STRIKING STATEMENT. For Our Townsman and Those Interested in Clinton's Future.

In a speech a few days ago, Col. James L. Orr, president of the Piedmont Cotton Mills, made several statements. One was that a bale of cotton that is made into cloth in the State brings \$70 a bale instead of \$35, or just double money. Another was that the mill company of which he is president alone pays to the laborers of the Piedmont section of the State over million dollars annually. Still another was that the company is "giving 1600 children ten months' education every year with no expense to them." These statements are full of suggestion for the future of the cotton States. A word to the wise is sufficient.

Things in general are progressing smoothly and quietly around Salem. Rev. A. A. Butler preached at Salem last Saturday and Sunday, 16th and 17th insts. We listened to the brother with pleasure. His discourse was exactly to the point, and very impressive. He is an earnest speaker. May God bless the brother to faithfully discharge the duties that rest upon him, in his vocation. FAISON LETTER.

Affairs of the Church—Truck—Alliance Union—Personal Mention.

[Staff Correspondence.] As ever, we found Faison as live as a cricket. Much interest and industry was displayed in church, truck, and politics.

Rev. P. M. McIntyre conducted services at the Presbyterian church last Sunday. A large congregation attentively listened to a strikingly original and interesting sermon. He made a report of the last year's work, showing \$1,160 raised for church purposes; total membership 120; new members received into the church 17; average attendance at Sunday schools 63. The Sacrament of the Lord's supper will be administered on the 2d Sunday in May, two weeks earlier than the regular time, when Rev. Mr. McIntyre and Mr. Isham Faison will be in attendance at the General Assembly at Hot Springs, Ark., as Commissioners from this Presbytery.

The condition of truck up here is very encouraging. The cold weather did not prove so damaging here as in other localities. We can not fail to mention in this connection an extraordinary fine field of strawberries of Mr. Islam Faison. It resembled a field of clover, so white was it with blooms. We did not have the pleasure of visiting other fields, but they are reported to be far above the average.

The Keener Alliance Union will hold its meeting with the sub Alliances the 2d Saturday in May. Let all be present, this is important. It will meet at Goshen.

A Sunday School Teachers' Union has been organized to equip the members more thoroughly for their work. It will meet Wednesday nights.

Mr. Marshall Williams, of Basic City, Va., has been in town for a few days. He and Mrs. Williams will leave for their home next week.

Mr. and Mrs. T. B. Pierce spent Sunday in the city.

Among those here last week were Messrs. T. M. Lee, W. L. Hill, Dolph Mosely and Sam Moore. M. P.

Salem Items.

The public debate at Salem, the 8th inst, was a success. On the day following the Alliance of Homeyatt's town held its Union at Salem, with R. M. Crumpler as President. Fr. T. Oren made the first speech. It was full of good points, sound judgment and common sense. The subject: "How and when shall we get there?" was discussed. One advocated taking care of Betsy and the children, and the rest would get there some time, but as to the time he could not tell. Another subject: "Dought the farmers to buy commercial fertilizers?" There were good points produced on both sides. Our opinion is that it is a drawback to the agricultural class, and that home-made manure can be made much cheaper, and know it is more estimable.

Mr. A. A. Butler filled the pulpit here on the 16th and 17th. The people seemed to like his style and manner very much.

We are sorry to inform you that most of the fruit around here are killed. The school will be closed on the 20th of May. Come one come all. Sincerely,

Randall Pope, the retired druggist of Madison, Fla., says P. P. P. is the best medicine in the market, and he has handled and sold all the sarsaparilla and blood medicines that were advertised.

Symptoms! Itching Piles!!! Piles!—Moisture; intense itching and stinging; most at night; worse by scratching. If allowed to continue tumors form. Which often bleed and ulcerate, becoming very sore. SWAYNE'S OINTMENT stops the itching and bleeding, heals ulceration, and in most cases removes the tumors. At druggists, or by mail, for 50 cents.

MAGNOLIA NOTES.

"Something new under the sun." New and yet old. Rev. J. D. Newton, of the Baptist Church, at the residence of the bride's father in Magnolia, Mr. Jordan C. Hume and Miss B. Florence Heath. A few days ago to Virginia home again. Good luck attend them.

The town is undergoing some other changes also. Mr. Joe. F. Croon has purchased the old College building and is making some needed repairs on same. In connection with this it is rumored that we are to have a "High School" in the fall. May Madam be right in this time.

There was some good preaching at the Baptist Church, Sunday, 11th and Tuesday night. Rev. Mr. Meeks preached on Saturday, and no better sermon have we heard lately than the one Sunday night by Rev. J. D. Newton, of the Baptist Church. The church here has been without a pastor for several months and how it does need—the community does need some wider awake, energetic, and able minister of the Gospel to take hold.

Rev. R. C. Peels, late of Wilmington, is expected to preach here, Wednesday after 1st Sunday, in the morning and at night.

Dr. Swindell is advertised for the Methodist Church next Sunday night. Both of our Sunday Schools are in a more prosperous condition than for some time. We trust there is a good work being done.

The recent cold wave didn't forget us on the contrary it made such an indelible impression on the trunks that they may not be able to get over it for the season. Beans were killed outright, potatoes and fruit injured. However there were some strawberries for sale on our streets last week. How is that for the late season?

Mr. and Mrs. Newberry were off last week on a trip to Goldsboro and Richmond.

Dr. McMillan is out again and looks none the worse from his recent illness of two weeks.

