THE NEGROES AND BOSSES OF VIRGINIA In another column will be found an address which the colored leaders of Virginia, have issued to the colored voters of that State. The address endorses Cleveland, and calls upon the negroes to vote the Democratic ticket. Democratic manipulation is of course behind this. As We stated last week, the chairman of the Democratic executive committee, and the negro leaders of that State have been caucusing secretly tor weeks; this shows how scared the Democrats of Virginia are, and how little political principle they have. We suppose they will follow the example of Simmons and the machine in this State. What negro votes they can't get, they will disthat the large negro counties of that State, have gone like Halifax county did in this State. There is one sentence in the address to which we wish to call your attention, it says that the Populist cannot carry the State, therefore they (the negro) vote for mapped out a line of policy which the party that can. It is evident to will be prosecuted at once, as soon as the most ordinary mind, that if a it is apparent to the people that conmajority of the people of Virginia gress will do nothing adequate for were not allready in the Populist their relief.
