A GUARANTEED INCOME.

There are investments and investments. Stocks and bonds are subject to so many and such diverse influences that it is never possible to say with certainty that they will not depreciate in value.

Certain securities are, of course, far more desirable than others, and one can reasonably count on their stability.

There is one security, however, that we can always recommend without any reservation whatever. Its market value never fluctuates. The interest is paid regularly and the principal is always repaid as promised.

We refer to our interest-bearing Certificates of Deposit—a 100 percent Safe and Sound investment for either short or long periods.

IS YOUR HEALTH GRADUALLY SLIPPING?

Interesting Experience of a Texas Lady Who Declares That if More Women Knew About Cardui They Would Be Spared Much Sickness and Worry.

Navasota, Texas.—Mrs. W. M. Peden, of this place, relates the following interesting account of how she recovered her strength, having realized that she was actually losing her health: "Health is the greatest thing in the world, and when you feel that gradually slipping away from you, you certainly sit up and take notice. That is what I did some time ago when I found myself in a very nervous, run-down condition of health. I was so tired and felt so listless I could hardly go at all. "I was just no account for work. I would get a bucket of water and would feel so weak I would have to set it down before I felt like I could lift it to the shelf. In this condition, of course, to do even my household work was a task almost impossible to accomplish. "I was . . . nervous and easily upset.

"I couldn't rest well at night and was just listless. "I heard of Cardui and after reading I decided I had some female trouble that was putting me down. I sent for Cardui and began it . . . "In a very short while after I began the Cardui Home Treatment I saw an improvement and it wasn't long until I was all right—good appetite, splendid rest, and much stronger so that I easily did my house work. "Later I took a bottle of Cardui as a tonic. I can recommend Cardui and gladly do so, for if more women knew, it would save a great deal of worry and sickness." The enthusiastic praise of thousands of other women who have found Cardui helpful should convince you that it is worth trying. All druggists sell it. 1-73
