LOCALS.

Look out for the original story of Julian Hawthorne. Cotton is bringing 25 much in Clinton as it is in Wilmington. 101 for middling grade.

The young people are organizing a Lawn Tennis club. A good idea. Our girls need more outdoor exercise, besides such a movement will be conducive to a general and wholesome sociability.

The Eastern Association is in session at Co record church in Duplin Co. Rev. J. L. Stewart, moderator is in attendance. On Wednesday the 23rd the South River Association will convene at Dunn, County Supt. Royal is moderator.

Judges and lawyers can not be members of the Alliance, yet Dr. G. W. Moseley, Chaplain of Sampson County Alliance tells us that the best Alliance lecture he has yet heard was Judge Bynum's charge to the grand jury on last Monday.

The widest diversity of industries and enterprises is what makes a thriving and prosperous county. Then let us exert ourselves to make the start by establishing a canning factory which we hope and believe would be the pioneer for many similar enterprises.

The Campmeeting at A. M. E. Zion church in Clinton closed Monday night. The officers and members of the church are pleased with the result of the meeting and wish to return thanks to Rev. Mr. Jerome for the excellent sermon he preached on Saturday of the meeting.

Our attention has been called to the fact that Mr. Fellom omitted the name of that brave and gallant soldier, Col. John Ashford, in referring to the brave officer of Sampson who are numbered with the the departed heroes, in his address to the Veterans in Clinton on the 26th ult.

The Commissioners were in session Monday. Among other important business before them was a petition to discontinue a public road from B. C. Weeks' gin to the Clinton and Faison road, at a point near the John Ashford Six Runs place, passing through the King settlement and by Stevens' Ashford place. The Board decided not to discontinue; the petitioners appealed to the Supreme Court.

Every one present at the game supper in Clinton last year remembers what a pleasant occasion it was, in fact a complete success in every respect. With a view to repeating the happy and enjoyable occasion the Sampson Light Infantry again challenges (notwithstanding the Company was beaten before) an equal number of citizens to another game hunt on the 1st Thursday in November to be followed by the supper on Friday night.

The young men are speaking of organizing and fitting up a social club room. The young ladies fear this will have a bad effect on the boys, so they (the girls) have decided to appeal to the boys through their stomachs to desist from their object by organizing a cooking club, the boys to test the results of their experiments at cooking. Will this plan succeed, or will it increase the sale of dyspepsia cures? But judging the future by the meeting of the cooking club last night, the young men will most assuredly pronounce it a success and will probably postpone their club to await further developments.

Superior Court in Session. His Honor Judge Bynum presiding. Mr. W. U. Newkirk of Franklin was appointed foreman of the Grand Jury. His honor's charge was explicit and forcible, marking out the plain and simple though important duty of each Juror. Some of the Jurors left home on Monday before day to be on hand at 10 o'clock, the hour they were summoned to appear, but the Judge did not arrive till 12 m. Yet his Honor is almost a stickler on punctuality. It has been a custom in this county (and we suppose in all others) beyond the memory of man to have witness or parties for each case called from the court house window by the crier yet without any notice his Honor ordered the crier to call the name in all court room only and if the party or parties called did not immediately respond they were fined or a capias issued for their arrest. Such long standing customs should be law or certainly not charged without notice.

His Honor's remarks concerning the condition and comfort of our jail and courthouse were very timely and we earnestly hope that our commissioners will take the improvement of them under consideration. Business is being transacted with dispatch but no important cases have been disposed of up to the hour of going to press.

Benson Items. We have a splendid school in Benson with Mr. J. M. Morgan as principal. We are pleased to state that Rev. L. M. Mangum of the Christian denomination has located here and will preach for us once a month.

Died. Near Purgatory, in Duplin County, Mr. J. B. Edwards on the 13th ult. He was 32 years of age and leaves a wife and four children.

All Through the County.

