—Any person writing to the editor of this paper, who doesn't want it opened at the office, must mark it "Personal."

—We are sorry to hear that Mr. M. M. Killett, of South Clinton, had a severe stroke of paralysis Tuesday.

—Mr. Charlie Crumpler, who is connected with the carpenters crowd on the W. & W. R. R., was in town this week.

—THE CAUCASIAN should be in the hand of every voter. See that your neighbor takes it. \$1.00 a year, \$3 months for 25 cents.

Do you take THE CAUCASIAN? If not don't miss another issue. Send us 25 cents and get it for three months, till after the campaign.

—Mr. W. H. Dardon has accepted a position with Mr. M. Hanstein. Mr. Dardon will begin his work next Monday.

—Mr. Jno. R. Wedding, of THE CAUCASIAN office, has been sick for several days. This causes much important reading matter to be ruled out.

—A protracted meeting will be held at Rowan Church next Monday, September 26th, 1892, conducted by Rev. O. P. Meeks, assisted by Mr. L. R. Carroll.

—Mr. M. Hanstein's new ad. appears in this issue. He tells you about his excellent and cheap goods. When you are in need, call and get his prices before buying.

—Miss Willie Draughon has accepted a position in the Racket Store of M. E. Peterson & Co., where she will be glad to serve her many friends and acquaintances.

—Mr. W. G. Beckley prides himself on having a stock of goods that will suit his customers in quality, style and price. See Mr. Beckley's handsome ad. in another column.

—Those wishing to pay their subscriptions may do so in corn and meat at the market prices. We make this offer to help those who wish to pay for their paper, and to give them no excuse for not paying.

—Hon. B. F. Grady and Mr. H. G. Shaw spoke on the Courthouse square last Saturday evening to a small crowd. If the People's party men had all withdrawn from the square the crowd would have been very small indeed.

—Any one having sent in a news article for publication in THE CAUCASIAN, and don't see it in print, may know that it came too late, or else we didn't have space. Communications, to insure publication, must reach us Tuesday morning.

—Merchants who advertise can afford to sell goods cheaper than the merchant who does not advertise. Their sales are so much heavier, that they can sell at a greatly reduced profit. Peruse the columns of this paper and see who want your trade, and who are willing to sell at prices to suit the times.

—We have been asked by several, when told that Dr. Exum hadn't withdrawn from the canvass, and had not given up his candidacy, why it was that the alleged Democratic papers published such falsehoods? Their true motive is unknown to me, but they must know that a lie will not travel the truth, especially if it has three days the start. Every such report only weakens the "Straightouts" cause when found to be false.

—Why should every man in Sampson county take THE CAUCASIAN? Because it is the only paper in the State that publishes the news in every section by township; the only paper that publishes your news; the only paper that publishes what you are most interested in. Why should every man in this section of the State take it? Because it not only publishes the news, but keeps you posted on the great reform fight between the classes and the masses. THE CAUCASIAN will make the campaign lively.

—Mr. Shaw stated while speaking Saturday that the "Third party was too small a thing for the Democratic party to fight." If that be true, why is it that such prominent men as Mr. Jarvis and Mr. Shaw take up so much of their time fighting the party and abusing its candidates? Perhaps he thinks they are such an insignificant part of the Democratic party that they can continue to fight the People's party, and then not be going back on his statement. Is that it, Mr. Shaw?

—Mr. Editor—Please answer this question: When an eye sore, a nuisance, and an indecent thing is brought to the attention of the Police and Mayor of our town, and no attention is paid to it, what is the next thing to be done?

A CITIZEN.
This is a hard question for us to answer. It should be answered, however, not by us, but by the citizens of the town; and if indecency is allowed by the present town officers, they should be removed and men put in their places who have the interest of the citizens at heart.

—Mr. Cooper stated in the first issue of the Sampson Democrat, that Mr. J. E. Fowler knew no more about finances than a crazy Kansas grasshopper did about the lace curtains that are to hang in the bay windows of the New Jerusalem. It may be humiliating to Mr. Cooper now to learn that this same Mr. Fowler knows enough about State banks to tell when Mr. Cooper is misrepresenting the thing, and we are told that Mr. Cooper and his friends are now saying that he didn't mean what he said. Ah, Mr. Cooper, you may learn yet that the modern Solomon of Sampson does not possess all the wisdom.

Notice.
The Life Annual members, of the Sampson County Agricultural Society, and all persons interested in having a County Fair, are respectfully requested to meet at the Courthouse, in Clinton on Saturday, September 24th, at 10 o'clock A. M.

Please Come.
Please come in and pay what you owe THE CAUCASIAN. We need it. What each individual subscriber owes is small in itself, but the aggregate is very large to us. THE CAUCASIAN will be lively this campaign. You should keep up with it.

[Special to THE CAUCASIAN.]
New York, Sept. 17, 1892.

EDITOR CAUCASIAN: Many sensational reports are afloat, causing friends of visitors here much alarm. To those who are not acquainted with the facts in the case, relying on magnified and exaggerated reports, I will say that there is no cause for alarm. There is no danger to temperate, cleanly persons. The German physicians at Hamburg say the epidemic is found among the uncleanly.
Yours Truly,

THEIR TICKET A GOOD ONE.

COLUMBUS, N. C., Sept. 16th, 1892.
Mr. Editor—Will you be so kind to allow a voluntary from Columbus county to speak through your telephone that carries the messenger of truth and justice to the many workers in the great reform movement? As we have no paper published in Columbus in the interest of the people, we have adopted THE CAUCASIAN for our standard bearer through this campaign, and so long as it advocates truth and justice and equal rights to all and special privileges to none. Let every one in favor of reform subscribe for THE CAUCASIAN, and help hold up the banner of the People's party, and on the 8th of November victory will crown our efforts.

The People's party convention of the tenth Senatorial District met at Hub, this county, to-day (the 15th) and completed our county ticket by nominating C. C. Porter, of Hub, and Anguish Shaw, of Maxton, to represent the people of Columbus and Robeson in the next Senate. Both were nominated by acclamation. There never was a more harmonious convention held in Columbus county. There was about five hundred persons present. Only three Democrats could be found on the place. Both Columbus and Robeson counties were fully represented. There was the best of testimony from all parts of the counties to the character and ability of the two gentlemen. Old soldiers that fought with them all through the late war testified to their ability and honesty. We are now ready to compare our county ticket with any party in this county, or any in the State. Nothing can hinder us from getting there when we have grand men to advocate our grand principles. The most prominent Republicans in this county say they will canvass the county against the Republican ticket in favor of the People's party if necessary. We all know that ticket is a Republican child, but its father is a Democrat that is trying to dodge truth and justice.
G. B. C.
