DEMOCRATIC NOMINEES.

For Congress—2nd District, BENJAMIN F. GRADY.

For Judge—6th District, EDWIN T. BOYKIN.

For Solicitor—6th District, OLIVER R. ALLEN.

CLINTON, N. C., OCT. 23, 1890.

The Republican Clerks are going home from Washington to vote.

Mr. J. M. Mewborne has declared himself the Democratic candidate for Congress in the 2nd District.

The court has awarded Palace car Pullman \$25,000 from the Wagner car company for infringement.

The Sanford Express says:—There is a remarkable dearth of marriages in this community. The trouble appears to be the young ladies are not old enough yet.

The Presbyterian Synod of North Carolina convened on Tuesday in the First Presbyterian church of Wilmington. About 300 delegates, clerical and lay, are in attendance.

Miss Julia Magruder, a daughter of the late General John B. Magruder, of the Confederate army, who held the "Peninsula" against McClellan in the spring of 1862, begins in the New York Ledger of October 18 a serial entitled "Jephthah's Daughter." The story is an exquisite and artistic adaptation of the Biblical tale.

Maj. Wm. A. Graham a member of the Alliance, was a candidate before the nominating convention of the 8th District for Congress, but was defeated by Col. Cowles. He was urged to run as an independent, but declined, saying he would vote for Col. Cowles and advised all others to do so. He could not countenance or support an independent movement. This is commendable on the part of Maj. Graham, whom we had all along believed to be too good a man to cause disruption and defeat in Democratic ranks by going on a "fool's errand."

Owing to a misapprehension as to Senator Vance's position on the Sub-Treasury bill, the Senator has written a letter in which he says: "If that bill should be demonstrated to be constitutional by any decision of the Supreme Court, or otherwise, I would cheerfully support it, notwithstanding any objection to its practicability, if the farmers desired it. That position I still maintain." The Chronicle says Col. Livingstone stated in Raleigh that the Supreme court had lately decided that the Government could loan money. If Col. Livingstone is correct, we have no doubt Senator Vance will gladly support the bill.

MR. GRADY AT BURGAW.

The Burgaw Herald says:—Hon. B. F. Grady, our next Congressman, addressed his fellow citizens at Burgaw on the 1st Monday in October. Owing to inadequate notice (only three days) the audience was not near as large as it would have been had timely notice been given. The court room was however, nearly filled, and following a graceful introduction by Mr. Thos. J. Armstrong, for one hour Mr. Grady received the undivided attention of the Pender democracy while he dwelt upon the evils of the past and present system of legislation in reference to our people. This is one nomination where the office sought; the man and when he goes to Washington he will successfully measure lance with any member in the United States Congress.

THE ARCH ENEMY.

Their many Appeals on Personal Grounds.

A "scratcher" or an independent is doing more damage to good government than if he were to join the Radical party openly, for if he openly joined the Radicals he would be known and guarded against. Let all true Democrats repel puny appeals on personal grounds, coming from their enemies in pious garb, and vote fairly and squarely the Democratic ticket.— Greensboro Patriot.

Alliance Department.

ALLIANCE NOTES, DISCUSSIONS AND THE DOINGS OF THE VARIOUS LODGES.

It will be encouraging to the Alliance to hear that the Atlanta Alliance men are setting an advance on cotton direct from Liverpool. General manager Gaither of the Alliance Exchange of Montgomery Ala. says the Atlanta Constitution, has the money to advance to farmers, \$35 per bale on 500,000 bales. This is no humbug and speaks volumes to the Alliance men throughout the cotton growing States of the Union.

MY FRIEND—A WORD WITH YOU.

Do you know that every man who desires to vote at this election must register now? Even if you have registered and voted before, you must register again under the new Election Law to vote this year.

Do you want the Republicans to carry the election and have your neighbors arrested and put in jail as in 1868-9? If not, register and vote the Democratic ticket.

Do you wish the negro to get control of your county and State? If not, register and vote for the Democratic nominees.

Do you not know that every negro in the State will register and vote? Then so must every white man.

Do you want negro Yankee soldiers with drawn bayonets to meet you at the polls and dictate to you how to vote? If not, be sure your name is on the registration book, and do not fail to vote the straight Democratic ticket.

You can't register after Oct. 24th, so register at once. Don't say you have not time, take time—your happiness depends on it. The good name and prosperity of your State depends on it. Honest government and white man's control depends on it. Don't wait. Delay may cause the defeat of the party.

All Democratic papers will please copy and keep at the top of the column of each issue until after the election.

SCABBY AND MISERABLE.

Hon. "Back" Kitchen Before the State Convention of Democratic Clubs.

He appealed for the fullest and most cordial harmony and said that it must come. He said that whenever a man went into a Democratic convention and measured strength with others, and was defeated and ran over to the matter of choice for a candidate, he was a scabby miserable man if he kicked against the result and went out and tried to stir up strife and his session simply because his choice was not the choice of the convention. Why friends, don't you know that all of us can't have office? Why I've been wanting office for twenty years so bad that I could taste it, and I've never got it yet. The people in my county have always found somebody who they thought would make a better sheriff, a better register, a better constable, a better coroner—even a better member of the Legislature than I would. They have nominated men down there whom I despise. Yes, I despise the very ground they walked on, and but for the restraining power of the Holy Ghost, I would have waylaid them and murdered them. But they were nominated by democracy, and represented Democratic principles; and while the men made me sick, I would put a little camphor on my handkerchief; and if that wasn't strong enough, I'd take chloroform; and if that wasn't strong enough, I'd take something that deprived me of my senses, and have myself dragged to the polls where I voted. And unless you are that kind of a Democrat, you are no Democrat at all, and you're not no business in this hall or at Democratic primaries.

Malaria

Literally means bad air. Poisonous germs arising from low, marshy land, or from decaying vegetable matter, are breathed into the lungs, taken up by the blood, and unless the vital fluid is purified by the use of a good medicine like Hood's Sarsaparilla, the unfortunate victim is soon overpowered. Even in the more advanced cases, where the terrible fever prevails, this successful medicine has effected remarkable cures. Those who are exposed to malaria or other poisons should keep the blood pure by taking Hood's Sarsaparilla.

A Decent Radical.

A decent Radical says that he much prefers to vote for the regular Democratic nominee than for a sore-head blotter or independent. State Chronicle.

FOR THE BLEED, Weakness, Malacia, Indigestion and Biliousness, take BROWN'S IRON BITTERS. It cures quickly. For sale by all dealers in medicine. Get the genuine.

Personal Liberty vs. Physical Slavery.

We are all free American citizens, enjoying our personal liberty; but most of us are in physical slavery, suffering from scrofula, salt rheum or some other form of impure blood. Hood's Sarsaparilla is the great blood purifier which dissolves the bonds of disease, gives health and perfect physical liberty.

Scrofula

Is the most ancient and most general of all diseases. Scarcely a family is entirely free from it, while thousands everywhere are its suffering slaves. Hood's Sarsaparilla has had remarkable success in curing every form of scrofula. The most severe and painful running sores, swellings in the neck or groin, humor in the eyes, causing partial or total blindness, yield to the powerful effects of this medicine. It thoroughly removes every impurity from the blood.

Scrofula

"My little daughter's life was saved, as we believe, by Hood's Sarsaparilla. Before she was six months old she had 7 running scrofula sores. One physician advised the amputation of one of her fingers, to which we refused assent. When we began giving her Hood's Sarsaparilla, a marked improvement was noticed and by a continued use of it her recovery was complete. And she is now, being seven years old, strong and healthy." E. C. JOHNS, Alma, Lincoln County, Mo.
