UNBURDEN AND LIFT UP HUMANITY. to make the conditions of life more telerable and God's goodness more evident to the humblest man for whom ship of this order consists of sterling Christian men and women, it had re-

ceived little encouragement and positive opposition AT THE HANDS OF THE CHURCH in the prosecution of its work. Surely the church does not yet comprehend is mission among men. It stands tolay where it has always stood-on the side human freedom! When its mission is or sin committed in its name? When claim some Stephen was stoned did it never organization of this character, the men that the state of the state, who claim some Stephen was stoned did it never stand by hen that crowd the altar will crowd ato the Alliance also. I thank God

that here and there even now the pul-pit is beginning to realize that WHAT IS A as well as hereafter.

Divine service consists not in pious feelings, long prayers and sanctimonious countenances. You cannot come in contact with the Infinite except through the medium of the finite. You cannot comprehend the Infinite God and Father of us all save in the person of Jesus Christ, nor can you render Him acceptable service save by doing, in a Christly way, service to His children here. Christ is solicitous

FOR OUR TEMPORAL WELFARE, and this is the meaning of that early morning question, when He, standing on the shore, called to those who "had toiled all night and taken nothing," Children, have ye any meat?"— Himself passed the stage of necessity, but mindful still of our physical needs. Pleading for humanity and a fuller

comprehension and practice by the church of the Master's second great law so like unto the first, feeling that to be all-absorbing, and many defini-"the human race is now at one of the crucial periods in its history when the foundations of the great deep are broken up," believing that the church no more shapes civilization than civilization shapes the church, and that the life of Christ, "the one universal character," exemplified in its fulness by the organization which bears His not improbable that about nineteen name, would bless and satisfy the long- hundred years ago his "away-back" ings and needs of men both here and hereafter, I ventured the criticism which seemed to me to be justified by PAST HISTORY AND CURRENT EVENTS. In the course of my remarks I related the story of Abou Ben Adhem, the one thing that Leigh Hunt wrote to live and bless us through the ages. As illustrating the temper of all I said, I desire to quote it here:

"Abou Ben Adhem (may his tribe increase). Awoke one night from a dream of peace, And saw within the moonlight in his room, Making it rich and like a lily in bloom, An angel writing in a book of gold: Exceeding peace had made Ben Adhem bold,

And to the presence in the room he said: which I attered the subject-matter of "What writest thou?" The vision raised its And, with a look made of all sweet accord,

"And is mine one?" said Abou. "Nay, not

It came again, with a great wakening light, love of God had blessed,
