NEW YORK, May 1, '89.

Monday, yesterday and today—three such glorious days as New York has never seen before! Bunting, flags, costumes and uniforms, the shrieking of whistles, the booming of cannon, and people and people and myriads of people and thousands of other things similar to deafen the ears and dazzle the eyes of the onlookers in the great Metropolis. The Naval parade Monday evening was a happy success. The Steamer Dispatch brought Harrison over the same line Washington came one hundred years ago.

Nine o'clock Tuesday morning found President Harrison in Washington's old pew at St. Paul's Church where thanksgiving services were conducted. At 9:45 o'clock the President proceeds to the Sub-Treasury, once Federal Hall, where Washington was inaugurated 100 years ago. Here Whittier's poem was read and Dewey's address delivered. The President and party next go to Madison Square and review the Military Parade. Cleveland made his first appearance in the Centennial Exercises at the mammoth banquet at Metropolitan Opera House last night. The great industrial parade today promises to be unique and striking. Pretty weather and everything passing off pleasantly.

One hundred years and two days since Washington was inaugurated and all is well—will be in 1892.

In a horrible railroad accident near Hamilton, Ontario, 20 persons were killed, 18 of them being burned beyond recognition.

Hon. Wm. H. Barnum, Chairman of the National Democratic Executive Committee, died at his home in Connecticut on last Tuesday morning.

"Water at ten cents a glass and two loaves of bread for a quarter" is the latest news from Oklahoma, the "land of dead hopes."

Governor Fowle has called a meeting of the State Board of Agriculture for May 31st. Rep. W. E. Stevens is the member of the Board for this Congressional district.

The Annual Convention of the Protestant Episcopal Church of the Eastern Diocese of Carolina will be held in St. James Church, Wilmington, commencing May the 15th.

It is told on President Harrison that when he heard of the election of a Democratic mayor in Chicago and other Democratic victories in the West that he remarked: "I am not surprised to hear it, for all the Republicans were in Washington City seeking offices at the time of the elections."

The Scotland Neck Democrat has commenced the publication of a series of articles on "Railroads and Railroad Commissions," which promises to be quite an interesting series. The articles are prepared especially for that paper by one of the closest and best informed thinkers on the subject in the State. The series will continue for several months and as this question which greatly agitated the people of the State during our last legislature, we congratulate the readers of The Democrat on the treat ahead of them. This live Democratic journal has increased its circulation fifty per cent. under the management of Mr. E. E. Hilliard as editor.

THE MEETING OF THE GOVERNORS OF THE SOUTHERN STATES AT THE NEW HEADQUARTERS OF THE SOUTHERN SOCIETY IN NEW YORK TONIGHT WILL BRING TOGETHER A COMPANY OF NOTABLE MEN, BUT AMONG THE ENTIRE LOT IT IS DOUBTFUL IF ONE CAN BE FOUND WHO CAN COMPARE IN ELOQUENCE WITH GOV. FOWLE.—News & Observer.

Under the feet of Chamsey M. Depew, as he delivered his oration Tuesday, there lay \$150,000,000 in gold and silver, in the Sub-Treasury. Little did Hamilton, the great financier, think as he stood there one hundred years ago, that the newborn nation, with a then almost worthless currency, could in so short a time amass such an enormous amount in the Treasury.

Boulanger. LONDON, April 25.—Lord Randolph Churchill visited General Boulanger to day at the Hotel Bristol and remained some time with him. He is the first person of distinction who has called on the General, and although he is accounted to astonish the public, his visit causes great surprise. No political significance, however, is to be attached to the incident. Lord Randolph is an old and warm friend of the General, and not being deficient in moral courage called upon him early as a matter of course.—N. Y. World.

The New York Star says: Neither ridicule nor abuse seems to affect materially General Boulanger's position in France. A soldier who is not laughed at after being nearly killed in a duel by a civilian, or after running away from danger, must be a very remarkable man in some ways. It is too early to determine yet what the result of Boulanger's visit to England will be, but the fact that Lord Randolph Churchill called upon him shows that that astute politician believes that his career is far from ended.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. CHENEY & CO., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly upon the blood and mucous surface of the system. They offer one hundred dollars for a case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, Ohio.

Sold by druggists at 75 cents.

