ALL THROUGH SAMPSON.

(Continued from Fourth Page) LISBON. Crops are looking very well in this section.

Our gardens are extra fine. Mrs. Willie Tatem has a collar in hers measuring three feet four inches.

Miss Annie Rich is visiting Mrs. O. K. Vann.

One of our good farmers has a trained rooster that carries the little chickens through the day and protects them at night.

M. H. LITTLE COHARIE. We see in THE CAUCASIAN of May 23rd, that some one writing from Dismal and calling himself "Columbus was Common."

was written on the 6th of May to a young lady in St. Louis, Mo. Now we wish to say to the correspondent from Dismal that he had ought to know that he could not make the people of Sampson county believe a report like the one he sent to the paper.

We see also several other items, and since finding that the other was false, the people believe now that Antyville will be carried off by the eagles and all children will be any thing but safe.

Now, if he cannot find any truth but false reports to write, we would advise him to lay aside his pen and paper and leave for parts unknown.

We are sorry to say that Mr. J. W. Underwood is suffering very much from a fall he took a few nights since.

Revs. A. J. Parker and R. B. Culbreth are attending the District S. Conference at Fayetteville, which convened last Friday.

Rev. J. R. O. Caswell, and wife are visiting their daughter, Mrs. Joe Sinton, of Goheen.

Rev. Daniel Reed, of Arac, N. C., has been visiting Rev. Owen Spill.

"PLUG & SWINBURNE." [We are very sorry our correspondent from Dismal made the mistake referred to above. We have looked for his letter, but cannot find it, and do not regret who wrote it. We hope he will explain.—Ed.]

West Point Cadetship. The applicants for West Point Cadetship of 3rd Cong. Dist. will be examined in Goldsboro June 17th, at the office of the Supl. of Public Instruction.

The Examining Board will consist of Dr. G. L. Kirby, A. D. Ward, Esq., and Capt. D. J. Broadhurst.

Catalogue of the University. The catalogue of the University for 1891-'92 is a very handsome and readable publication.

During the year past there were 248 students, a gain of 50 over the year before. Of these 55 were students of law and 18 of medicine and pharmacy.

There were 27 students who were graduates of colleges and were pursuing advanced, or special, or professional courses; of these, two were graduates of Davidson College, two of Wake Forest, two of Guilford, one of the University of New Brunswick, and twenty of the University of North Carolina.

The most popular course of study seems to be the "Course in Paleontology," which requires Latin but not Greek. There were 57 students of Greek. There were 9 students in Engineering. We are glad to observe that six Brief Courses of Study have been established for young men who are not able to spend four years at the University. These brief courses give special preparation for business, for farming, for teaching, for journalism, for the study of law and for the study of medicine.

The University has 21 teachers and 11 buildings. The entire expense for education may be reduced to \$200 a year. Tuition costs \$60. There are about fifty Scholarships granting free tuition. Any deserving young man can get help. Those who are interested in education are advised to write for a catalogue to President Winston, Chapel Hill.

COUNTY AFFAIRS. County Commissioners—New Jail. The Justices of the Peace and County Commissioners met in joint session here last Monday, according to law.

A report from the Commissioners on the county finances showed that the funds on hand and those to be collected would be expended. The taxes levied for the next year was the full extent of the law allows.

The next business was the election of a Superintendent of Public Instruction. The present incumbent, Prof. Isham Royal, was re-elected, a just tribute to the efficiency, ability and faithfulness with which he has performed the arduous duties of his office.

The successor of Capt. C. Partrick, who resigned as Chairman of the Board of Commissioners in January, was elected to fill out his unexpired term. Mr. Jno. C. Sloucomb was elected.

The following Commissioners were elected for the ensuing term: Messrs. Jule Hobbs, Matt Marshall and Jno. C. Sloucomb.

The committee to examine other jails and report to the Justices of the Peace, recommended that a new jail be built. The recommendation was accepted, and a committee to select a site was appointed. A motion was passed to raise the money, either by a special tax or by issuing bonds. Bonds are to be issued if they can be sold at face value.

Mr. W. E. Stevens was elected Chairman of the Justice of the Peace for the unexpired term of Dr. L. O. Hubbard.

A letter from Mr. J. C. Price. PITTSBURG, PA., May 10th, 1892. George W. Herring, Clinton, N. C. Yours received. I shall go to you from Salisbury by the quickest route, to be decided on by you. As I understand it, I am to be in Clinton on Friday, June 17th. If this is not correct please inform me. Have no fear, I will be on hand at the proper time. I will be in Salisbury by the 10th, if not sooner. I am yours sincerely, (Signed) J. C. PRICE.

