**IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON**

(By REV. P. B. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)  
(Copyright, 1920, Western Newspaper Union)

**LESSON FOR FEBRUARY 8**  
**PETER AT LYDDA AND JOPPA.**

**LESSON TEXT**—Acts 9:32-43.  
**GOLDEN TEXT**—The prayer of faith shall save the sick, and the Lord shall raise him up.—James 5:15.  
**ADDITIONAL MATERIAL**—Luke 5:17-26; 8:40-55.  
**PRIMARY TOPIC**—What a Kind Woman Did.  
**JUNIOR TOPIC**—What Peter Did at Lydda and Joppa.  
**INTERMEDIATE AND SENIOR TOPIC**—The Beauty and Influence of an Unselfish Life.

In order to grasp the significance of this lesson, we should recall the condition which prevailed in the church as suggested in verse 31. Three characteristics are outstanding:

1. Freedom From Persecution.  
Saul, the ringleader of the persecuting forces, had just recently been converted, thereby disorganizing their forces, allowing the church to enjoy a breathing spell. This period of rest did not result in its growing lazy, indifferent, worldly, and forgetful of God, but in growth in grace and in the knowledge of the Lord Jesus.

2. Spiritual Growth and Development.  
The real meaning of the word "edified" is "built up." This does not mean merely that the members were being instructed and comforted, but that strenuous efforts on the part of the individual members, as well as the body as a whole, were being made for the advancement of the divine life. The word "edify" contains the metaphor of some grand building or structure. As suggested by another, this metaphor involves (1) a foundation. This is Jesus Christ—no other dare be laid (1 Cor. 3:12-16). (2) A continuous progress. This means that a Christian's activities are purposeful and that the work he undertakes moves forward with the proper progress. (3) Persistent effort. This means that the present day's work begins the foundation upon which tomorrow's work must be built. Thus day by day his life is being raised higher and higher, as each separate round of material is being laid by strenuous efforts. (4) A completion. Finally the work is done, the building is completed, the top stone is brought forth and placed.

3. Upward Growth.  
Building up within the church causes the whole work to be admired and respected by those without, inducing them to come and identify themselves with the cause. There can be no forward movement without unless there be a corresponding movement within.

Our lesson today is the record of two stupendous miracles. They are the greatest signs wrought since the day of Christ. The dreadful malady of palsy is vanquished, and a corpse is reanimated by the departed soul. The occurrence here of this miracle is in keeping with the movements of the church at this time. The Lord had promised these signs as they went forth with the gospel message. They were given as encouragements to the disciples, to convince them that the gospel did not lose any of its power by being spread, but rather that its power increased. As the church goes everywhere preaching the Word there will be a corresponding manifestation of power.

I. The Healing of Eneas (vv. 32-35).  
This man's needy condition appealed to Peter, just as men today should appeal to us in their semi-dead state. Like his Master, Peter could not refuse the needed help. In this he did not direct attention to himself, but confidently appealed to the power in the name of Christ: "Jesus Christ health thee." The man who had kept his bed for eight long years immediately arose and made his bed. When the Lord heals it is done instantly. Peter wisely kept this miracle from being the end by making it the means to the end. That end was the preaching of the gospel. This brought most gratifying results, for "all that dwelt in Lydda and Sharon saw him and turned to the Lord."

II. The Raising of Dorcas (vv. 36-43).  
This woman was full of good works and alms-deeds which she did, not talked of doing. She was a practical Christian woman of the kind that gets down to the practical way of showing her love by doing deeds of helpfulness. Her death was a real loss, as was evidenced by the mourning of those who had been helped. When this good woman fell sick and died the disciples sent for Peter. Peter put them all forth. At his command her soul came back to live in her body. This again caused them to believe on the Lord.

Read the Bible and Think.
