If you don't get your paper at the proper time please tell us at once.

THE Newbern *Banner* has eleven columns of reading matter and about ten of them devoted to O. Hubbs.

THE name of Mr. H. H. Martin has been mentioned as a suitable Republican candidate for Congress from the 6th District.

AND so our friend, W. V. Turner's *Bee*, has stung itself to death. Bad. It reversed its motto, gave itself the sting and its enemy the honey. Better luck next time.

THE Palmetto *Press* failed to make its appearance last week, but comes out this week in a new dress from its own office. We congratulate the *Press* upon its success.

Short correspondence of interest to the general public is solicited, but don't be disappointed if you fail to see your production in our columns. We are not responsible for the views of correspondence. Anonimous communications go to the waste basket.

THE Republicans of Georgia met in Convention last week in Atlanta, and nominated a State ticket of colored and white men. If Georgia can *afford* to run colored men on her State ticket we might afford them on our county ticket. The following were nominated: For Congressman at Large, R. D. Locke; for Governor, L. J. Gartrell; Secretary of State, R. R. Wright; Treasurer, E. F. Putney, Comptroller-General, W. A. Pledger; Attorney-General, Geo. S. Thomas.

At the magistrates' meeting last Monday, the following persons were elected County Commissioners: R. M. Oates, W. E. Ardrey, J. L. Brown, R. D. Whitly and J. R. Morris. Only one of the old board was retained. One might think from this that the old board didn't do the thing up satisfactory.

THE Wilson *News* of the 5th, in speaking of what Hon. O. Hubbs has done for his constituency failed to add his columns and thereby show his readers the number of each race appointed and the amount of salary for each race. He failed to state that the whites get twice as much salary as the colored when the colored have, we suppose, fifty voters to one white. We think he mistakes also when he says no colored man applied for the postoffice at Tarboro.

Yes, we repeat it, there must be a colored man put on the County ticket during the next campaign, or you will have us to fight until the election—we can't wait any longer. "Ain't we right?"—*Wilson News.*

Yes, you are right in this particular, but you would show some consistency if you supported O'Hara, your colored nominee for Congress. Look out Sammie, we trust you will get straight yet.—[ED. MESSENGER.

CORRECTIONS.

In our report of the Odd Fellows' meeting here last week we stated that there was no visiting lodge; the lodge from Greensboro was here in a body, and brought a brass band with them. The Grand Lodge meets in *Greensboro* the first *Tuesday* in August, 1883, instead of Goldsboro.

WE ARE COMING.

Our friends along the Carolina Central will please get ready for us. We are coming. In a week or ten days we intend to visit Monroe, Wadesboro, Shoe Heel, and other points along the line.

We will do Fayetteville a little while very soon. We send nearly fifty papers there now. We want by the first of October 200 subscribers in Cumberland. Prepare for us.

WE see that the People *Defense* of Augusta, Ga., reprints and credits our editorial, "Do Justice to the Colored Man," to the Charlotte *Messenger*. Either the *Defense* or the *Messenger* owe us an apology. If our friends will stop doing us wrong we will stop making a noise. —*Virginia Star.*

The above clipping appeared in our issue of the 22nd and the issue of the 29th is the first to reach our office. We would refer you to "some other body."—*Defense.*

The article referred to appeared in the MESSENGER of the 15th ult., and was credited to *Exchange.* Now if the *Defense* overlooked the credit we gave, and gave us credit for its production, we are not responsible. The *Defense* does owe the *Star* an apology.

TO LIBERALS AND COALITIONISTS.

By whose votes do you expect to elect your ticket? In your call for a Convention why have you neglected the organ of your own voters? Have you considered whether or not you will put a colored man on your ticket to be voted for?

We hope these things have been duly considered, for though we have said much, we sincerely hope this new faction of the two old parties will offer us some inducement to follow them. We would like to do so, and shall if they allow us. Show your hand, gentlemen.

COALITION AND THE NEGRO.

