WATCH FOR THE BLUE CROSS

A blue cross opposite your name means that your subscription will expire before the end of the month; and if you desire the paper go to you any longer you must send in your renewal by that time. The low price of the paper makes it JUST OUT OF THE QUESTION to send it longer than it is paid for. Be governed accordingly.

INDEX TO NEW ADVERTISEMENTS.

H. L. Grant—Brick and Horse for sale.

Spicer's Drug Store — Specific Remedies.

R. E. Jones—A Good Manager wanted.

☞We wish to request our readers when writing to any of the above companies to say that you saw the advertisement in THE CAUCASIAN.

The price of cotton has not advanced as yet, but of course, we are looking for it. A good article is selling for 7½ cents to-day.

We are having heavy frosts now and if the cold wave extends South we may expect to see yellow fever pull up and seek a warmer clime. A few such nights as last night will move it.

Mr. Thompson, from Alleghaney county, N. C., brought in a car load 26 head of fine mountain beef cattle, on Tuesday. They were fine, some of them would weigh 700 or 800 hundred. Mr. H. J. Ham bought all but six of them, those were large steers and we learn that Messrs. Street & Hyman will take them, to be used for logging their Door Mills.

The city authorities are putting in a clock at the post office for the police to punch and parties living at a distance from the post office will have to be on guard or thieves will get in their work; you know a policeman can't watch everything at once, and the clock will be of the most importance. We sugget that they put in a stove also. It will be too hard to keep the boys there in the cold.

Hiram Grant, son of our townsman Maj. H. L. Grant, a student in the Divinity department of the Chicago University, has been awarded the Van Huran Scholarship. This is given under the direction of the Faculty to the one who has completed one year's residence, and who is a college graduate, in good health, of true piety and who has given more than ordinary promise of usefulness.

Dr. Hyatt performed a very difficult surgical operation on Mrs. Amos Phillips, of this county, about five weeks ago, removing a twenty pound fibroid tumor from her abdomen. She returned home last Monday perfectly cured. Dr. Hyatt probably has the largest surgical practice in the State, and his practice is constantly increasing. He has a nicely equipped sanatorium for the treatment of diseases of the eye and general surgery. It is the only institution of the kind in the State.—Kinston (N. C.) Free Press.

SPICER'S DRUG STORE.

We can't be well all the time. The best regulated families are bound to have medicines to assist nature when aches, pains and diseases come. Then go to Spicer's Drug Store at Goldsboro, N. C. See their advertisement in this issue. Give them your patronage.

WHAT CAPT. ASHE IS SAD ABOUT.

The editor of the News and Observer is in terrible distress because the patched up silver compromise was not accepted by Cleveland. He says referring to Mr. Cleveland's policy and the action of congress:

"The fundamental idea of the Chicago platform in regard to the currency, is ignored and no serious attempt is made to carry it into effect."

Then winding up with a heart-rending wail he says:

"We truly lament the predicament we (the party) are in."

The distressed editor is not lamenting the condition of the people, it is the condition of the party only. If a compromise could be hatched up that would give the people not only no relief but even make times worse, he would probably rejoice if it would furnish "a chance" to use demagoguery to fool the people with in the next campaign. Men like the editor of the News and Observer are only sad when it looks like their political machine may get smashed by the people. Why? Because the machine is the grist that gives them meal. The ass knoweth his master's crib.

MARION BUTLER'S APPOINTMENTS.

Will speak at the following times and places:

Monroe,	Nov.	10th.
Enfield, N. C.,	"	9th.
Lumberton,	"	11th.

Marshal MacMahon, the great French General and President of the Republic, died last week.

☞Nearly every man who has advertised in THE CAUCASIAN has taken the trouble to assure us that he was highly satisfied with the results.

OUR TRIP TO VIRGINIA.

