WE MUST HAVE A DAILY PAPER.

movement for the uplifting of the Wak and Pitt counties. State can be pushed to success unless the ears of the people can be reached.

The truth must be gotten before the people either through speakers or through the press.

A speaker can reach only a small Democratic vote in 1892. portion of the people of a county in one speech, and his speech will be misrepresented by a hostile press to those who did not near him. Therefore to reach all the people through speakers is almost impossible, and if it were, it is too expensive to be Republican vote feasible.

The weekly press is a power for general educational work, but the daily press has a tremendous advantage. To a certain extent the news which the daily press sends out vantage the reform movement has on the above figures says: suffered not having a dai'y paper. "Our popular vote in 1892 was such The daily press suppresses news to a a paralyzer to the politicians that daily press suppresses news nine times out of ten the weeklies never get it and if they do it is stale. The the State by friendly hands.

Even our reform weekly papers can not get reliable news from its proceedings unless it is reported by a
