WISE WORDS.

Tell no secrets to thy servant. If you hate a man, let him live. To know the new, search the old.

Truth is impossible to be soiled by any outward touch as the sunbeam. Each quality, sooner or later, visibly or in secret, brings out its just result.

No amount of social esteem and popularity can atone for a reckless use of money. No amount of business enterprise or success can make up for a neglected family.

We always like those who admire us; we do not always like those whom we admire. The man who stoops to pick up a cent often ruins half-a-dollar's worth of suspenders.

A man who lends money to his friends shall never see either his friend or his money again. When big ideas get into little minds something is bound to spread. It is usually the mouth.

The grain of weakness brings ruin to the mass of strength; the drop of folly spills the cup of wisdom. Kindness has converted more sinners than either zeal, eloquence or learning; and these three never converted any one unless they were kind also.

Consult with him that is wise and of sound judgment, and seek to be instructed by one better than thyself, rather than to follow thine own inventions. Books outlive empires. They fly without wings, walk without feet; houses of supply are they that without money or price feed men suffering from soul hunger leaves that increase as they are broken, and after feeding thousands are ready for thousands more.

A Prohibition Bride Wanted. There was a small riot in Bolton recently, because a marriage, which had been anticipated with much interest, did not come off. The bridegroom, a well-known tradesman, who is an ardent advocate of temperance principles, went to the bride's house before proceeding to the church, and placing a pledge card before her, insisted on her at once signing it. She refused, whereupon he announced that there should be no wedding. The clergyman and a number of friends were at the church, but the parties did not appear, and when the cause transpired a number of women assembled outside of the bridegroom's house and pelted him with rotten eggs and other pleasant missiles, and so much resentment was manifested that he found it expedient to leave home for a time.—London Truth.

A Pleasure Shared by Women Only. Malherbe, the gifted French author, declared that of all things that man possesses, women alone take pleasure in being possessed. This seems generally true of the sweeter sex. Like the ivy plant, she hangs for an object to cling to and love—to look to for protection. This being her prerogative, ought she not to be told that Dr. Pierce's Favorite Prescription is the physical salvation of her sex? It banishes those distressing maladies that make her life a burden, curing all painful irregularities, uterine disorders, inflammation and ulceration, prolapsus and kindred weaknesses. As a nerve, it cures nervous exhaustion, prostration, debility, relieves mental anxiety and hypochondria, and promotes refreshing sleep.

"Didn't Know It Was Loaded."

The young man fell dead! A friend had pointed a revolver at him. "He didn't know it was loaded!" We often hear it stated that a man is not responsible for what he does not know. The law presupposes knowledge and therefore convicts the man who excuses crime by ignorance.

If I had only known' has often been an unfortunate man's apology for some evil unknowingly wrought, but in a matter of general interest—as for instance that laudanum is a poison, that nephritis is a deadly explosive, that blood heavily charged with a winter's accumulation of the waste of the system, it is one's duty to know the fact and the consequences thereof. Our good old grandmothers knew for instance, that the opening of spring was the most perilous period of the year.

Why? Because then the blood stream is sluggish and chilled by the cold weather, and it not thinned a good deal and made to flow quickly and healthfully through the arteries and veins, it is impossible to have good vigor the rest of the year. Hence, without exception, what is now known as Warner's Log Cabin Sarsaparilla was plentifully made and religiously given to every member of the family regularly through March, April, May and June. It is a matter of record that this prudent, preventive and restorative custom saved many a fit of sickness, prolonged life and happiness to vigorous old age, and away with heavy medical expenditures.

Mrs. Maggie Kerchval, Lexington, Ky., used Warner's Log Cabin Sarsaparilla "for nervous sick headache of which I had been a sufferer for years. It has been a great benefit to me." Capt. Hugh Harkins, 114 S. 15th St., Philadelphia, Pa., says "it purified my blood and removed the blotches from my skin." Mrs. Aerea Smith, Topton, Berks Co., Pa., says she "was entirely cured of a skin disease of the worst kind," by Log Cabin Sarsaparilla. Bad skin indicates a very bad condition of the blood.