We spent part of last week and week before in Virginia assisting the Populist in their campaign there. We found a general revolt among the masses of the people against Mr. Cleveland's administration, and therefore against Mr. O'Ferrell, who represents Mr. Cleveland's policy. With good organization and a fair honest vote, the Populist will carry every county that we went into. We of course can't speak for the condition of counties in other parts of the State. The fight in the old dominion this year is between the Democrats and the Populist; the Republicans have no ticket in the field. From the best that we can judge the majority of the white Republicans will vote the Populist ticket. The Democrats, however, are making a desperate effort to secure the negro vote. In one county that we were in (Halifax) we were told that the Democratic politicians had a negro school teacher or preacher, hired going around over the county and advising the colored people to sell their votes to the man who would pay them the most money. White politicians were going around behind the negro, we are informed, offering to buy. Of course this is done largely for effect, for the Democratic machine has laid a plan to steal the negro votes, or rather count it for their ticket, and they will make a big demonstration about getting the negro votes, so as to cover their tracks when they stuff the ballot box. The election law in Virginia requires that the judges of an election (at least one of the judges) shall belong to a different political party from the others. Now since the Republicans have no ticket in the field of course the only honest fair thing for the machine to do, is to appoint a Populist on the board of judges of elections. But instead of this, they have appointed a Republican on the board and no Populist, just as they did in North Carolina last year. These Republican judges were frequently ignorant negroes, who can either be fooled on the day of election or easily influenced not to report or protest against fraud. Honest men who want to hold an honest election would never resort to such methods as this. How can people expect honest laws from men who are trying to get into power by such dishonest methods. We fear that the machine in Virginia will not give the people anything like a fair vote. But we are not discouraged, for we believe Providence is behind this reform movement, and that indignation there will follow these corrupt methods as it did in North Carolina, and so arouse honest voters of the State that they will never again submit to it.

HILL A GOLD-BUG TOO.

When Senator Hill a few weeks ago made his already famous speech on the silver question, we wrote an editorial and told the people to watch him. He made one of the best arguments we have seen for free silver and even declared that he was for free coinage at a ratio of 15 to 1, but closed his speech by saying that he would vote for the unconditional repeal. We then said that he was a gold-bug and was posing as a friend of silver in order to give it all the deadlier blow. He is now showing his hand. He is trying to apply the cloture rule to the Senate in the interest of the gold-bugs. He is making such a strong fight for the gold-bugs that President Cleveland has forgotten their enmity and speaks well of him. The Cleveland gold-bug organs are all now praising Hill. If Hill had been elected President he would have stood just where Cleveland stands on the present question. No patriot South or West can ever again trust any Eastern or Northern Democrat. They are just like the Republican leaders—all belong to the gold trust and monopolies.

DID SECRETARY BARNES SEND THE RESOLUTION?

In last week's issue we called attention to Senator Vance's statement in his speech at Raleigh that he had not heard a word from the farmers in North Carolina as to their wishes to the financial question. We also called attention to the fact that he was instructed on the financial issue by the legislature of '91, which was a farmers legislature. In addition to that the Farmers Alliance of North Carolina in session at Greensboro last August passed a series of resolutions with reference to the financial question then before congress, and still before it, addressed to Senators Vance & Ransom, and the representatives in congress. It was the duty of Bro. Barnes the State Secretary to forward copy of these resolutions. Now we take these means of asking him if he did so. We await his answer before making further comments.

Czar Reed making a speech in Boston last Friday said: "Cleveland has conquered the Democratic party." He would have been more exact if he had said: "That Cleveland by the use of patronage, and Wall street by the use of money had made the leaders of the Democratic party surrender to the gold-bugs and the monopolists." It is a cowardly surrender of the principles of Jefferson and Jackson and a betrayal of the interests of the people. A day of retribution is coming. The people have not lost their manhood.

ENFIELD, THURSDAY, NOV. 9TH.

Note the change in the appointment at Enfield, N. C. It will be Thursday, Nov. 9th, instead of the 16th. Marion Butler and others will speak on the issues of the day.

A HOPEFUL SIGN.

