ing close under the heaviest leaved was given by a group of naked boys bathing in the river, their brown bodies glistening in the sunlight with a copperv luster. But even these were in keeping with the scene, for they splashed and dived in queer silence, unlike white lads, who would have made the canyon ring with shricks and yells.

Gilbert was under the spell of the day, feeling an indolence and lassitude and : nuiet content stealing over him until his enses were lulled into a dreamy repose. He felt the delicious languor of enforced idleness, just tinged with enough of the consciousness of the waste of precious time to add a zest to its charm, as it always does to the naturally busy man. A passing breath of wind swayed the grasses and danced across the little river, rippling its silver blue satin, bringruffling gently the plumage of the solemn sentrylike cranes. Out from the shore a dozen turtles were basking on to pay 50 ets each to get into the the rocks, their heads held erect in a closed, and their whole bearing evincing that they were being soaked in rich, golden sunshine.

On a flat stone not a rod away was coiled a huge rattlesnake, his oily skin shining with black and vellow glossiness. Gilbert drew his revolver, and resting it over his left hand aimed at the ugly flat head and glittering eyes and fired. The report was followed by of Shoes. Cloths, &c., to show you. turtles slipped with a sudden alacrity rived by patronizing the Agency. into the water, the cranes flapped their wings as though about to fly, but the distinguished Lecturer. It will and South Carolina. W thought better of it and walked ab with grave concern, and the snake lay wriggling and twisting at the foot or the stone in a death agony. Gilbert looked around and saw Kulcan, with Lela in his arms, pale and trembling and her blue eyes resting on him in ter ror. Kulcan, too, was trembling, for neither of them had seen his weapon nor knew what caused the echoes which were still rolling along the canyon and causing the people in the sleepy city to rush out of their houses and ask one another the meaning of the thunderout

on his lips, and Kulcan, reassured, placed this couple was on the public road the courts have a right to his sister upon a grassy mound, where near the residence of his parents the sufficency of the cause she sat panting for several moments. and mysteriously disapeared. It was

startingly near. The birds were all doz- would hold her in its golden frame and bordor. The sch every hour be one of joy unspeakable. branches, and the only life in the scene He saw her sweet face in the darkness, dered last night with its luminous eyes looking into his Ohio. with unspeakable tenderness and devoors were drowned tion, and he seemed to feel again the three sailors pressure of her hand upon his own and her kines upon his lips until he fell Gay, of the Pelican, and asleep and dreamed of her the whole hurt. The tng night through. the dredge Continental
