enough to carry the beastliness and the putrefaction which have been gathered up in bad books and newspapers of this land in the last twenty years. The literature of a nation decides the fate of a nation. Good books, good morals. Bad books, bad morals.

I begin with the lowest of all the littrature, that which does not even pre-tend to be perpectable—from cover to cover a blotch of leprosy. There are many whose entire business it is to dispose of that kind of literature. They display it before the schoolboy on his way home. They get the catalogues of schools and colleges, take the names and postoffice addresses and send their advertisements, and their circulars, and their pamphlets, and their books to

every one of them. SENDING OUT BAD BOOKS. In the possession of these dealers in bad literature were found nine hundred thousand names and postoffice addresses, to whom it was thought it time to inspect the books that come ress made from the time of the impres-

You see that was built as the result of that book you There are thousands of men and gave me thirty years ago." Oh, the live to see the illustrious day! power of a good book! But, alas! for the influence of a bad book,

John Angel James, than whom England never had a holier minister, stood In his pulpit at Birmingham and said: "Twenty-five years ago a lad loaned to me an infamous book. He would loan before God, prayed that he would obular novel, "Jack Sheppard." Homer's "Iliad" made Alexander the warrior. Alexander said so. The story of Alexandermade Julius Cæsar and Charles XII both men of blood. Have you in your pocket, or in your trunk, or in your desk at business a bad book, a bad picture, a bad pamphlet? In God's name I warn you to destroy it.

Another way in which we shall fight back this corrupt literature and kill the frogs of Egypt is by rolling over them the Christian printing press, which shall give plenty of healthful reading to all adults. All these men and women are reading men and women. What the you reading? Abstain from all those Many of the cities have successfully books which, while they had some good prohibited the most of that literature things about them have also an adand dealers in impure literature, from good and the bad. Which stuck to have been made, and the aggregate people is like a sieve, which lets the time for which the convicted have been small particles of gold fall through but sentenced to the prison is over one hun- keeps the great cinders. Once in a dred and ninety years, and from the while there is a mind like a loadstone, fact that about two million of their cir- which, plunged amid steel and brass culars have been destroyed, and the filings, gathers up the steel and repels business is not as profitable as it used the brass. But it is generally just the opposite. If you attempt to plunge How have so many of the news stands through a fence of burns to get one of our great cities been purified? How blackberry you will get more burrs has so much of this iniquity been than blackberries. You cannot afford to read a bad book, however good you are. You say, "The infinence is insigthe East Indies and pat a cobra on nificant." I tell you that the scratch of a pin has sometimes produced the thrilling expectation in the dream!

Alas! if through curiosity, as many curiosity is as dangerous as that of the man who would take a torch into a gunpowder mill merely to see whether it would really blow up or not. In a menagerie a man put his arm through the bars of a black leopard's cage. The animal's hide looked so sleek and bright and beautiful. He just stroked it once. The monster seized him, and he drew forth a hand torn and mangled and bleeding. Oh, touch not evil even with the faintest stroke! Though it may be glossy and beautiful, touch it not, lest you pull forth your soul torn and bleeding under the clutch of the black leopard. "But," you say, good or bad without reading it?" There | forever! is always something suspicious about a bad book. I never knew an exception style of illustration. This venomous

hands tremble as though a guardian ed Deafness is the result, and unless & Weldon through freight train, spirit were trying to shake the deadly the inflammation can be taken out North bound, leaving Goldsboro at up from the river of death. have perished. Twenty books of Pliny have perished. Livy wrote one hundred and forty books; only thirty-five man gave you Doddridge's Rise and Romans. All that wealth of biography eased and corrupt and blasted at the very start? They will die as the frogs until there will be nothing left but premacy of the world. May you and I

COUNTERACT THE BAD WITH GOOD. Against every bad pamphlet send a good pamphlet; against every unclean picture send an innocent picture; against every scurrilous song send a Christian song; against every bad book DRUGGIS send a good book; and then it will be as it was in ancient Toledo, where the Romans demanded that those missals sals be substituted: and the war came on, and I am glad to say that, the whole matter having been referred to champions, the champion of the Toletum missals with one blow brought down the champion of the Roman missals. So it will be in our day.

The good literature, the Christian literature, in its championship for God and the truth will bring down the evil literature in its championship for the devil. I feel tingling to the tips of my fingers and through all the nerves of my body and all the depths of my soul the certainty of our triumph. Cheer up, oh men and women who are toiling for the purification of society! Toil with your faces in the sunlight. "If God be for us, who, who can be against

Lady Hester Stanhope was the daughter of the third Earl of Stanhope, and after her nearest friends had died she went to the far east, took possession of a deserted convent, threw up fortresses the eastle to the poor and the wretched and the sick who would come in. She Lord would descend in person, and she thought upon it until it was too much for her reason. In the magnificent stables of her palace she had two horses groomed and bridled and saddled and caparisoned, and all ready for the day in which her Lord should descend, and he on one of them and she on the other should start for Jerusalem, the city of the Great-King. It was a fanaticism and a delusion; but there was romance, and there was splendor, and there was

Ah! my friends, we need no earthly and he that sat on him had a bow; and a crown was given unto him; and he went forth conquering and to conquer. And the armies which were in heaven followed him on white horses, and en his vesture and on his thigh were written, King of kings and Lord of lords "
