Reports of the Press Association: Entered according to Act of Congress, in the year 1863, by J. S. Thrasher, in the Clerk's Office of the District Court of the Confederate States, for the Northern District of Georgia.

FROM PETERSBURG.

PETERSBURG, July 10.
About 5 o'clock on Friday evening, our artillery along the whole line opened upon the enemy, and at the same time our men mounted their works and defied the enemy, who sought the cover of their entrenchments, and replied with artillery. The firing lasted about 30 minutes.

No assault has been made on our lines during the week and the impression is that the enemy has drawn off their forces from our front.

For several nights the rumbling of artillery and wagons have been distinctly heard all night. The enemy however still keep up a show of force all along our entire front. All is quiet to-day.

FROM RICHMOND.

RICHMOND, July 8.
Nothing of special interest has been received from the Valley to-day.

It is reported that another large force of Yankees are crossing to the North side of the James River to-day.

[SECOND DISPATCH.]

RICHMOND, July 9.

A copy of the Baltimore Gazette of the 7th inst. has been received, and the annexed highly important news has been called from its columns.

Martinsburg, Harper's Ferry and the Point of Rocks have fallen into the hands of the Confederates. They obtained a very considerable amount of booty in these places, calling for 12,000 men to serve a hundred days. Gov. Curtin has issued a Proclamation Lincoln has made a requisition on Gov. Seymour of New York, for a similar number. Hagerstown, Md., was occupied by the Confederates on Wednesday last and the Federal troops retreated to Green Castle. Gold, in New York, on the 6th commanded a hundred and forty-nine. Lincoln has issued a Proclamation declaring Martial Law and suspending the habeas corpus in Kentucky.

LATER FROM THE NORTH.

PETERSBURG, July 9.

The Washington Chronicle of the 6th inst. has been received here. Great excitement exists in the North, in consequence of the rebel raid. Martinsburg has been captured with a large quantity of supplies. The Baltimore and Ohio Railroad and canal has been badly damaged. General Johnson is supposed to have command of the rebel cavalry and Gen. Early of the infantry.

The rebels are believed to have reached Hagerstown on the 6th, bound on an extensive raid into Pennsylvania.

Governor Curtin issued a proclamation, urging the enemies of the Government, in operation, are threatening the State with armed force in the hope that Gen. Grant will be withdrawn from before Richmond. A rebel invading force is not known. Sigel is again safe by his timely flight.

The latest foreign intelligence gives account of a great naval engagement between the Alabama and the Kearsage; the former was sunk. The engagement lasted an hour and forty minutes. The fight took place ten miles from Cherbourg, on Sunday the 19th of June.

The Kearsage was commanded by Captain A. Winston, who sent a challenge to the Alabama which was accepted by pt. Semmes.

The Alabama was disabled by a shot through her boiler while attempting to reach the Kearsage.

Capt Semmes and a portion of the crew were saved by the English yacht Achille.

Semmes was slightly wounded in the head. He reports his loss at 9 killed and 21 wounded.

The Kearsage was considerably damaged.

Capt Semmes left all his chronometers, specie and ransom bonds at Cherbourg previous to going out to fight. He was landed at Southampton by the Deerhound, where he was offered a public

lunch dinner but declined and proceeded to Paris to report to the Confederate Commissioner.

The Yankee Congress adjourned, sine die, on the 5th inst.

Ex-Governor Reeder, of Kansas, is dead.

Gold is quoted in New York on the 5th at 248.

All quiet this morning.

LATER FROM RICHMOND.

RICHMOND, July 9.

The citizens carried off by Grant, from Fredericksburg, as hostages for the Yankees captured in the town after the battle of the Wilderness, have been exchanged. They left Washington on Wednesday and arrived at Fredericksburg on the same day.

Intense excitement prevailed at Washington in consequence of the announcement that 40,000 rebels were approaching that city.

Lincoln has called out the Militia in the adjoining States.

A telegram from Harrisburg says the excitement there, is intense in view of the raid of Breckinridge in the direction of Chambersburg. One report says Breckinridge has 20,000 men and has whipped Seigle.

ADDITIONAL FROM THE NAVAL FIGHT.

RICHMOND, July 9.

The New York Herald of the 6th contains the details of the fight between the Alabama and the Kearsage. The Alabama was in an unseaworthy condition.

Capt Semmes' official report says the enemy fired at the Alabama some five times after her colors were struck. Her rudder was disabled during the action. Her crew displayed the utmost bravery. The shell that did the mischief struck the Alabama just above her water line, knocking her bunkers to pieces, when the water rushing in almost immediately put out the fires.

A steam tug was sent from Cherbourg by the prefect of the Maritime to afford assistance to the Alabama, but she arrived after all the survivors had been picked up by the Deerhound.

Fessenden has not yet accepted his appointment as Secretary of the Treasury. Several steamers under convoy, were fired into near Clarendon, but they sustained no damage.

Washburn has issued a special order, (No. 60,) taking forty citizens as hostages for the safety of his guards captured on railroad trains.

FROM THE TRANS-MISSISSIPPI.

CHICAGO, La., July 6,

via Mobile, July 9.

A gentleman of this town who has just arrived from the other side of the river, reports the capture of Little Rock by Price, with all of Steele's supplies, ammunition, &c., together with his transportation and a large portion of his army.

Our army was marching on Fort Smith. The enemy has been driven entirely out of Arkansas, except around Helena.

Official advices have been received at Alexandria, which state that Gen. Kirby Smith has ordered the impressment of half of the cotton in the Trans-Mississippi Department, for the purpose of purchasing military stores.

FROM THE WEST.

MOBILE, July 8.

The telegraph operator at Jackson, Miss., reports that the force which moved from Roddy simultaneously with the force from Vicksburg, was commanded by Col. Ellet, of the Marine Brigade, numbering 500 white cavalry and 1,500 negroes, acting as infantry. They were met at Cruman's cross roads, ten miles south of Port Gibson, by Col. Wood, with his regiment of Morgan's battalion and a few State troops, all being a portion of Adams' brigade, amounting to about 1000 men, and were driven back to Roddy after a sharp but decisive fight.