THE CAUCASIAN is going to more than a thousand voters who have not subscribed, but some friend and reform worker has raised the money and paid for the papers. Several months ago a number of these papers, when sent, were returned. But for the last two months not a single paper has been returned. This is a good sign. It shows that blind partisan prejudice is giving way to reason and a desire for more light. Keep the good work up. Raise the money and have the paper sent to every man in your section who does not read it. Now is the time to work. Every honest voter is now ready to read. He is already thinking, but he needs to know the facts.

STEALING HAS STOPPED.

When there was so much stealing going on through the mails we asked our friends not to send money, stamps or postal note in ordinary letters. This has put our friends to some trouble, but we thought it best to follow that course. We got the government to put a detective out. The stealing has stopped. It has now been several months since a letter has been lost. So we think it is now safe to send money or postal notes in small amounts in open letter. When the amount is large buy money order or register your letter. If the amount is over two dollars you can send it at our expense. Don't send stamps except for small amounts and then send ones and twoes only.

TWO KINDS OF MONOPOLY SERVERS.

We have nothing but contempt for editors of the stripe of Sam Ashe and Dr. Kingsbury. They claim to be bimetallists, they claim to be opposed to the unconditional repeal of the Sherman law on principle, but when another cowardly makeshift was offered that was further from free silver than the Sherman law they at once said that it was a good thing and that "we must all agree in the interests of party harmony." "Party harmony" is the dodge that is always used by the politicians when they are sacrificing the interests of the people and wish to conceal the fact. The men who suck the public tit are too often ready to agree to anything that will help them to hold on to the tit.

We have a great deal more respect for a man like Joe Calwell, the editor of the Charlotte Observer. He is a gold bug and a champion of monopolies and he does not try to conceal the fact. He was for unconditional repeal, and even a cloture gag rule to get it and did not hesitate to say so. He is even for the issue of bonds, if President Cleveland and the gold bugs want them. He is a partisan tool for the administration and the machine and boldly says so. We know he is wrong and he knows he is wrong, but we admire his bold and straitforward way of serving his masters.

The Charlotte Observer says that the people are anxiously waiting for congress to repeal the Sherman silver law. Mr. Caldwell, the editor of the Observer, believes nothing of the kind. He knows that seven-tenths of the people of the State are opposed to the unconditional repeal of that measure. The boards of trade who are simply the echoes of the bankers, and the politicians who are the tools of the monopolies and their few partisan followers left are all who are for the gold-bug policy of the President. If the Observer does not know this now, will not stay in ignorance any longer than the next election in North Carolina.

The one, and only one, free silver Southern Democrat who has come out of the great struggle against the money power with colors flying is Senator Irby of South Carolina. Honest people, everywhere, and independent of political affiliations must admire his courage and nerve, his honesty and convictions. It is an illustrious exception and the young farmer Senator from South Carolina commands the respect, admiration and confidence of the honest yeomanry of the land. Hurrah for Irby!

Senator Ransom is spoken of as a possible successor of the late Judge Hugh L. Bond. The Senator will no doubt take the place if he can get it, for the next legislature of North Carolina will not elect a gold bug to the U. S. Senate.

Senator Vance signed that "compromise measure." We can't see why he should have objected to voting for unconditional repeal if he was satisfied with the compromise. There is very little difference between them.

Mr. P. S. Pender of Nash county, writes us that he was at the recent county Alliance of North-hapton and Bertie counties, and that he has also recently been in three other counties, and that everywhere he finds the Alliance and the reform cause growing.

Capt. W. S. Barnes, Secretary of the N. C. Farmers' State Alliance, has sued Mr. J. P. Kerr Post Master of the Asheville and formerly editor of the Citizen for lebel, laying at $5,000, and sues Congressman W. T. Crawford for slander, laying damages at the same amount. Secretary Barnes charges that Mr. Crawford in 1890 signed all the Alliance "demands," including the one for sub-Treasury. This Mr. Crawford denies. In 1892, during the last campaign, the Populist who ran against Mr. Crawford made his chage. Mr. Crawford demanded that the proof be produced, and the Populist later read a card, certified to be a copy of the one which Mr. Crawford had signed. Mr. Crawford demanded that the original be produced, and declared that the card shown was a forgery and a lie, and that Mr. Barnes had forged his name. Mr. Kerr published all this matter, including Mr. Crawford's statement in his paper. Complaint was filled last spring by Mr. Barnes. Mr. Kerr demurred. The demurrer will be argued before Judge Shuford at chambers here day after to-morrow. Bro. Barnes will win his suit, for he has the facts and the law.

