After you have read this letter, if there is still any doubt in your mind we will ask you to read something else. We have just gotten an official statement from Hon. J. H. Turner, the Secretary of the National Peoples Party Committee, and publish it in another column. It is headel "Democratic Hypocrisy Show Up." Turn and read it now. You will see from the facts which Then what a wrong they have per- meet the bills named below, which he quotes from the record that the

Democrats have been "wilder and more crazy" than the Populist Party were. You will see that the sum total of the appropriations called for by Democratic bills is over ten times \$10,000,000,000 as much as the Peoples Party were. You will see that one Democrat. Senator Palmer, introduced one bill that called for a larger oppropriamated to require exceeding 12,000,000,000 tion than all the Peoples Party bills combined. The bill was introduced 1894, and is numbered 1917. It calls for \$35,685,908,904. This is \$3,078,-168,904 more than all the Peoples Party bills combined.

Senator Ransom, Senator Jarvis, and other Democratic speakers who are making such unjust statements about the Peoples Party must be ignorant of these facts. If they knew the facts, surely the most common sense of decency and self respect would force them to stop making such misrepresentations. Is it possible that they know better?
