HOW IT LOOKS TO ONE OUTSIDE.

(Continued from first Page.)

farmers hand in hand and help them on. Reporter.—Do you think there will be any conflict between the Alliance and the Democratic party?

ol. Skinner.—How can there be? The Alliance are in the Democratic party. It is a large majority for the party. These differences can be smoothed away.

Reporter.—How do you account for the election of Senator Butler?

Col. Skinner.—In two ways. Butler was very faithful to Alliance principles in the last Legislature.

Reporter.—What about Cleveland?

Col. Skinner.—Don't mention his name as a possibility. His nomination would ruin us and I trust our leaders will take this in for all it means.

DO THEY PAY? OFFICE ALLIANCE PUB. CO., 239 North Capitol Street, Washington, D. C., Aug. 17, '91.

Now comes the information that national banks do not pay. This news has been a long time getting here—some 23 years—

For instance, a worthy member of the Alliance loses a horse worth, say, \$100. The President and Secretary of his Alliance sign an appeal, it is published.

It may be said that the assessment plan is not fair because some sub-alliances have 75 or 100 members while others have only fifteen or twenty or more.

A safe investment is one which is guaranteed to bring you satisfactory results, or in case of failure a return of purchase price.

Buckley's Arnica Salve. The best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Childs, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required.

The Ladies Delighted. The pleasant effect and the perfect safety with which ladies may use the liquid fruit laxative, Syrup of Figs, under all conditions make it their favorite remedy.

THE TRUTH. The Teachers' Assembly rented Bell's Hall to the Farmers' Alliance, and have fitted it up with conveniences and moved a large number of the Assembly benches into the hall.

Who is the Teachers' Assembly? Is Mr. Daniel Bell, of Morehead? If so, the above from the Chronicle is true, otherwise it is a malicious falsehood.

WHOSE FAULT?

(Continued From First Page.)

the wicked financial policy of the Government. We don't intend to continue it, nor will we let Grover Cleveland make us think that the great issue is 5 per cent. difference in the tariff.

A big Republican government can be run in the interest of a few. We have seen it done. The Alliance now are determined to see that it is run in the interest of the many.

All Through Sampson.

What Sampsonians are doing are saying.

Send us the news from your township for this column. Every subscriber to this paper has a right to be kept in the know of the news in his neighborhood for this column. We will not publish your name unless you desire it.

TURKEY. Mrs. J. W. Morrison and Master Junior of Harrell, are visiting at Mr. Wm. A. Faison's.

Mr. J. J. Barden had a fine horse killed by one of Mr. R. James' horses so severely, a few days ago, that he died from the effects of it.

Dr. W. J. Strickland and wife have been visiting relatives, near Winston.

Prof. D. B. Parker, of Dunn, has been spending a few days with his brother, Mr. J. C. Parker.

On Sunday of last week, perhaps, Sampson county's largest snake was killed. Abram Merritt, colored, killed a rattle snake in his yard that measured about five feet in length.

Crops are looking well. Plenty of rain.

Hog cholera is raging in this section. The farmers are busy in their fodder.

C. H. McLamb is putting up a flour mill for J. F. House. We hope the farmers will go to making wheat again in this section.

TAYLOR'S BRIDGE. Mr. S. F. Johnson of this township left the other day to participate at Trinity High School.

Mrs. Mary and Miss Mamie Croom formerly of this township, now of Durham, are spending some time among relatives and friends.

Died, Alexander L. Pearson, on August 8, '91, at his residence in this township, after continued physical suffering.

Hugh James, the two year old son of Mr. Robt. James, swallowed some spirit of ammonia from a bottle which he picked up about the yard last Monday.

Mr. G. W. DeVane is as lively as ever. Two large rattle snakes have been killed near Harrell's store recently.

Quite a number of our farmers are pulling fodder. Sorry to say the weather has been unfavorable.

Messrs. D. F. Colwell and S. F. Peterson, of Harrell's store, are in the Northern markets buying their fall stock. Why not come to Harrell's store to buy your goods.

Messrs. Colwell, Taylor and Johnson are building a tram road from Harrell's Store to Black River.

Mrs. Sue C. Carroll and Mrs. J. H. Swinson have been very sick, but glad to report they are improving.

D. F. Colwell has the finest cotton in the township. Haywood Peterson has the largest number of acres in cotton.

J. W. S. Robinson has the best large field of corn. The hog cholera has reached the South River going East.

This section has made a little improvement in the last fifty years, of which I will give you the difference of now and then. In 1840 we had one preacher, three churches, one two-story house, one postoffice, one grocery store, one doctor, one Justice of the Peace and one surveyor.

Our oldest voter, as he cast his vote for Martin Van Buren, said he was 108 years of age. Then we had four sawmills and seven grist-mills, run by water power, and four blacksmith shops that were run by the muscle of the arm.

Now we have three preachers, five churches, six postoffices, fourteen dry goods and grocery stores, one Masonic Lodge, one doctor, five Justices of the Peace and one surveyor.

Our oldest lady is 99, our oldest man is 81. We have four sawmills and two grist-mills run by steam power and two cotton gins, four grist-mills run by water power and two cotton gins run by water power, ten blacksmith shops and four buggy shops and five turpentine stills, and best of all we have the C. E. & Y. V. Railroad running through, with three depots and telegraph and express offices.

We have given a correct account of Franklin township and would like to hear from other townships also with a correct history. We read some things in newspapers that we are slow to believe.

The great woman preacher, Mrs. Carpenter, has been preaching at Harrell's Store eight days. She is generally admired by all denominations, but some few are opposed to her.

Now and Then. Mrs. Allie Hubbard and Sude of Point Caswell are visiting Mr. Alex. Moore.

Mr. W. S. Newkirk and Mrs. G. Lewis and family of Wilmington are spending sometime with Mrs. Dr. Seavy.

Miss Callie Bronson of Lisbon is visiting relatives on Black River.

Thirty-one converts were made for the Methodist church at the close of Mrs. Carpenter's meeting at Harrell's store.
