill before the first of September.  
 Mr. Glen Patterson, who is with the Patterson Drug Co., Wilson, is on the Hill visiting relatives and friends.  
 Messrs. Graham Sykes and Thos. E. Sparrow went over to Hillsboro Saturday on business. "Look out boys" the Republicans are fixing for you.  
 The Democratic County Convention met at Hillsboro Saturday and elected delegates to the Judicial Convention of this the 6th district, which is in session to-day at Durham.  
**Lost:** A black mare mule, 6 years old with a J branded on the jaw. Any information regarding its whereabouts will be appreciated. Will pay any one for his trouble. J. E. Whitfield, R. F. D. No. 1, Durham.  
 Samuel, the ten-months-old child of Mr. and Mrs. Everett Neville, of West End, died Sunday night about 10 o'clock of some stomach trouble. The remains were buried Monday afternoon at Damascus church. The parents have the sympathy of their many friends.  
 Mr. C. E. Griffin is representing Chapel Hill K. of P. Lodge, No. 97, at the 20th annual meeting of the Grand Lodge of Knights of Pythias of the Domain of North Carolina which is in session at Greensboro this week. There are over three hundred visiting Pythians in attendance.  
 The young man who hired a buggy and two black horses, and brought his best friend down to the ball and the doctor refused his ticket, needs sympathy. It was cruel to say the least. The young man thought he wouldn't be out done, so he offered the doorkeeper a five dollar bribe and it was refused. "Gee whizz!" what did he do?

**Announcement**  
 I respectfully announce that I will be a candidate for County Treasurer subject to the action of the Democratic primaries and County Convention. I am nominated and elected I will endeavor to serve the public again as faithfully as I have tried to do for the past two years.  
 CALVIN R. PARISH.

**Letter to Thos. E. Sparrow.**  
 Dear Sir: The usual way to buy paint is to take the lowest price by the gallon. Mistake; the buyer loses by it. How much? Depends on the paint; it is so much a gallon, or so much a year. How much a gallon or year, do you think? As much perhaps as the total price of the paint. It may take twice the number of gallons.  
 N. Avery, Del., N. Y., owns two gallons of Devco paint. He painted one with Devco and one with another paint. Devco, 6 gallons, the other 12.  
 Go by the name: Devco. There's nothing cheaper. Go by the price there's nothing dearer, except not painting at all. Poor paint is better than none.  
 What does it cost it to paint at all? Figure it out exactly; say a tenth of the building a year, besides looks. What is poor paint worth, then? Don't know and don't care; you don't want it. Go by the name.  
 Yours truly,  
 F. W. Devog & Co., New York.  
 P. S. S. L. Herndon sells our paint.

**State Normal and I. College.**  
 Faculty of the State Normal and Industrial College, Greensboro, in this issue. Board is furnished at the State Normal and Industrial College at actual cost. Tuition is free to those who take the pledge to become teachers in North Carolina for at least two years after leaving the college. But all free-tuition students cannot secure board in the college dormitories. Therefore all free-

**Hold Attempt Made to Enter House**  
 Monday night between 12 and 1 o'clock a bold attempt was made to enter the residence of Dr. R. C. Davis. The burglar tried to shake it open, finally succeeded in breaking two slats out of the blind and was in the act of raising the window when Mr. John Pritchard, who was in the room called to Mrs. Davis to bring a gun. The burglar let the window down and ran in the darkness. Dr. Davis was out from home, being in Charlotte. Mrs. Davis, her sister, Miss Pritchard and Miss Pritchard were sleeping in the adjoining room. The burglar, perhaps, knew that Dr. Davis was absent from home and took advantage of it to burgle the house.  
**Mary and Her Lamb.**  
 Mary had a little lamb, its fleece was white as snow; it strayed away one day, where lambs should never go. And Mary sat her quickly down and tears streamed from her eyes; she never found the lamb because she did not advertise. And Mary had a brother John who kept a village store; he sat him down and smoked a pipe, and watched the open door. And as the people passed along and did not stop to buy, John still sat and smoked his pipe and blinked his sleepy eyes. And so the sheriff closed him out, but still he lingered near, and Mary came to drop with him a sympathetic tear. How is it, sister, can you tell, why other merchants here, sell all their goods so readily and thrive from year to year. Remembering her own bad luck the little maid replies: "These other fellows get there, ah, because they advertise."  
 Mrs. R. L. Holmes and children of Graham, are visiting Rev. J. C. Hocutt's family.  
 What's the good of keeping from him. Any good things you may see, that will lift his load of care. Like Rocky Mounts in Tea. University Drug Co.
