liberty.

CHATT/ NOOGA, Tenn., Sept. 18 .- Gov. Altgeld, of Illinois, created a sensation at the monument dedication, the conclusion of his speech being as follows : Instead of an armed foe that we can meet on the field, there is, today, an enemy that is invisible, but everywhere at work destroying our institusend you twenty-two subscribers. I tions; that enemy is corruption. It

who do not feel that way in the present crisis. Common honesty demands that they shall openly identify them-selves with the Populist party. How many will do it? Very few in my opinion They are talking big now, but see which fork they take when the parting of the ways is reached. I per-fectly understand that the people demand a financial policy that fully re-cognizes ailver and restores the old status, and I believe they now intend

the State ought to know and must know that the free coinage of silver is
