Entered according to Postal Laws at Clinton, N. C., as second class mail matter.

CLINTON, N. C., - JULY 4, 1889.

THE CAUCASIAN'S RECORD. CIRCULATION 1,505.

Our year ago it was less than 800. During the last 12 weeks we have mailed over 20,000 copies.

The Board of Agriculture meets in Raleigh on Tuesday, the 23d instant.

We failed to get the Wilmington Messenger on two days of last week. What is the matter?

The jury in the Dawson McDow case, in Charleston, S. C., have returned a verdict of not guilty.

Hon. A. M. Waddell has been employed for the prosecution in the case against Dr. Eugene Grisson, Mr. Bushee having withdrawn.

Out of eight medals offered at Princeton College last year five were won by North Carolina boys—all alumni of Davidson College.

Lois Harris, editor of the Raleigh Signal, has been looking forward to the postmaster-ship at Raleigh, but he was doomed to disappointment. Col. A. W. Shaffer gets the office.

A young man by the name of Lockhart, a clerk in the Otton Hotel, Wilmington, was drowned at Wrightsville on Sunday. His body had not been found at last accounts.

C. M. Bushee, counsel for Dr. Rogers and John W. Thompson, in the Grisson case has withdrawn from the prosecution, leaving it in the hands of Mr. Spier Whitaker and Hon. A. M. Waddell.

Little "Bloody Shi" Fozaker has again been re-nominated by the Republican for Governor of Ohio. This is the fourth time he has been a candidate for that office. He was defeated once by Hoadley and has been twice elected.

Serious charges have been preferred against Dr. Grisson, superintendent of the Insane Asylum at Raleigh, and if sustained will get the Doctor into very hot water. The investigating committee will meet on the 5th of July, (to-morrow) to decide upon the charges.

On account of the fact that July 17th, the date fixed for the Press Convention, conflicts with the State Encampment, and it appearing that several editors cannot attend on account of this fact, the Executive Committee had to change the date one week later, July 24th.

Considerable sensation was caused by Raleigh Sunday night by Prof. Graves of the University attempting to commit suicide by cutting his throat with a pocket-knife. Prof. Graves has been in feeble health for some time. He has now completely lost his reason and is being carried to the Raleigh Insane Asylum.

The death of a wealthy and eccentric old man at Tyler, Texas, says a Southern exchange, has brought to light a remarkable will. The old man had no relations, and in his last will and testament he directs all his property to be divided equally among all persons living in the Southern States who were born on his birthday, the 9th day of March, 1835. The amount of the fortune to be distributed is not mentioned, but it is said to be very large.—Exchange.

The mortality statistics as given in the North Carolina Health Bulletin for May shows the following, which seems a little remarkable: That there have been 81 deaths among the colored race to 67 of the whites in the State during the month of May, and 14 deaths among the negroes are caused by consumption to 6 by the same cause among the white. A few years ago consumption was rare among the negroes, but from this statement it is seen that the disease is becoming more common with them. Fever has always been more fatal among them, and in fact nearly all diseases, but this can probably be accounted for in that, when sick, they do not generally receive sufficient nursing and careful medical attention.

HALL'S ALLIANCE, NO. 618.

Editor CAUCASIAN—Dear Sir and Brother:—At the first meeting of Hall's Alliance, No. 618, in June a resolution was passed for the members not to use any jute bagging at the present cost of cotton unless they can get it at a great reduced price of last fall. And we ask every good member of the Alliance to cooperate with us in said resolution. We also think it is time the Alliance is preparing a substitute, as the cotton season is about four months off.

Yours, &c., T. W. BARREY, Sec'y.

Mr. EDEGE—At the recent election of officers of Goddard's Farmers' Alliance, No. 485, Cornelia postoffice, the following brethren were chosen for the next term: President, W. H. Williams; Vice-President, S. J. McMillan; Secretary, D. D. Bain; Treasurer, J. M. McMillan; Chaplain, Carlton Antry, of Sampson county; Lecturer, Frank Carr; Assistant Lecturer, Door-keeper, D. C. Matthews; Assistant Door-keeper, G. R. Royal; Sergeant-at-Arms, Joel Matthews. The brethren seem to be in good cheer and are taking great interest in Alliance work.

STRAW POND ALLIANCE, NO. 580.

At our last meeting the following officers were elected to hold office for the ensuing year: D. M. Warren, President; Frank Edwards, Vice-President; J. D. McLamb, Secretary; L. H. Bass, Treasurer; D. H. Jackson, Business Agent; M. F. Edwards, Lecturer; D. H. Jackson, Chaplain; W. R. Warren, Sergeant-at-Arms; L. H. Bass, Assistant Door-keeper; R. Z. Blackman, D. M. Warren, and J. D. McLamb, Executive Committee; Frank Naylor, G. W. Naylor and W. R. Warren is committee on the good of the Order.

At our last meeting these queries were discussed. Resolved, That it would be better for the Alliance to get into manufacturing of bagging and fertilizers.

After discussion it was decided in favor of the affirmative. Resolved 2d, That we think it would be wise for the State Alliance to establish a cotton factory, to be run by officers elected by the State Alliance.

IT RESTS WITH THE PEOPLE.

They Alone Can Solve the Problem of This Country.

"Blessed is the Nation whose God is the Lord," was the text from which Rev. S. M. Newman preached at the Congregational Church a few Sabbaths since on "The Problem of the Country." An examination of the chapter, he said, would show that the writer had arrived at this conclusion, first, because everything was made by the Lord; second, because His arrangement and providence extend over all; and third, because He held the hearts of men in His control. Every Christian ought to consider the problem of this country in the light that God founded our nation and marked out for it a great future.

A simple answer to the problem is the statement that a perfected nation is the desired end. Such a nation can only be realized by each individual and community reaching that condition in which all the relationships due from one to another are discovered, accepted and realized to their fullest completion. It must be confessed that we have not reached that point yet; in fact that we are still far from it. The solution rests not with the solitary statesman or thinker, but with the people and their integrity and parity.
