Special drill of the Sampson Light Infantry to-night—every Thursday night.

The Shakespearean Club will meet at the residence of Dr. A. M. Lee's Friday evening.

Nearly every one in town has been sick with that new edition of a bad cold called "La Grippe."

Two photographers in town. A good chance to get a look at yourself crystallized in to a perpetuity.

Mrs. C. T. Butler, who has been quite sick with grip and pneumonia is, we are glad to say, improving.

The Young Ladies' Club scored another success on last Tuesday evening, this time at the elegant home of Mr. F. T. Atkins. Were there ever such fortunate boys as we?

We acknowledge the receipt of an invitation to attend the Second Anniversary of the Sanagonian Literary Society of Judson College Feb. 21, '90. J. O. Alderman, of this county, is one of the Professors of this college.

Mr. Thomas A. Hobbs, of Hall's township, has placed upon our table a Ruta Baga Turnip weighing eight pounds. We have seen several Grosse turnips weighing eight or ten pounds but this is the largest of this variety we have ever seen.

Next Sunday will be Missionary day at the Baptist church in Clinton. Pastor O. P. Meeks will preach on "Duty to Foreign Missions" in the morning and at night will deliver a lecture on the "Rise of Idolatry." Collections taken for Foreign Missions. His wife and family at Warsaw have been seriously ill with the grip, but are now some better.

Sometimes since we were urging a soap factory for Clinton, stating necessary machinery would be cheap and that grease and turpentine, the principal ingredients, we had here as home products. Suppose our suggestion had taken effect, every piece of meat that has been lost in this whole section of the State could have been used at the factory. Are we the most foolish, wasteful, improvident and ignorant people in the world, or are we not?

A year ago—less than a year ago there was no such street in Clinton as De Vane. Sometime last summer the street was opened, connecting College with Elm street and the railroad. To-day there are three completed residences, viz: Mr. McMillan's Mrs. Hardy Royal's and Mr. Clarence Herring's. Also Mr. B. F. Fennell has a residence nearly completed, while Mess. Rich'd Holmes, and William Russell are making preparations to build. In less than a year from the opening of this street there will be five or six completed residences on it. At the end of this street, next to the railroad, Stewart, Hines & Beaman are putting up two planing machines and a mammoth double dry kiln. They will fill orders exclusively for the Northern market. It is not in this section alone that there is rapid improvement, but it is everywhere. It is impossible for a man to go in any part of Clinton without his eyes falling upon something new.

Wilmington will Celebrate the Completion. The last rail on C. F. & Y. V. Extension was laid last Tuesday. Passenger, mail, express and freight transportation will open on regular schedule time next Monday, the 17th instant. Wilmington's live business men have decided to celebrate the completion of the line by an excursion and banquet. Committees on finance, entertainment and invitation have been appointed and they are proceeding actively with their respective duties to make the occasion a big success, which is already assured by the names on the various committees.

Corner-Stone Laying. Having been granted a dispensation by Grand Master Samuel H. Smith to convene the Grand Lodge of North Carolina in Special Communication in the town of Clinton, March 7th, for the purpose of laying the Corner-Stone of the Methodist E. Church of that place, I take this means of inviting all Masons in good standing to be present and participate in the ceremonies. J. M. MATSIBURN, W. M. Hiram Lodge.

McMillan—Gregory. Mr. John I. McMillan, of Landsburg, Ga., was married to Miss Hattie S. Gregory, at the residence of the bride's father, Mr. J. T. Gregory, on Tuesday evening. Rev. J. L. Stewart performed the ceremony. Supper was served at Bass' hotel. The couple left for Georgia Wednesday morning via the groom's father's in Bladen. THE CAUCASIAN extends its congratulations.

"BLUE BIRD." Mr. "Captain" let us hear from you again.

TAYLOR'S BRIDGE. Miss Ella Ward, of Duplin, closed a good school at Red Hill on last Friday. We hope to have her teach for us again.

LITTLE COLIARIE. We are glad to learn that Mr. J. M. Sessoms, who has been sick for some time, is now improving; also Dr. F. J. Cooper, who has been suffering with La Grippe, is better.

We have learned that Mr. J. M. Sessoms is shipping goods from Wilmington to Roseboro on the C. F. & Y. V. railroad.

Roseboro is building up rapidly. One family has moved out there and several more soon will move.

On last Saturday night the train on the C. F. & Y. V. extension pulled into the little town of Autryville for the first time. It was about 11 o'clock and the unusual noise waked a family living near the wife screamed out, "old man, jump up!" the train is got loose from dem felloes and darned if it don't kill the last one of us."

MINGO. Married, Mr. J. R. Tew to Miss Mary E. Jernigan, Wednesday; and Mr. J. P. Jernigan to Miss Corneilia Altmore, Tuesday.