Mrs. Gisson and daughter, Miss Annie, spent last week with relatives in Lenoir and Jones counties.

Mrs. J. A. Hollingsworth, of Texas, who has been spending the winter with relatives here, has returned home. She was accompanied by her sister, Miss J. A. Hollingsworth, of New Jersey, is spending a while in town, the guest of Miss Lizzie McMillan. A pleasant sojourn to her.

Misses James and Cawan, of Maple Hill, N. C., are visiting Miss Pickett.

N. B.—The Democratic office of this township are requested to meet here Saturday, May 15th, for the purpose of electing delegates to go to the convention at Raleigh, N. C. Democrats attend your meetings or lose your country.

—Are you willing for some one else to write your platform and nominate your candidates, and you have nothing to say about it? If not then go to the primaries.

Resolutions of Respect.

The Enzonia Society of Wake Forest College, in regular session, April 16th, 1892, upon the announcement of the death of Rev. Dr. B. F. Marshall, of Clinton, N. C. appointed a committee to draft the following resolutions of respect:

Whereas, It has pleased Almighty God, in his infinite wisdom, to take from earth to heaven Rev. B. F. Marshall, D. D., one of the most able ministers of the Gospel in North Carolina, and one whose usefulness has been great, and whose life has been a model to all who follow; and whereas, Dr. Marshall was an alumnus of this institution and an honored member of our Society, having been its representative in the first national conference of the P. P. P. Association at Raleigh, N. C. in 1887; and whereas, his death is a great loss to the Church and to the community; therefore,

1st. That not only has the State of North Carolina lost an honored and useful citizen, but also the Presbyterian denomination an able and eloquent minister, but the alumni body of this institution has lost one of its most honored members, and Luzelia one of her best friends; and that, in view of the above, we, the members of the Enzonia Society, do hereby resolve to observe the 16th day of April, 1892, as a day of mourning for the death of our brother, Rev. B. F. Marshall, D. D., and to wear mourning for one week.

2d. That we, as Enzonia, while humbly bowing to the Divine will, regret the loss of one who has reflected honor upon his Alma Mater and upon our Institution, and who has been a model to all who follow.

3rd. That we extend our heartfelt sympathies to the bereaved family in their irreparable loss.

4th. That copies of these resolutions be sent to the Enzonia Society, Presbyterian and Clinton Caucasians with a request to publish; that a copy be sent to the bereaved family, and that they be spread upon the records of the Society.

JOHN HARRIS, Secy. O. J. PETERSON, Com. O. J. ROBERTSON, Secy.

An Appeal to the Human.

The North Carolina society for the prevention of cruelty to animals appeals to all humane people in the State for their support. It has been organized two years ago under a legislative charter, with authority to establish and locate branches at any place or places within the boundaries of the State.

It has received a donation of five hundred dollars from a non-resident of the State, who has recently resided here, and another donation of fifty dollars, and also the expression of gratitude at the successful work of the society there for.

This work has been hitherto almost wholly confined to Asheville and its vicinity, but the society has from the beginning looked forward to the time when it could extend its work throughout the State, according to the provisions of its charter.

It believes that a systematic effort to the end ought not to be made. To make the effort successful it is absolutely that every friend of the cause should lend the society a helping hand, first by financial support, next by the society's organization of an annual membership, which is at present only one dollar, and second, by active assistance in executing the plan of extension adopted by the Board of Managers. It should be informed that the plan will be furnished upon application to the Secretary and Treasurer. Walker S. Cushman, of Asheville. Membership fees should be sent to him and will be duly acknowledged.

By order of the Board of Managers. A. M. BALLARD, President. WALTER S. CUSHMAN, Secy and Treasr. Asheville, N. C., April 18, 1892.

SUMMER'S COMIN'.

She's wakin' up, y'et y'! Can't fool me! I guess I know That it ain't by no means summer just as yet. The wind don't blow. Can't tell me a thing about it—learn it all long time ago!

Summer's comin'! Hear that watter guggle-guggle underneath th' ole stone wall! Hear them robins in th' orchard-purdy peart their whistles call! Hear them year 'n' buzzin' in th' sun! Pshaw! That ain't all! Summer's comin'!

Way down yander in th' meadow, "Whee-die-whee-die," comes th' cry; Under one in th' peach-ple wrens is hopin' slick and sly; Johnny Cotton gets a sorter lazy move as he needs by: Summer's comin'!

Smell them fresh-pit loaves' posties! See that fellar diggin' holes! Feels 'em in th' peach-shin on these fall-dellar snails! See 'em in th' meadow—Golly! Watch 'em, how they squawk! Summer's comin'!

Hear them lumpy ducks-a-squawkin' round th' puddles mucky brim! See that tussy cow-a-roostin' on th' tippy-top of th' limb! Hear that purp-a-barkin'-Shawks! Y' need y' see, er air y' see, er—oh, good landy! What you hear! Summer's comin'!

Don't y' smell that soft, sweet smell th'et's warm an' cool an' damp an' fresh? Don't y' sniff th' sassy-frae-a-growin' in th' underweat? Don't y' see, er air y' see, er—oh, good landy! What you hear! Summer's comin'!

The above out was made with an ordinary pocket knife by Norman Jennings, a 16 year old boy in town. He has made some remarkably fine cuts. This one was cut out of common cherry wood, and the height of our type, so we make room for it.

ALL THROUGH SAMPSON.