C. A. Thompson, Seymour, Ind., writes: "My sister Jennie, who is a young girl, suffered from white swelling, which greatly impaired her general health and made her blood very impure. In the spring she was not able to do anything and could scarcely get about. More than a year ago she took three bottles of Botanic Blood Tonic, and now she is perfectly cured."

Entertainment in Faison.

There will be an entertainment given by the Faison Christian Endeavor Society at the School-house, Thursday night, the 10th inst. There will be a very pretty and interesting Fann Drill, accompanied by vocal and instrumental music.

Mr. Henry Blount, of the Wilson Mirror, will deliver an address. The entertainment promises to be both interesting and pleasant. The proceeds are for the benefit of the new Presbyterian church.

Masonic Funeral.

On the second Sunday of July next the funeral of Bro. J. E. Thornton, deceased, will be preached at Pleasant Union Church (Hoop Pole), near Mr. John T. Gregory's residence, and the usual Masonic honors will be given our deceased brother. By order of Mill Creek Lodge No. 125, All Masons in good standing are respectfully invited to attend and participate in said services. L. O. KISS, Secretary.

The University Commencement.

[Staff Correspondence.] This Commencement, the first one under Pres. Winston's administration, was a great success. Though many hundreds were not present on account of Senator Carlisle not being able to come, as was expected, there were nevertheless a large and enthusiastic crowd in attendance.

The special feature of this commencement was the very remarkable address of Col. A. M. Waddell, on the life and character of the late Wm. L. Saunders. It was, perhaps, the great effort of Col. Waddell's life. It made the deepest and profoundest impression on every one who heard it, and will be long remembered at the University.

Prof. Chas. D. Melver, the newly elected President of Girls Training School at Greensboro, delivered the Alumni Address. And like all of his speeches was replete with sound thought and practical suggestions. It was too well received.

Senator Carlisle being absent his place was taken and admirably filled by Dr. Hannis Taylor, of Alabama, the author of "The Origin and Growth of the English Constitution." Dr. Taylor is a native of this State. He was the author of that famous brief before the Supreme Court of U. S. on the Louisiana Lottery question. He addressed the senior class. His speech was most happy, eloquent and learned. He was a student here in 1868, and a colleague of Dr. Winston, the president. His speech was received with great enthusiasm.

There were sixteen members of the graduating class, and two hundred and forty-eight students in attendance. Many improvements have been made and the University promises to still prosper.

COLLEGE FUN AND STATISTICS.

A very interesting volume called the Helixian has just been published by the Greek Letter Fraternities, at the University. It is elegantly printed, bound and illustrated; and is full of most amusing college jokes and interesting college statistics. It is dedicated to President Winston, who is in full sympathy with college wit and humor. The editor in chief is Mr. J. Crawford Biggs. The University colors are white and blue. The University yell is: "Rah! rah! rah! White and blue! Viva! Viva! Viva! N. C. U."

The average age of students in the University is 19 years and 9 months; average height 5 feet 10; average weight, 150 pounds. The favorite study is Mathematics, 58 per cent. prefer brunettes to blondes; 66 per cent. carry watches; 2 per cent. wear eye glasses; 23 per cent. own dress suits; the favorite poet is Tennyson; favorite novelist, Scott; 25 per cent. have been engaged; 72 per cent. live in towns; the most intellectual man, Biggs of Oxford; the most popular man, Hoke of Raleigh; the hardest working man, Davis of Tarboro; the handsomest man, W. W. Davis; the best athlete, Mangum; the best orator, F. Harding of Greenville; 87 per cent. play base-ball; 49 per cent. foot-ball; 66 per cent. tennis; 44 per cent. visit in the village. Among the Faculty the students voted President Winston the most intellectual man. Professor Alexander the hardest worker, and Professor Venable the handsomest. 29 per cent. of the students play on musical instruments; 34 per cent. are at the University "on their own hook." The best prospective lawyer is J. S. Hill, of Duplin; the best doctor, R. H. Johnston, of Tarboro.

The book contains handsome full page engravings as follows: The twelve evils; President Winston; the pins and devices of each of the twelve fraternities; the Phi Beta (Di Hall); the Chapel; the Glee Club (sixteen members); the Old East building; the Library; the South Building; the German Club; the Library (interior); the Old West building; Memorial Hall, and the foot-ball team.

PERSONALS.

Sampson county has always furnished her quota of students at the University, and of that class too, who have taken the highest stand in college work and college life. Messrs. T. M. Lee, H. W. Butler, Elliott Lee and D. T. Oates were there the past year, and of a class all did well. Among those who attended the Commencement this year were Judge F. T. Boykin and Mr. Marion Butler, the latter a Trustee of the University. Every one seems to enjoy this commencement to the fullest extent. M. P.
