HOW DEMOCRACY HAS BLESSED US. The Democrats never tire of telling the people how they are blessed by the Democracy. They enlarge upon this theme in their newspapers, on the stump, in private conversation, at all times and in all places.

We are seized today with a benevolent sort of impulse, which moves us to point out, to a grateful people, Somewhat in the same spirit, I felt passed their final reading and were orjust how the Democracy has blessed them, during the last sixteen months,

Cleveland. Within the last past sixteen months the Democratic party borrowed money to the sum of \$162,000,000. The money thus borrowed, was used to "noblest figure that ever stood in the obligations, when redeemed with the Oh, shades of the heroes of Valley out 16 and insert 18 cents for school gold thus borrowed, were not cancelled; but they were reissued; and so, there was added to the public debt of the United States just \$162,-000,000, bearing interest at the rate of five per centum per annum. This \$162,000,000, with the annual interest of \$8,100,000 equals \$170,100,000; and this is the exact amount of the country by the Democrats within the that the generous impulse that actulast sixteen months.

"Yes": says some one, "but how does this affect me?" Let us see. The debt, principal and interest for one year, that the Democrats have put upon us, amounts to just \$2.43 for every man, woman and child in the United States. This means that the Democrats have, within the time upon every person in the United or nervous, its mother whispered in States-upon the aged grandsire, its ear, "Richard will get you." These are some of the blessings that have come to the people from the Democrats! Do you want any all the surplus of his crop to go to more of them? For the people to the landlord. Not a penny would continue to be thus blessed by the be his. But he was happy and was taken up and a large number of Democrats would, in a few years, cheerful.