The Solid South published at Fayetteville, and The Populist published at Lumberton are two of the latest editions to the list of reform papers in the State. They are local papers, and will look after the interest of the Populist cause in their respective counties. THE CAUCASIAN is glad to see them enter the arena for the rights of the people, and hopes before long to see just such a paper started in every county in North Carolina. In every fight for the people, local talent on the stump and local papers have to bear the brunt of the fight and do the most effective work. A State paper like THE CAUCASIAN can stand on the watch tower and give the general alarm, but every fight is won and every business succeeds by attention to details. This can only be done by thorough organizing at home, backed up by a good local paper.

We are pleased with the work that the friends of Reform are now doing for THE CAUCASIAN. They are urging everybody to subscribe, getting up clubs and raising money and sending the paper to those who can not or will not subscribe. They realize that there is no cheaper and more effective way to get the truth before the people and to carry conviction to the soul of every voter who wants to know the truth and who will act on it, those to put THE CAUCASIAN into their hands. Keep the ball rolling. The people will have justice when they know the truth.

Ex-Senator Edmunds of Vermont, has given an opinion in favor of cloture—that is to put a gag rule on the Senate. And now all the Democratic gold-bug papers are quoting that Republican politician as good authority to guide a Democratic congress. It has for some time been evident to the people that the politicians and monopolists of the two old parties are pulling together against the people.

If you intend buying a piano or organ do not do so hurriedly. You can't afford to buy a poor one, for then you have a great deal of money invested in a worthless piece of property. If you intend buying at some future time write now to Mr. J. S. Lennard, who has an advertisement in this issue, and he will gladly give you information about any make you want to know about. He will gladly do so and charge you nothing for his trouble.

WANTED.

A first-class workman to repair an old political issue which has passed through twenty years of storm and strife. Said issue has greatly shrunk in size since its last active service, and if it can not be inflated it will be worthless. It also needs a fresh coat of paint, a new cover, and will probably have to be entirely remodeled. Must be ready for use by Sept. 1st, 1894. Address,

WM. C. WHITNEY,
Manager Goldbug Combine.

P. S. Democrats and Republicans (if you are the right kind) stand on the same footing with us. (tf.)

Mr. Walter Kelley of Lisbon will teach the school at Mr. Gilead. He will commence at an early date, so we are informed.

Mr. M. J. P.'s letter from Ga was rather interesting if it hadn't dealt quite so much in those gilt edged inducements which the town promoter keeps in stock. It smacks rather much of a "boom" to be sure—not for Sampson county farmers, but for "furners."

In the meantime our farmers are not to be easily lured away from their patrimonial estates by "glittering catch words" from any state or county, in the regions round about.

Messrs. W. D. Spell and Blackman Royal were attacted by a burly negro while returning from Fayetteville on the 26. Two pistol shots were fired, the second finding a lodging place in the shoulder of the mule which they were driving. In his fright, the mule precipitated the riders into a ditch. The negro demanded money or life, but just at that critical moment, assistance came and relieved the awkward situation. The negro made his escape.

Miss Mary King, who recently gave a few weeks vacation for housing crops, &c., resumed her school Monday.

Miss Sallie, the accomplished daughther of Dr Thompson, will commence a private school in Dist. No. 10 next week. She comes highly recommended and we welcome her among us.

Mr. O. F. Herring has some of the best improved stock in this township.

The Masonic funeral at Mr. J. H. Bowden's last Sunday over the remains of Mr. Hatchett was largely attended. There were about fifty Masons in the procession. Rev. Mr. Harper preached from Rev. II-10: "Be thou faithful unto death, and I will give thee a crown of life." A very able sermon.

