THE DEMOCRATIC REMEDY.

Thursday a silver bill to take the party club organized, which you say tions. Both Powderly and Compers place of the Sherman "cowardly makeshift." It is a more cowardly makeshift than the Sherman bill. The g eatest objection to the Sher- Rockingham county deserves the Capital always comes out on top, and tariff. And this is reform! man law was that it degraded silver credit of "firing the first shot." We besides the laborers put themselves by making it a commodity, by meas- organized a l'eople's party club with in the wrong. If the people are ever uring it by gold-by purchasing it like produce. The Voorhees bill does the same thing after the seignorage is comed. The Sherman bill put \$4,000,000 a month in circula-\$2,000,000 a month. It also provides for retiring all greenbacks, bank notes and gold coins under \$10.00. What this is for, we would like to know. The bill also calls for another goldbug inter-national conference to consult with England and other countries about what kind of money we shall have. If the bill were a law the country would be in worse fix than it was under the Sherman law. Shame on the party that will thus trifle with the people and betray their interests!

GEORGIA passed a resolution in favor of free English farmer had to compete with coinage of silver and income tax, etc. the "pauper labor" of America. This Is this done honestly, or is it done to sounds strange. It will take the manufacture campaign buncomb wealth producers of England about for next year? If Georgia Demo- as long as it will take the wealth crats who say they are in favor of producers of America to learn that this policy will pledge themselves the gold trust of England and Amernot to go to a gold bug National ica is the cause for hard times in convention and vote for such a par- both countries. That English meetty, then we will have some confidence ing of farmers must have been run in their profession.