A merchant in Dunn shot Mr. Win. Fowler a few weeks since in his store, in a difficulty. Mr. Fowler died from the wounds on last Thursday. The coroner's jury rendered a verdict, "killed in self defense."

Married, at the residence of the bride's father, Mr. Bright Barefoot, Mr. D. J. Wood to Miss Anna Barefoot, on the 5th day of January, 1890, Josiah Baggett, J. P., officiating. The attendants were Mr. A. B. Barefoot and Miss Georgia Wood, Mr. S. D. Jackson and Miss Laphema Barefoot, Mr. W. J. Hudson and Miss Missouri Lee, Mr. Mordecai Lee and Miss Bethany Johnson. Success to the happy couple.

Died, at the residence of J. D. Williams, little Erdmoth Floyd, son of F. A. and A. E. Jackson. Little Erdmoth was born December 19th, 1889, and died February 8th, 1890. Rev. Underwood preached an excellent sermon, from the 8th chapter, 28th verse of Romans, to a large number of relatives and friends at the grave.

Remotely the waving willow. We laid him down to rest; The earth is now his pillow. The grass grows o'er his breast. We mourn because he's left us, So early this in life; But he who hath bereft us, Hath freed from sin and strife.

He's with the angels singing, The Savior's praise above; Their echoes still are ringing, Throughout that land of love. We'll cease from all our weeping, For him we dearly love; The lost one here lies sleeping, His spirit lives above.

Sleep darling, sleep! MESSRS. T. C. POPE and C. M. HOBBS were off from Saturday to Monday on a flying trip, whither we know not.

Messrs. H. E. Faison, D. B. Nicholson, W. S. Thomson and E. W. Kerr, of the Clinton Bar, are at Kenansville court this week.

Hon. E. T. Boykin, having finished the term of court at Wilson, is spending the remainder of the week at home. He holds court next week at Henderson.

Mr. and Mrs. J. Bacharach, of Atlantic City, N. J., parents of Mrs. Hanstein, who have been in our midst for three weeks returned home this morning well pleased with Clinton.

Mr. A. F. Johnson and family left Monday for an extended trip South, combining both business and pleasure. He took along samples of the butter dishes, berry crates, orange sides, etc., made at his factory, and will introduce them at Charleston, Macon, Atlanta, Jacksonville and New Orleans. He has already been making large shipments to Jacksonville, but he will place samples on exhibit at the Florida Sub-Tropical Exposition, which is now in progress. He will strike New Orleans in time for the Mardi-Gras. We wish him a pleasant and successful trip.

CAPTAIN FAISON UNEXPECTEDLY CALLED.

Drill of Sampson Light Infantry. Last Friday, the day appointed for the dress parade drill of the Sampson Light Infantry in the College ground, was, disconcertingly, rainy. The drill took place in the new, elegant and commodious armory. Captain Johnson was drilling the company, Capt. Faison standing near looking on. The order "carry arms" was given, just then Mr. D. B. Nicholson stepped up in front of Capt. Faison and took him completely by surprise by presenting him with a beautiful gold-headed cane, on behalf of the company which he had so long and faithfully served. The speech of Mr. Nicholson was a gem. The reply of Capt. Faison was feeling and appropriate. The company presented a fine appearance and acquitted itself handsomely in the drill.

Duplin N. S. Convention. To the Sunday School Workers of Duplin county: At the earnest request of the Executive Committee of the Sunday School Association of North Carolina, we, the undersigned, hereby call a convention of the Sunday School Workers of Duplin county to meet in Kenansville, Saturday, February 15th, 1890, to organize and to elect delegates to the State Convention which meets in Wilmington February 25th, 26th and 27th, 1890. All pastors, superintendents and Sunday School workers are cordially invited to attend. Each Sunday School may send two delegates. Let no Sunday School fail to be represented. A profitable and pleasant time may be expected.

Respectfully, L. R. CARROLL, Rev. W. A. FORBES, Rev. CALVIN SHAW, A. D. WARD, Rev. PETER MCINTYRE, JOE A. McARTHUR, Jr., Committee.

Compares Favorably With the Best. An appreciative reader of THE CAUCASIAN, and a gentleman of fine sense, writing to us from Manly, N. C., under date of February 8th, says: "THE CAUCASIAN of the 6th inst. has been received and read with a great deal of interest. I heartily endorse your sentiments on the Farmers' Alliance, as expressed in both the issues of January 30th and the 6th of February. I see a number of weeklies here and THE CAUCASIAN compares favorably with the best of them. The people of Sampson will be guilty of an unpardonable sin if they do not sustain such a paper. I feel sure they will appreciate your efforts and reward you with a becoming subscription list if they have sufficient sward in their gift."

