the Republican Party.

There Can Be No Prosperity Without Due Increase In the Quantity of Money. Both Old Parties Piedged by Their Leaders to a Partnership With European Money Lords-Only Through the Formation and Success of a Third Party Can Any Great Reform Be Accomplished.

WASHINGTON, Aug. 29, 1894. Hon. Enoch Strother, Chairman Republican State Central Committee of Nevada:

DEAR SIR-Having become firmly convinced that the Republican party organi tation is unalterably opposed to the free solnage of silver at the American ratio of the nature of the case subordinate to the 16 to 1, or at all, except with the consent great and farreaching question of the of foreign governments and at a ratio to money supply. In this conviction I be I have not arrived at this conclusion one of the principles for whose prior sup hoped was a growing disposition on the port in the senate I was for the fourth | part of the Republican party to finall "The money question is the first regular camp meeting style. Our of the conviction that in the absence of a crimination at the long established Amer monetary system that will admit of the lican ratio quantity of money constantly keeping pace | Responsibility For Industrial Dry Kot and with demand it is vain to expect progress. In this age industrial achievement is by

aggregations of laborers. It is the age of furnaces and factories without number. These depend for vigor, and especially for unbroken continuity of operation, upon an institution unknown to former periods

that act, I am concerned only with th share taken in its passage by the party to probably the largest gathering ever at the National hotel early in April the success of whose policies I have de voted the best years of my ide. The Republican representatives in both houses of congress constituted the strength of the repealing party, both in numbers and in ed the "ball" by pointing out the phis, Tennessee, and myself. Senaintellectual force. Without a majority of democratic promises that had not for Vickers said he had information the Republican votes to aid the Democratic been fulfilled and the many pledges that satisfied him that Abott would administration there was never one mo-ment when the bill could have been passed For me, in my long maintained and solar ing political affiliations, the position thus his reply Dr. Thompson said that, ed if possible. That was the opinassumed by the Republican party is grievous change, and, so far as 1 am concerned, brings us to the parting of the ways. To my profound regret, I can no longer be of the household of the party which brought frondom to the slave and preserved the union of the states. The great party which could unflinchingly face the slave power does not dare attack the and that an attempt had been made of the Liberal movement and the money power. After the fatal error of 1873 the Repub lican party, by the passage of the act of 1878, took a step in the direction of repara tion for the wrong it had committee against the producing masses of the country. In 1890 it took another step in the same direction-a step which, owing t the defective execution of the act of 1878 was an advance upon that law. But by the passage of the act of 1893 all the hopes tion" of five hundred dollars but he straight Republican. Clayton had born of the two former acts have been scattered to the winds. Having always deemed the demonstraing law of 1873 to have been enacted in igno rance of the baleful effects which it would have upon the prosperity of the country, have been disposd rather to award to th Republican party all proper credit for the two successive attempts made in the dire tion of underng that wrong than to met out censure for committing it. I canno secure the approval of my conscience for . similar degree of lenity with regard the enactment of the law of 1893 On the demand of a Democratic pres dent the Republican party repealed th most important-in fact, the only impo tant-feature of an act passed by the own votes exclusively and approved by president of their own election. At th dictation of an administration adverse and engorging power of an ever increasing them we see them deliberately abando themselves done in this regard for many country back to the point at which it was the interests of the American people, th repealing act of 1893 was, in my opinion less justifiable and involved a greater de gree of moral and political turpitude than more than 1 expected, as he had no of good faith, with the understand that of 1873. In 1870 we had a population of but 38,000,000. We have now 70,000. 900, nearly double.

A Written and Official Statement of Eausom's Estimation of Ransom-"That Damued Farmers Alliance" Rusiness May Freeipitate a Coup de Main in State Folitics-Sanderlin May be a Candidate and Beat Ransom and Jarvis Both.

(Special to The University)

WASHINGTON, D. C. Sept. 13. Ransom's alleged offer of the short term to Jarvis as a settlement of the Senatorial contest recalls to a veteran newspaper man here the circumstances of Ransom's admission to the Senate in 1872. His seat was contested by Abbott on the ground scarcely drag through his hour and that the members of the legislature voting for Ransom being under po-Thompson. He said that he wanted litical disabilities their votes were utillities. It was Abbots claim that the legal vote of the legislature was tained in a minority report submitted by Matt Carpenter, an eminent lawyer. The case was hung up before the election committee, and although the majority report favored Ransom, there was no doubt, apparently, that the contest before the Senate would end in Abbot's favor. Besides the informant, who talked to your correspondent to-day, says there from the looks of the disappointed is only one other living witness to the democrats and the worried counte- story. Emerson Etheridge, of Memnance of Mr. Shaw that the "wed- phis, Tennessee, figured in the arding cake" had sourced on their rangement and he will sustain the stomachs and that Mr. Shaw would statement here given and printed for never attempt another rehearsal of the first time.
