HER EYES ENTIRELY RELIEVED.

Major Wm. A. Johnson, of Clinton, states "that his little daughter Bettie who, for the past two years, has suffered severely with her eyes, has been entirely relieved of all pain by the use of a pair of glasses made expressly for her by Dr. D. S. Harmon, of Wilmington, N. C."

LOCAL ITEMS. The subscription to THE CAUCASIAN has been reduced to \$1.00 per year.

Mrs. W. C. Ebb, of Florence, S. C., formerly of this place, died last week and was buried at Faison.

Posters, Letter and Note Heads and envelopes printed at THE CAUCASIAN office.

The "Sampson Democrat" makes its debut upon the political arena this week. It will find a welcome among the exchanges of THE CAUCASIAN. We read both sides.

The CAUCASIAN is the best advertising medium in this section. Why? Because it has the largest circulation and among the very best classes of our people.

An open boll of new cotton, from the field of Mr. Marshall Owens, of Homeyett's township, was placed on our table last Tuesday, the 16th. This is the first reported. Who can beat it?

We hear that a petition is being circulated to allow dogs to run again on the streets. We are rather favorable to the petition, especially during this season, as they are a great aid in clearing the streets of garbage.

Those wishing to pay their subscriptions may do so in cash and meet at the market prices. We make this offer to help those who wish to pay for their paper, and to give them no excuse for not paying.

The "Old Veterans" left Tuesday morning for Wrightsville, where they will stay in camp several days with their old war comrades from every section of the State. They carry with them our sincere wishes for a happy re-union and a very pleasant stay.

Rev. C. A. Jenkins, of Oxford, N. C., will begin a protracted meeting with the Pastor at the Baptist church in Clinton next Sunday, the 21st. The public cordially invited, and all Christians workers in the community are specially invited to come and participate in these meetings. O. P. MEKES, Pastor.

A bevy of pretty girls, found the entrance to the inner court of our sanctum this week, and greeted us with a call. It was a most pleasant surprise, and at once transformed us from the perplexities of the political world to thoughts of things more pleasant and elevating—that of the social and domestic world. It will not give the names of my charming visitors, lest my urgent request for another call should be indefinitely prolonged.

Why should every man in Sampson county take THE CAUCASIAN? Because it is the only paper in the State that publishes the news in every section by township; the only paper that publishes your news; the only paper that publishes what you are most interested in. Why should every man in this section of the State take it? Because it not only publishes the news, but keeps you posted on the great reform that is coming through the classes and the masses. THE CAUCASIAN will make the campaign lively.

Please Come. Please come in and pay what you owe THE CAUCASIAN. We need it. What each individual subscriber owes is small in itself, but the aggregate is very large to us. THE CAUCASIAN will be lively this campaign. You should keep up with it.

A Dead Child Found. A sensation was created on our streets last Thursday by a dog bringing into town the leg of a malarious child recently born. The child had been concealed in the woods in the suburbs of town, where it was born. Investigations were made and two negro women were arrested. Dr. Moore the County Coroner called together a jury of inquest. The women arrested were released and the verdict left open. Further investigation will be made.

The Sampson County Sunday-School Convention will be held in Clinton at the Methodist church on Friday and Saturday, September 9th and 10th, 1892. This convention is a union of Sunday-School workers of all denominations; hence all who favor Sunday-Schools are expected to be interested.

P. P. F. Saves Life. A prominent Savannahian, formerly superintendent of a railroad, says: "I was crippled in my feet and arms so that I could not walk without crutches, nor sit without having a servant to feed me. I tried physicians everywhere, but to no purpose, and finally went to New York, where my doctors, at one time, decided to amputate my arm, but found that course impracticable, on account of a wound I had received during the war. I returned to Savannah a complete wreck, and my case seemed hopeless. As a forlorn hope I began to take P. P. F., and am rejoiced to say that after using three bottles, my limbs began to straighten out, my appetite and health soon returned, and I now feel like a new man; really, as if I had been made over again, and as if I could live forever—so long as I can get P. P. F."

This gentleman will not give his name for publication, but authorizes us to refer anybody to him for a verification of these facts, who will apply to us. Yours truly, LEIPMAN BROS., Wholesale Druggists, Proprietors of P. P. F., Savannah, Ga.