This is very high praise, and if we were sure we were deserving of it, it would be very pleasing to us.

Persons. Miss Mattie Lee, of Goldsboro returned home last Thursday.

Mr. Frank McQueen paid his friends in town a flying visit yesterday.

Mr. F. A. Bizzell, the photographer who was in town several months last winter, has returned.

Mr. A. D. Ward, a young but brainy member of the Duplin bar, was in town Friday on professional business.

Mr. W. G. Rackley was called suddenly, on last Sunday, to the bedside of his sick father, in Cumberland.

Messrs. T. C. Pope and C. M. Hobbs were off from Saturday to Monday on a flying trip, whither we know not.

Messrs. H. E. Faison, D. B. Nicholson, W. S. Thomson and E. W. Kerr, of the Clinton Bar, are at Kenansville court this week.

One of Magician Kellar's Stunts.

"While in India," said Magician Kellar to some friends recently, "I saw many things done by the native masters of legerdemain that completely amazed me and some scientific gentlemen that were with me. The most wonderful performance was in hypnotism."

Francis Covasjee Jejeebhoy, a millionaire Parsee merchant, son of Franjee Covasjee, the founder of the Bombay Institute of Physical Inquiry bearing his name, gave me his word for this remarkable story:

"In the north of India was a famous hypnotist who possessed the power of hypnotizing himself. His wife, who knew his secret, was accustomed to revive him whenever he exercised this exceptional power. He died a man and was sentenced to execution. Several days before the time for the execution he hypnotized himself, passing into a condition which no appearance of death. So perfect was the semblance that the English government physicians who were called in officially certified that he was dead and that his body cremated. But at this point his wife appeared. She was stricken with grief, moaned and wept until the hearts of the authorities were touched. She was permitted to take away the body for private cremation. There she revived her husband, and together they escaped.—Chicago Tribune.

A Mammoth of an Egg. The American Museum of Natural History in Central Park, New York, has been offered an egg valued at \$300. It is a little over a foot in length, its holding capacity being two gallons, and, in round numbers, it equals 150 hens' eggs; its final measurement is twice that of the ostrich egg, and its cubic bulk eight times greater. The egg comes from Madagascar, and was laid by a huge bird now extinct. The remains of several of the winged monsters have been unearthed.—Boston Traveler.

Not One in Ten Of the people you meet from day to day has perfectly pure, healthy blood. The hereditary scrofulous taint afflicts the large majority of people, while many others acquire disease from impure air, improper food and wrong indulgences. Hence the imperative necessity for a reliable blood purifier like Hood's Sarsaparilla, which eradicates every impurity, and gives to the blood vitality and strength. It cures scrofula, rheum, humors, boils, pimples, and all other affections caused by impurities or poisonous germs in the blood. All that is asked for Hood's Sarsaparilla is that it be given a fair trial.

Keep your blood pure and you will not have rheumatism. Hood's Sarsaparilla purifies the blood, and tones the whole system.

Mrs. Joe Person's Remedy will Cure Indigestion. RALEIGH, N. C., Aug. 14, 1889. Last winter I was suffering very much from indigestion and general debility, with a broken down system, followed with chronic dyspepsia. I tried one bottle of Mrs. Joe Person's Remedy, and found so much relief and improvement I continued its use until I used the seventh bottle, which restored me to perfect health, and I am now sound as a silver dollar. I can cheerfully recommend it as a good restorative, blood purifier and a builder-up of broken down systems. W. B. JORDAN, Rept. for Raleigh News-Observer.

WHAT IS SCROFULA. It is that impurity in the blood, which, accumulating in the glands of the neck, produces unsightly lumps or swellings; which causes painful running sores on the arms, legs, or feet; which develops sores in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or the many other manifestations usually ascribed to "humors," which, fastening upon the lungs, causes consumption and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How Can IT Be CURED. By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula, be sure to try Hood's Sarsaparilla.

"My daughter Mary was afflicted with scrofulous neck from the time she was 22 months old till she became six years of age. Lumps formed in her neck, and one of them grew to the size of a pigeon's egg, became a running sore for over three years. We gave her Hood's Sarsaparilla, when the lump and all indications of scrofula entirely disappeared, and now she seems to be a healthy child." J. S. CARLISLE, Naught, N. J. N. B. Be sure to get only Hood's Sarsaparilla.

Hood's Sarsaparilla. Sold by all druggists. Price, 25 cents for a bottle. It is a little over a foot in length, its holding capacity being two gallons, and, in round numbers, it equals 150 hens' eggs; its final measurement is twice that of the ostrich egg, and its cubic bulk eight times greater.
