Lady's or Gen.'s size. in the history of the world. They are trees bend their burdens on either bank, necessary to the balancing of the planet. and all is surrounded by walls in which The two hemispheres must have them. the upholstery of autumnal forests, As you put down upon a scale the and the sunrises and sunsets of all the heavy pound weights, and then the ages, and the glory of burning worlds small ounces, and no one thinks of de | seem to be commingled. spising the small weights, so the continents are the pounds and the islands sigh, or utter a groan, or discuss a difare the ounces. A continent is only a ference, or frown a dislike, or weep a such work for the money." larger island, and an island only a tear. The fashion they wear is pure part the islands have taken in the cled by garlands, and they who were world's history you will see when I re sick are well, and they who were old mind you that the island of Salamis are young, and they who were bereft produced Solon, and that the island of are reunited. And as the last figure of Chios produced Homer, and the island that panorama rolled out of sight, I

to see more than any other. I can afford to miss the princes among the islands, but I must see the king of the archipelago. The one I longed to see is not so many miles in circumference as Cyprus or Crete or Paros or Naxos through this world, its cares and faor Scio or Mitylene, but I had rather in this sail through the Grecian archipelago see that than all the others, for best you could, I should not wonder if more of the glories of heaven landed there than on all the Islands and continents since the world stood. As we dying boy who, while the family stood come toward it I feel my pulses quicken.
"I, John, was in the island that is called Patmos."

dying boy who, wante the family stood round sorrowfully expecting each breath would be the last, cried: "Open the gates! Happy! Happy!

It is a piles of rocks twenty-eight It is a piles of rocks twenty-eight miles in circumference. A few cypresses John Owen in his last hour said to and inferior olives pump a living out his attendant, "Oh, Brother Payne, of the earth, and one palm tree spreads the long wished for day is come at its foliage. But the barrenness and last!" Rutherford, in the closing mogloom and loneliness of the island made | ment of his life, cried out: "I shall it a prison for the banished evangelist. | shine, I shall see him as he is, and all Domitian could not stand his ministry, the fair company with him, and shall and one day, under armed guard, that have my large share. I have gotten minister of the Gospe stepped from a the victory. Christ is holding forth tossing boat to these dismal rocks and his arms to embrace me. Now I feel! walked up to the dismal cavern which | Now I enjoy! Now I rejoice! I feed was to be his home, and the place on manna. I have angels' food. My where should pass before him all the eyes will see my Redeemer. Glory, conflicts of coming time and all the glory dwelleth in Immanuel's land." raptures of a coming eternity.

Is it not remarkable that nearly all tory of the world has the dying bed the great revelations of music and po- been made a Patmos. You see the etry and religion have been made to time will come when you will, oh, child men in banishment-Homer and Mil- of God, be exiled to your last sickness ton banished into blindness; Beethoven banished into deafness; Dante writing You will go into your room not to his "Divina Commedia" during the nineteen years of banishment from his something better and grander and hapnative land; Victor Hugo writing his | pier for you than he has ever yet done. "Les Miserables" exiled from home and There will be such visions let down to country on the island of Guernsey, and | your pillow as God gives no man if he the brightest visions of the future have is ever to return to this tame world. been given to those who by sickness or The apparent feeling of uneasiness and sorrow were exiled from the outer restlessness at the time of the Chrisworld into rooms of suffering. Only those who have been imprisoned by very hard surroundings have had great

So Patmos, wild, chill and bleak and terrible, was the best island in all the archipelago, the best place in all the earth for divine revelations, Before a panorama can be successfully seen, the room in which you sit must be darkened, and in the presence of John was to pass such a panorama as no man ever before saw or ever will see in this world, and hence the gloom of his surroundings was a help rather than a

All the surroundings of the place affected St. John's imagery when he will see gardens in full bloom, and the speaks of heaven. St. John, hungry swinging open of shining gates, and will from enforced abstinence, or having no hear voices long ago hushed. food except that at which his appetite revolted, thinks of heaven; and as the famished man is apt to dream of bountiful tables covered with luxurles, so St. John says of the inhabitants of heaven, "They shall hunger no more." Scarcity of fresh water on Patinos and the hot tongue of St. John's thirst leads him to admire heaven as he says, "They shall thirst no more." St. John hears the "May I go down to show that soul the waves of the sea wildly dashing against the rocks, and each wave has a voice, May I wait for that soul at the edge of and all the waves together make a the pillow?" And the Lord will say: chorus, and they remind him of the "Yes. You may fly down on that mismultitudinous anthems of heaven, and sion." And I think all your glorified he says, "They are like the voice of kindred will come down, and they will

One day, as he looked off upon the health standing around you may hear sea, the waters were very smooth, as it no voice and see no arrival from the is today while we sail them in the Min- heavenly world, you will see and hear. erva, and they were like glass, and And the moment the fleshly bond of the sunlight seemed to set them on fire, the soul shall break, the cry will be: and there was a mingling of white light and intense flame, and as St. John gilded cloud, past these stars, straight looked out from his cavern home upon tor home, straight for glory, straight that brilliant sea, he thought of the for God!" As on that day in the Greendors of heaven and describes them "As a sea of glass mingled with fire." Yes, seated in the dark cavern of Patmos, though homesick and hungry and loaded with Domitian's anathemas, St. John was the most fortunate man on earth because of the panorama that passed before the mouth of that cavern.

LET US VIEW THE PANORAMA Turn down all the lights that we may better see it. The panorama and they shall be his people and God passes, and lo! the conquering Christ, himself shall be with them and be their robed, girdled, armed, the flash of golden candlesticks and seven stars in his right hand, candlesticks and stars meaning light held up and light scattered. And there passes a throne and Christ on it, and the seals broken, and the woes sounded, and a dragon slain, and seven last plagues swoop, and seven vials are poured out, and the vision vanishes. And we halt a moment to rest from the exciting spec-