Estella, infant child of Mr. Jasper and Mrs. Ada Weeks, died last week. This is the second child they have lost in the last year. While Mr. J. H. Bass and his children were off in the field at work a few days ago, a dark complexioned man entered his house and demanded of Mrs. Bass what money they had. Mrs. Bass being sick and in bed at the time, and being very much excited at his threat to kill her, told him where to find it. He went into a trunk and found $70 in a small paper box. He left and threw the box down soon after leaving the house after taking out the money. This makes the second house that has been robbed in this section in one week. Everybody ought to keep their guns well loaded with buckshot and kill the next one that attempts such a thing.

NEWS AND COMMENT.

Hon. Carter Harrison, Mayor of Chicago, was murdered on last Saturday evening. About 8:25 o'clock an unknown man rang the bell and was admitted to the house by the servant. Mayor Harrison was lying on a lounge in the front room, having returned but a short time before from the World's Fair, where he had participated in the municipal exercises of the day. When the stranger was admitted he pushed at once to the front room, fired four shots from a revolver at the Mayor and then fled. Three of the bullets took effect in Mr. Harrison's body and he died in about 10 minutes. The name of the assassin is E. P. Prendergast. He is in jail. He says the Mayor promised him an office, but fooled him. Mr. Harrison was soon to be married to Miss Annie Howard. The engagement was to be announced about a month ago.

Thus far in the year there have been twenty-eight serious railway disasters, whereby 225 persons lost their lives, while over 600 were more or less injured, and although this extraordinary record is said to be due to the largely increased travel consequent upon the World's Fair, at Chicago, an examination of the list will show that considerably more than half the fatalities occurred prior to the opening of the Exposition.

We notice that the second annual meeting of the North Carolina Liquor Dealers Association is called to meet in Charlotte this month. The people will keep their eyes on this organization and see what hand it tries to take in politics. If it attempts to bolster up the Democratic machine in this State, then the people can quit drinking whiskey and freeze them out.

Gov. Carr has appointed Mr. B. F. Aycock, of Wayne county, a Director of the Eastern Colored Insane Asylum, to fill the vacancy caused by the resignation of Dr. N. M. Culbreth, of Whitsville, N. C.

Later—We understand that Mr. Aycock has declined.

Miss Daisy Garland, daughter of Ex-Attorney General Garland, committed suicide in Washington, D. C., by shooting herself through the heart on last Friday. She was 24 years old and had been suffering with melancholy for some time.

Judge Bond, Judge of the U. S. Circuit Court, died in Baltimore last week from heart failure. He decided the famous South Carolina Knklux cases, also the complexion of the electorial vote of that State in 1876.

Dr. J. C. Price, the colored orator, died last Wednesday. He was probably the most gifted colored orator in the world.

THE ROBBER TARIFF.

On November 1st, the Democratic party had been in power thirty-four weeks. During that time (according to ante-election statements) the "culminating atrocity" has robbed us of just $456,769,226. This must be charged up to them as they are in complete control and could, ere this, have wiped out every vestige of the "McKinley monstrosity." We propose to keep tab on this weekly, adding $13,461,538. Just watch how it grows and show the result to your democratic neighbor.—Dakota Ruralist. (tf.)

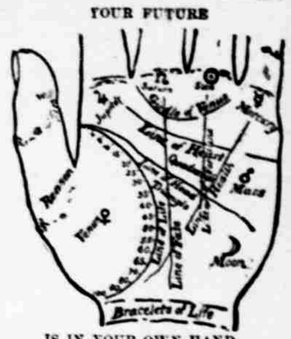
YOUR FUTURE



IS IN YOUR OWN HAND.
Palmistry assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well-marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE, fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, so attractively presented that every member of the family is entertained. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse if crooked. A well-defined LINE OF HEALTH spares you doctors' bills; so will the health hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency if you leave the GIRDLE OF VENUS well marked; keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x21½ inches, "I'm a Daisy!" which is a real baby, and equal to the original oil painting which cost $300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter. You will keep you posted on all the topics of the day, and all the fads, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only $2.00, and you will really get over $25.00 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine send for a specimen copy.