Plain History. Swift's Specific is a simple vegetable compound, prepared from roots gathered freshly from the forest, and contains nothing of the mineral kingdom, or any poisonous substance, or any article of all which comes from the chemist's laboratory. The formula of the remedy was obtained from the Creek Indians in Middle Georgia, by reliable white men, who had witnessed the wonderful cures made by this tribe of Indians, of blood diseases. Mr. Hugh L. Demmond, of Houston county, Ga., began using Swift's Specific in 1822, and continued its use all of his life, and asserted that he had never known it to fail to cure any case of scrofula, blood taint, or contagious blood poison. This testimony has been corroborated every day for years. The present Compound was formed in 1872, and has since made known to the world the virtues of Swift's Specific, and today it is sold in every city, town and country store all over America, Great Britain, and many other portions of the world.

I have seen Swift's Specific used, and known many cases of the worst form of Blood diseases which have been cured by it. I know the proprietors to be gentlemen of the highest type and utmost reliability. I recommend it as a great remedy, unaccompanied by anything that I know of. M. B. WILKINSON, Pastor First Baptist Church, Montgomery, Alabama.

LA GRANGE, N. C., July, '87. Mr. J. P. Joyner—I gave my child one dose of Boykin's "Worm Killer," and he brought 200 worms. I consider it the best worm medicine made. Respectfully, J. W. THOMAS.

Messrs. I. M. & B. F. Powell, prominent merchants of Columbus county, N. C., wrote in July, 1887, that "Rev. Mr. T. C. Floyd gave his child one dose of Boykin's 'Worm Killer,' and the result was 367 worms. He wishes all interested to know it."

ALLIANCE DEPARTMENT.

ORGANIZATION. President—Marion Butler; Vice-President—E. Rich; Secretary—J. D. Ezell; Treasurer—S. A. Howard; Business Agent—G. A. Lute; Lecturer—N. H. Fennell; Chaplain—J. O. Tew; Sergeant-at-Arms—R. H. Jernigan; Doorkeeper—Charlie Crumpler. Executive Committee—J. A. Oates, Chairman; R. M. Croan, M. M. Killeit, W. H. Thomason, M. K. Pigford. Committee on the Good of the Order—J. A. Oates, B. S. Peterson, C. H. Johnson. Query Committee—W. J. Craddock, M. M. Killeit, Abram Hobbs. Co. Organizer—Isiah Royal.

THE CAUCASIAN was adopted as the official organ of the County Alliance by the County Alliance, January 19th.

Organizer's Report. "Progress" Alliance was organized on April 10th, in Ongecutts township, with the following officers: President—Whitney Royal. Sec'y—Miss Callie D. Royal. Treasurer—J. B. Parker. Chaplain—J. H. Farker. Ass't. Lecturer—C. D. Parker. Ass't. Doorkeeper—Miss Sallie P. Royal. Eight members were enrolled. J. Royal, Dep. Organizer.

The Secretary of the State Alliance in a letter to the Secretary of our County Alliance says that Sampson County Alliance is the banner Alliance of the State and that the Secretary's report was one of the fullest and most satisfactory that he had received. Therefore this is encouraging, but can't we do better still?

All Alliance men who have not paid anything to the State Business Agency Fund should at once give the notes made payable the 1st of October next. There are 1660 Alliances in the state, and if every member in good standing would contribute all he could it would be only a short while before the fund would be raised. It would be a good plan for the Secretary of each sub-alliance to collect in cash from each member a write in \$1.00 and forward it immediately to the State Business Agency. Let us do our utmost, be thrifty, and raise the fund by notes and cash. It is to be hoped that all Alliance men who read this paragraph will respond promptly, for the State Alliance can not have any commercial standing until the amount is raised. C.

A Splendid Organization. The Advance believes the Farmers' Alliance is the best organization ever effected by the farmers of this country and we believe it is doing a work that will raise this community out of debt—or at least accomplish a great deal in that direction. We have no patience with that sentiment that contents itself with sitting around and growling at everything and everybody. We like the Farmers' Alliance because it proposes remedies for the evils that the farmers have already labored under; because it builds up the manhood of the farmers and inspires them with a desire to know and to do that which will be of most practical value to its members. This organization has aroused a spirit of progress and set afloat a current of thought which will be the means of grand and glorious results in the not far distant future. This movement to break the chains of debts and cast aside the bonds of the mortgage system shall have our earnest support and co-operation in the future as it has ever had in the past.—Wilson Advance
