are the "Pair of April Fools."

DEAR CHILEREN:

## A Pair of April Fools

I'll bet five cents you get fooled of roses to him at that momentbefore the day is over !"

Ted Barton grinned provokingly said Nan, gently, "I shall love you When we Europeans travel, we alight across the table at his pretty sister just the same. I have tried to be at a hotel, because it is impossible that Nan, who had just laughingly made both mother and sister to you since we should have a pitchine place of our her boast that no one would be able dear mamma died, and I shall still own in each town we visit, or friends to take her in with any first of April try to." jokes.

At Ted's exclamation she only re- ten int ) Ted's throat again. plied, lightly, "Nonsense, Ted! It "Are you not the least bit glad would take a smarter boy than you for me, Teddy, when I am so happy?" are to fool me." Then she went out Asked Nan, softly. to help her father on with his over- Ted made a dive for the pretty us.

and snickered softly, and when the discolored spot was left on Nan's aforesaid trim little tigore had van- daily glove where a big saft bears a place in the fashionable world. ted a hornpipe, and then holding his sad. think he would feel it so deeply."

in his mischievous eves. Two hours later Nan answered Ted sushed pell mell down the pastimes are organized. her dark eyes grew luminous with quarter of an hour then, and for the joy. As soon as she had finished first time in his life it occurred to reading her letter she ran out of the him that boys were really a superlibrary and up to her own room. fluous element in creation.

Ted was twelve years old, but as soon as Nan had left the room he immediately proceeded to stand upon his head and flourish his naughty heels high in the air.

Nan sat in her room, her sweet We are glad to see that your letface still flushed, and her heart ters are improving each week. We swelling with joy. Presently she start an interesting story for you gluttons. raised the letter to her lips and this week. See in next issue who pressed a quick, shy kiss upon it and then opened and and read it again. What she read was as follows:

"Miss Nan Barton: you love me enough to become my the paper. Let everyone go to work cakes and preserves.

"Yours in hope, 'Jack Akers." Tears of humanity and joy stood in Nan's soft brown eyes. Jack Akers—the talented young journalist and author-loved her! She had almost dared to hope, sometimes, that he was not entirely indifferent to her and she--why! did not her fooish, tender little heart beat in a most unruly manner whenever she was in My first is in church but not in Jack Akers' presence? Nevertheless My second is in preacher but not in though handsome Jack Akers had My third is in hair but not in head, frequently beer at her father's house, My fourth is in grave but not in and had seemed to find her company very pleasant, he had never spoken a My whole you will find to be a letter word to her that anyone might not have heard,—and yet he had loved her all the time!

Nan read the letter over. It was a beautiful thing to her. What if the handwriting was a little scratchy? That was because Jack was the penmanship of literary people ask where they all are? was proverbially bad.

She was very happy all day; and Gil? I never hear anything from when Ted asked her slyly who her them these hard times. Write again: letter was from, she laid her hand your letters are very interesting. with more than usual gentleness | Success to The Caucasian. upon his curly head, and said, brightly,

"Never mind, Teddy dear. Perhaps I will tell you by and by." It was strange, but someway the

pressure of that soft little hand hurt Ted, and an odd lump rose in his throat. Yes, it was certainly queer. but all at once he found it impossible to look into Nan's happy face The answer to Julia Edgerton's hotel. and his eyes sought the floor, while charade is "Populist." as Nan passed on and ran lightly up Washr Martha. the stairs he gazed after her remorse-

Ted was begining to find out that "the way of the transgressor is hard," Anyway, he would put off the evil to get seared. - | Good News. hour until night, and then when she came to kiss him good-night, as she had always done since their mother died, three years before, he would make a clean breast of it. So, satisfying his conscience, he rushed off to spend the afternoon with his chum, and forgot all about it.

When he came home at four o'clock Nan sat with her wraps on, warming her feet before the library fire.

"Hillo, Nan! Where've you been?" Was Ted's first greet-

"I just ran down street to post a letter, dear;" returned Nan, absently, gazing dreamily into the fire.

The intelligence acted like an electric shock upon Ted. For an instant he gazed at her pretty profile in great consternation; then he came up to her and said, in a somewhat be restored, our own exclusive treatment will afford a cure. strained voice,

"Nan, you never answered that letter you got this morning so soon CATARRN, and diseases of the Skin, Blood

"Why, Teddy, you don't think it was to soon, do you?" Asked Nan, anxiously, wondering how Ted had guessed her secret.

"Well," mumbled Ted, incoherently, "seems sort of sudden,—same we have cured cases of Chronic Diseases that day, you know." We have cured cases of Chronic Diseases that have failed to get care lat the hands of other specialists and medical rasiltation." What do you

"I can't help it now," murmured Nan, in a slightly troubled voice, Beware of free and class treatments. We give "and, Teddy dear, I may as well tell you that it was from Mr. Akers, and in it he asked me to be his wife." Such a beatified look as Nan's face Such a beatified look as Nan's face wore. But Ted's face was scarlet;

Nan thought he was going to Address or call on

go out to dinner and wanted some hot water to shave with. Having rung three times and received no answer, I grew impatient and opened the door in the hope of seeing some servant who would be obliging enough to fetch me the water in question. A chambermaid was passing my door.