TAYLOR'S BRIDGE. Miss Bettie Murphy of Clinton is visiting relatives and friends in this township. There is a school teacher in this township who says "delightful biscuit."

The nimble squirrel abounds in this section, your correspondent bagged ten the other morning before breakfast. The sweetening notes of the hunter's horn are floating upon the circumambient air and awakes the sleeping echoes of the early morn. Listen, fly Reynard the boys are after your brush.

We heard a man call his stomach hades the other day and we asked why he applied that term to his stomach. Said he "because it is the place of departed spirits."

We are told this occurred the other night in this township at a party, a modest girl played Copenhagen. She yelled and shrieked and howled and ran behind the door and scratched the young man's face in several places and upset the lamp and finally when he kissed her on the tip of the ear she fainted dead away, and said she could never look any one in the face again and they led the modest creature sobbing home, the next day she ran away with a lightning rod man who had a hare-lip and six children.

NEWTON GROVE. At the South River Union held at Canaan Sept. 27, 28 and 29, the attendance was very large. Revs. W. M. Page, J. O. Tew, D. W. Tew, F. R. Underwood, J. A. Campbell, R. Honeycutt, W. R. Johnson and J. W. Bell were present. The subjects of ministerial education and Foreign and State Missions were the principal subjects discussed. During the meeting Revs. W. M. Page, J. O. Tew and J. A. Campbell preached. Hospitality for which these people are noted, was abundant.

MINGO. The masonic funeral of John N. Jackson will be held at the late residence of the deceased on the 4th Sunday of this month. The deceased was a member of Mingo Lodge. The services will be conducted by a Rev. Love Culbreth. All masons in good standing are invited to attend.

MCDANIELS. Mrs. M. Marshburn of Bladen Co. died at her residence on Sunday and was buried on Monday at the family grave yard of Mr. Robt. Highsmith.

TURKEY. Mrs. Lizzie Lewis, wife of Mr. M. A. Lewis, died on the 22nd ult., aged about 19 years.

WESTBROOKS. Mrs. Eliza Westbrook, who lives just over the line in Johnston, is quite sick. Mrs. Mary Jane Gainey, is confined to her bed with a protracted spell of sickness.

PINEY GROVE. Mr. Stephen O. Sutton is quite sick. DESMAL. Capt. J. L. Autry is confined to his bed from the effects of a congestion chill on last Thursday. We hope he will soon be out again.

LITTLE COHARIE. Mr. Editor, we had the pleasure of attending the Sunday School Celebration at Hall's church last Saturday. The exercises consisted of vocal music, essays and speaking, the singing by the infant class deserves special mention. It was the best singing that we have ever heard of an infant class. There were several presents given by the Superintendent for punctuality. At 12 o'clock the table was set and every one was invited up to a bountiful dinner. We will close by saying that it was the best Sunday School Celebration that we have attended in ten years.

Miss Muriel Richardson, of Clinton, has been visiting Miss Minnie White, of Owensville.

HONEYCUTTS. There will be a celebration of the Salem Sabbath School at Salem church on next Friday.

NORTH CLINTON. Mr. Clarence Herring who had the misfortune to lose his dwelling and its contents by fire a few weeks ago suffered another serious loss by fire last Monday night. His steam saw mill located about 3 miles from Clinton caught from burning slabs during the night while there was no one about and the woodwork was entirely consumed and nearly all the iron work except the boiler ruined. The loss will reach at least \$500.00 with no insurance. Mr. Herring has the sympathy of the entire community in his great losses. He will, we understand repair his mill at once and resume work as soon as it is finished.

SOUTH CLINTON. Married, Mr. Luke Butler to Miss Leora Carter at the residence of J. M. Pearson Oct. 3rd M. M. Killitt Esqr., officiating.

FRANKLIN. The construction train of the C. F. & Y. V. Railroad will probably enter this township before this item appears in print and the train will probably be running from Fayetteville to Wilmington in by Feb. 1st.