If Coalition is to help the Negro, we say lets have it. If the leaders of the move are sincere, and mean business, we give them our hand and say come on boys and help them. But if there is nothing in the move for the Negro, then we see that we have nothing to lose by voting against them as we have nothing anyway. If it is that same vindictive element that has fought us in the Democratic party, fighting under new colors, we shall say to our boys, come with two-edged weapons and continue to fight for right upon *principle* and let *policy* go. Till we become independent we will be the boot-licks of all parties.

THE STAR OF ZION.

The above named paper is the organ of the Zion A. M. E. Church, and is published or said to be published twice a month at Salisbury, N. C., with one A. S. Richardson as editor. A few weeks ago we intimated that we had something in store for the public concerning this paper. Some of the ministers and friends of that church have become alarmed and fear we will injure ourself and church institutions if we make certain explanations.

We say now to all concerned that we intend to do no one an injustice it we can help ourself. We are prompted solely by a sense of right and duty to make certain expositions for the good of the rising generation. We would not say a word against the *Star*, the connection or any institution of the connection unless they come in our way so as we cannot avoid doing so.

Zion is our family church, we love her. We rejoice in the prospects of a successful organ and the early establishment of an institution of learning. We rejoice also to know that in the church we have in North Carolina a number of young men whose *moral* and intellectual training recommends them to positions in such an institution. We name with pleasure Joseph C. Price, Chas. W. Chesnut, John T. Williams and John W. Smith. When such men are brought to the front in church affairs, when *fit* men are put at the head of our organ and institutions of learning, we will give our heartiest support to them.

Our friends need not fear rash or ungenerous action on our part. We have had the matter under consideration several months, and we shall move in it as is our custom—carefully. We are willing to submit our moral standing to the scrutiny of the public at any time and any person has the right to question the fitness of a man to fill a public position. We do not care to hear of any threats of persons working against our paper if we take a stand against the *Star of Zion.* We do not intend to fight the *Star*, as we said above. But if certain parties are put in certain places, *we do intend to "hew to the line let the chips fall where they may."* We intend to meet you at the conference next fall; we intend to inform the Bishop and the conference, and if they do not think it necessary to have *moral* leaders at the head of our institutions, why they should not expect them to be respected.

Now, gentlemen, we shall be glad to have your support; but if you expect us to sacrifice principle; if you want us to shut our eyes against dishonesty, deception and immorality, we ask to be excused. Shall we blush at crimes which you let go unpunished and thereby encourage them?

It is for right, for morality and the general upbuilding of our race that we contend. Will ministers of Christ's gospel impede our work? Then, gentlemen, you put yourselves in our way. We do not intend to be silent and suffer these things done. Give us *gentlemen* at the head of *all* our institutions and no one shall excel the MESSENGER in supporting them. But no threats shall stop us in the path of duty. If defending morality is to kill out the MESSENGER, we shall not dread that death. More anon.

POLITICAL PARAGRAPHS.

IF the Coalitionists expect to be supported by the rank and file of colored voters of this County, then they must share the offices with them. Negroes are not fool enough to support a new party who will not recognize them politically.

THE Coalition ring was busted last week in Georgia. Why? Because the colored men could neither be bribed nor bought. How is it in Mecklenburg County?

EVERY colored man on the street, and all that come in from the country, want Dr. Norment to run for Congress, and swears they will not vote for anybody else. We must do something.

DAWSON, straightout Republican, colored, John S. Wise, Readjuster, and Massey, anti Readjuster, is the ticket in Virginia for Congressmen at large, with everything in Masseys favor.

THE *Wilson News* is consistent indeed when it calls loudly for a colored man on the county ticket, and yet cries down O'Hara, who has grit enough to run when nominated.

WHY don't somebody suggest A. B. Schenck for Township Constable? Everybody knows Bert, and if he is endorsed he will run, and he will win. He has handled the club before and he would make one of the best officers in the county.

The Magistrates met here last Monday in the Court House and kicked out the old County Commissioners, with one exception—the people will meet in November and kick out the old Magistrates with no exception. This kicking is quite numerous now. ¶.