"Could you please get me some hot water?" I said.

"What do you say?" was the reply, accompanied by a frown and a look of contempt.

"Would you be so good as to get me some hot water?" I timidly repeated.

"What do you think I am? Haven't you a bell in your room?" said the harpy.

I withdrew into my room in fear and tremoling and shaved with cold water that day.

XL—VALUE OF THE DOLLAR.

"Ke say Cure we speak from knowledge of results in analy thousand cases treated and cured in the past lifteen years.

Our method of introducing Prof. HARRIS' SGLUBLE MEDICATED PASTILLE treatment is one which convered itself to all sensible persons—for the reason that we supply it may of expense beyond a postal card and a two cent postage stamp is asked. The postal card for use in sending us their fail address and the postage stamp for the letter returning the statement of their case for which we supply them with question blank, to be filled out, and a self-addressed envelope for use in returning it when filed

Treatment causes no pain or inconvenience and does not prevent attention to business.

We leave the matter of sending orders entirely with those using the free trial treatment. Having satisfied those sending for trial packages of our ability to benefit them we feel that they are more largely interested than ourselves in continuing the use of the Pastilles. We make the prices as low as possible, and the same to all. They are as follows. \$2.00 for one mount; \$5.00 for the manural of the same to all. weakened prematurely in approaching old age.

About 10 or 11 o'clock you club may make its own rules and "I don't know," said Minor. instruction, as we have done the trick "Who does know? time and again before; and if we egulations. "Well, Drake, possibly, or else be hadn't, who in the bloody Fifty-first Sixth, As soon as a club is organwesn't know anything. He's been is there to teach us? Certainly not old the great hotels are negroes. You are following blank and send at once to ized the Secretary should fill out the trying to get Cram to dress his battery served slowly, but with intelligence and Marion Butler, Goldsboro, N. C. "Why, yes, confound it! he's a mile and Cram started out that loveliest of ahead of the line," said the colonel, lovely spring mornings not entirely in-PEOPLE'S PARTY CLUB. and off he trotted to expostulate with nasty trick! I never thought she when some train-robbers started to Those good negroes have such cheer- County.... nocent of the conviction that he and the batteryman. "Capt. Cram, 182" his fellows were going to have some there room for your battery back of fun out of the thing before they got through with it. Not that he purposed the line instead of in front of it?" inquired the chief, in tone both aggrieved

putting any hitch or impediment in the way. He meant to do just exactly as he was bid; and so, when adjutant's fully. "Just countermarched there." call had sounded and the blue lines of the infantry were well out on the field. he followed in glittering column of moving back at once, sir; you're delaypieces, his satin-coated horses dancing in sheer exuberance of spirits and his red-crested cannoneers sitting with dress to the right." folded arms, erect and statuesque. have dressed twice, so it's all right," upon the ammunition-chests. Mrs. Cram, in her pretty basket phaeton, responded Cram, as affably as though with Mrs. Lawrence, of the infantry, and he had no other aim in life than to several of the ladies of the garrison in gratify the whims of his post comambulances or afoot, had taken station mander. negro of 16 or 18 takes your hat and puts postoffice address of the President Then it became apparent that old it on a hat rack. I have seen hundreds and Secretary. I will send a com- Brax purposed to figure as the reviewright by a da-good deal! Here you are 'way out on line with Maj. Minor, ing officer and had delegated Maj. dressed on our rank at all, sir. Just Minor to command the troops. Now. look at it." Minor had been on mustering and disbursing duty most of the war, had saber he had lowered in salute, calmly never figured in a review with artillery before, and knew no more reversed so as to face his battery, and, with preternatural gravity of mien, about battery tactics than Cram did looked along his front. There midway of diplomacy. Mounted on a sedate between his lead drivers sat Mr. Doyle, old sorrel, borrowed from the quarterhis face well-nigh as red as his plume, master for the occasion, with an antiquated, brass-bound Jenifer saddle, his bleary eyes nearly popping out of his skull in his effort to repress the minus breast-strap and housings of emotions excited by this colloquy any kind, but equipped with his better half's brown leather bridle, Minor There midway between the lead drivers in the left section sat Mr. Ferry, gazing knew perfectly well he was only a guy, straight to the front over the erected and felt indignant at Brax for putting him in so false a plight. He took his ears of his handsome bay and doing his very best to keep a solemn face, though station, however, in front of the the unshaded corners of his boyish regimental colors, without stopping to think where the center of the line mouth were twitching with mischief and merriment. There, silent, discimight be after the battery came, and plined and rigid, sat the sergeants, there awaited further developments. Cram kept nobody waiting, however; drivers and cannoneers of famous old Light Battery "X," all agog with inhis leading team was close at the terest in the proceedings and all looknimble heels of Capt. Lawrence's company as it marched gayly forth to the ing as though they had never heard a music of the band. He formed sections at the trot the instant the ground was clear, then wheeled into line, passed well to the rear of the prolongation of the infantry rank, and by a beautiful countermarch came up to the front

"I declare, sir," said Cram, with exasperating civility, "I can see nothing out of the way. Will you kindly indicate what is amiss?" (TO BE CONTINUED.) PENCE
