

THE CAUCASIAN BUILDING

THE LION SHOWS HIS CLAWS. We elip the following from an editorial in the Philadelphia Record The editor of that paper is Hon. Wm. M. Singlerly, who was the Democratic candidate for Governor of Pennsyl vania at the last election. The editorial is as follows:

Mr. Joseph C. Sibley, of Pennsylvania, shows that he thoroughly understands the political situation so far as the currency i concerned. He predicts that the Democracy will not declare for free silver at 16 to 1, nor name a Presidential ticket of that com-Neither will the Republicans. www. "It will be the same old thing. platforms will be platitudes, and the candi lates will be gold to the core."

If Mr. Sibley's prognostication should prove to be correct, and there is no reason to toubt its fulfillment, the two great parties sickness. Did this glorious! re platforms. The losses of the Democrats to lican losses in the silver States west of the Mississippi, and the outcome would be the election of an advocate of sound money, this glorious' respectable' honest. whether he should be a Democrat or a Re publican-which is the consideration that Democratic Congress dof rises above all considerations of party success. The integrity of the currency must be

only admits that both the Democratic the days on which they had been and Republican parties are opposed absent. But the "law" didn' to the free coinage of silver or any suit the Democratic House of other financial reform, but goes Representatives. They wanted all further and says that it makes but everything. The whole but ness looked like a fraud. A contest was spoken of-just slightly referred to. Mr. Black d'd not want this contest. He was afraid of the investigation. He proposed to Mr. Watson to about these things. try it over again. The proposition "Congressman" on the 4th of March. says: Mr. Watson has already been renominated by the Populists. He has written Mr. Black to unite with him in asking the Governor to call an early election. Mr. Black does not appear to want it too early. He has not yet complied with Mr. Watson's request; though a tacit understanding was that the special election may have made in appropriations for this should be called within thirty days

after March 4th.

THE VERY WORST. It begins to look as though no combination of language can be found to express the selfish degradation to which the last Congress descended. And it was a Demo cratic Congress. Its members, or some of them at least, grabbed an snatched every thing in sight. To begin with, the Democratic House boldly and selfishly violated and ignored Section 40, of the Revised Statutes of the United States. That section is a plain, positive law to the effect that a member of Congress shall not be paid for days he loses unless they are lost because would occupy precisely this same ground in the currency issue in 1896, both as to their candidates for the Presidency and as to their ress regard that law? Not much the Populists would be counterbalanced by The question of withholding pay for lost days came up; and what die
