THE TWO OLD PARTIES AGREE.

The Alabama Democratic State convention has initiated the campaign of duplicity and deception, or again. it has denuded the Democratic party of its diaphanous disguise as a free coinage party. Oates, an avowed administration Democrat, was nominated for governor. In the face of an overwhelmuing free silver sentiment in Alabama, he defiantly voted to repeal the Sherman law. There is no question about his position. Following his nomination the convention comes to the people. adopted the following resolution:

"While there are differences of age of silver, when it can be done to use, consistently with the maintenance of a sound and safe currency."

The Human Electrical Forces!

How They Control the Organs of the Body.

The electrical force of the human body, as

nerve fluid may be termed, is an espeally attractive department of science, as it

verts so marked an influence on the health

f the organs of the body. Nerve force is
rodu ed by the brain and conveyed by
teams of the nerves to the various organs of
the hody, thus supplying the latter with the
itality necessary to inure their health. The is the pneumogastric, it is the pneumogastric, it is the numerous litter tranches supply the art, lungs and stombustic. When the brain comes in any way disdered by irritability exhaustion, the nerve which it supplies lessened and the or-

minished supply are consequently weakened.

Physicians generally fall to recognize the importance of this fact, but treat the organitself instead of the cause of the trouble the noted specialist, Franklin Miles, M. D., L. B., has given the greater part of his life to the study of this subject, and the principal discoveries concerning it are due to his efforts. Dr. Miles' Restorative Nervine, the unrivated brain and nerve food, is prepared on the orinciple that all nervous and many other difficulties originate from disorders of the merve centers. Its wonderful success in curing these disorders is testified to by thousands in
