It seems that the Democratic party, displays of the household county, State and National, has dome for live stock; liberal premias and is doing, all in its power to remove every obstacle, so that the People's party will have little trouble n making a sweeping victory at the next election. The frauds committed in the county elections were disgusting; while the action of the Legislature in regard to the Alliance charter was humilliating, and Congress doing the opposite from what was expected, all taken together is driving people out of the Democratic party into the Peoples party, I, myself be- p. m., Sunday August 20th.
