The most distinctive feature of the clock, other than its unusually artistic appearance and the perfection of its construction and mechanism, is the complete set of Westminister chimes with which it is equipped. These ring every quarter hour and may be heard practically as far a the clock may be seen.

The big clocks are operated by defining the verse given above. The most distinctive feature of the carillon has never been positively establishd. Some the U D C—Mrs T E Cheek, president Julian S Carr Chapter. U D C, Durham, N C

As for the veterans, the city is endeavoring to outdo any previous reunion plans. Maj. L. P. McLernion. announced today that facities time nor money is to be spared in this undertaking.

It is pointed out by Major McLendon that reduced railroad fares apply to the amilies of veterans as well as to the wearers of the gray. This, he believes, will be the means of attracting hundreds of visitors for the reunion.

The program for the reunion is by far the most elaborate in the history of North Carolna reunions Included among the speakers are: Lieut. Col. Edmond Joyner, Col. W. P. Colds & Headache

"For years we have used Black-Draught in our family, and I have never found any medicine that could take its place," writes Mr. H. A. Stacy, of Bradyville, Tenn. Mr. Stacy, who is a Rutherford County farmer, recommends Black-Draught as a medicine that should be kept in every house-hald for the county farmer. hold for use in the prompt treatment of many little ills to prevent them from developing into serious troubles.

THEDFORD'S **BLACK-DRAUGH**

"It fouches the liver and does the work," Mr. Stacy declared. "It is one of the best medicines I ever saw for a cold and headache. I don't know what we would do in our family if it wasn't for Black-Draught. It has saved us many dollars . . . I don't see how any family can hardly go without it. I know it is a reliable and splendid medicine to keep in the house. I recommend Black-Draught highly and am never without it."
