the chairman of the Democratic State committee is rewarded by a Democratic administration and Democratic Senator for the methods used by him in the last campaign to elect the Democratic ticket in this State And political infamy knows no parallel to the conduct of a high judicial officer of the State who conspires to rob the ignorant elector out of his right to vote. If the decision of the highest court of the State affecting the great, constitutional right of suffrage can be suppressed and used as a basis for secret political information, with impunity, then all rality in public affairs is but "a sounding brass and tinkling cymbal." And exactly that very thing has happened, but a partisan, (? unscrupulous press has suppressed the facts and the people who obtain their information through that source, are ignorant of it. It has been published and not denied that under the ruling of the State Supreme court in the case of Harris vs. Sbarborough, thousands of Republican and Populist voters were not allowed to vote on account of insufficient registration.