If you would live and be well, go to your druggist to-day and get Warner's Log Cabin Sarsaparilla and take no other,—there's nothing like it or as good,—and completely renovate your impaired system with this simple, old-fashioned preparation of roots and herbs.

Warner, who makes the famous Safe Cure, puts it up, and that is a guarantee of excellence over the known world. Take it yourself and give it to the other members of the family, including the children. You will be astonished at its health-giving and life-prolonging powers. We say this editorially with perfect confidence, because we have heard good things of it everywhere, and its name is a guarantee that it is first-class in every particular.

The Richmond Postmaster locked the office cat in the safe over night recently, and in the morning she had a brood of kittens, nestled in a \$308 bed made of postage stamps.

It is seven hours and a quarter now from London to Paris.

Spring Medicine

At no other season does the human system so much need the aid of a reliable medicine like Hood's Sarsaparilla as now. The impoverished condition of the blood, the weakening effects of the long, cold winter, the lost appetite, and that tired feeling, all make a good spring medicine absolutely necessary. Hood's Sarsaparilla is peculiarly adapted for this purpose and increases in popularity every year.

Dr. SAGE'S CATARRH REMEDY

WILL PAY FIVE HUNDRED DOLLARS

For a case of Catarrh in the Head which they cannot cure.

SOLD BY DRUGGISTS 50 CENTS. The Only Guaranteed Cure

CATARRH IN THE HEAD. SYMPTOMS OF THE DISEASE.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, and others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak; there is ringing in the ears, deafness, hacking coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; small and taste impaired; there is a sensation of dizziness, with mental depression, a headache, and general debility. Only a few of the above symptoms, result in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in any one case. No disease is so common, more deceptive and dangerous, less understood, or more unsuccessfully treated by physicians.

COMMON SENSE TREATMENT. If you would remove an evil, strike at its root. As the predisposing or real cause of catarrh is, in the majority of cases, some weakness, impurity, or otherwise faulty condition of the system, in attempting to cure the disease our chief aim must be directed to the removal of that cause. The more we see of this we realize the importance of combining with the use of a local, soothing and healing application, a thorough and persistent internal use of blood-cleansing and tonic medicines.

CHIEF RELIANCE. In curing catarrh and all the various diseases with which it is so frequently complicated, as throat, bronchitis, and lung diseases, weak stomach, catarrhal colic, or inflamed eyes, impure blood, scrofulous and syphilitic taints, impure humors, and various other diseases, the powerful and virtuous of Dr. Pierce's Golden Medical Discovery cannot be too strongly extolled. It has a specific effect upon the lining mucous membranes of the nasal and other air-passages, promoting the natural secretion of their follicles and glands, thereby softening the diseased and thickened membrane, and restoring it to its natural, thin, delicate, moist, healthy condition. As a blood-purifier, it is unsurpassed. As these diseases which complicate catarrh are diseases of the lining mucous membrane, or of the blood, it will readily be seen why this medicine is so well calculated to cure them.

LEGAL AGENT. A local application for healing the diseased condition in the head, Dr. Sage's Catarrh Remedy is beyond all comparison the best preparation ever invented. It is mild and pleasant to use, producing no smarting, burning, or pain, and containing no strong, irritating, or caustic drugs, or other poisonous ingredients. This remedy is a powerful antiseptic, and speedily destroys all bad smell which accompanies many cases of catarrh, thus affording great comfort to those who suffer from this disease.

PERMANENT CURES. The Golden Medical Discovery is the natural "helmet" of Dr. Sage's Catarrh Remedy. It not only cleanses, purifies, regulates, and builds up the system to a healthy standard, and conquers throat, bronchial, and lung complications, when any such exist, but, from its specific effects upon the lining membrane of the nasal passages, it aids materially in restoring the diseased, thickened, or ulcerated membrane to a healthy condition, and thus eradicates the disease. When a cure is effected in this manner it is permanent.

Both Dr. Pierce's Golden Medical Discovery and Dr. Sage's Catarrh Remedy are sold by druggists the world over. Discovery, half-dozen bottles \$2.50. Dr. Sage's Catarrh Remedy 50 cents; a complete Treatise on Catarrh, giving valuable hints as to clothing, diet, and other matters of importance, will be mailed, post-paid to any address, on receipt of a 2-cent postage stamp.
