SCHEME HATCHED

ciation at Atlanta Last Week.

PEOPLE'S MONEY.

They Are Not Satisfied With a Gold Standard They West to Burn Up the Greenbacks, Treasury Notes and Silver Certificates More Bonds and the Banks to Control the Money.

The Bankers' Association held a national meeting in Atlanta last meeting was held just before the opening of the next session of Congress. They have been perfecting their plans and methods for controlling the next session of Congress. They are now ready for the next step in their heartless scheme of greed and oppression. These banking agents of the gold trust, whose business it is to make as much money as they can by loans, discounts, and by issuing notes, have hit on what they consider an infallable remedy for the financial ilis the country is suffering

We know how the Cleveland administration has issued \$165,000 000 bonds to purchase gold, which is no sooner in the Treasury vaults than it slips away again. It will be remembered that in 1893 the White House financier, with the confidence born of ignorance, declared that the yellow metal left the Treasury because the government continued chasing.

Cleveland had his way, and the country waited to see whether his prediction would be verified. Alas THE DESTRUCTION OF GREENBACKS prophet! The outflow of gold, in-

The repeal of the silver purchas-It is an insult to intelligence and ing law having failed to keep gold 2. The records of the votes of manliness that such things be, and is in the Treasury, the next step was Democrats in Congress shows that, a strange illustration how far out- to call in Morgan, Rothschild & Co., terms for furnishing gold, which is The upshot of this sort of financiering is that the public debt has been increased, and the banker friends of the administration have gathered in Now this Bankers' Association at

remedy (f), which is another step in the plot of the gold conspiracy to enslave America. It is to pass a law to call in the greenbacks and notes without a qualifying word in its be- of the government, amounting in half, and the sooner the great plain round numbers to \$500 000 000, and people wake up to the fact the bet- ro issue in their stead \$500, 00,000 of With the policy of this Massachu into the pockets of a few thousand

In other words, the annual interest charge is to be increased fifteen "ring" then can control and enforce of supplying the people with currency, which is absolutely necessary for the transaction of business of all kinds. To put it in another way, the people will have to pay every year lifteen million dollars for notes that now cost them nothing. And worse than that, to give the bankers the full power to contract or expand

rogative of issuing money, which no government should part with, will trol the volume of currency to their own advantage. Such is the scheme said to have the hearty approval of of silver in the House, and with its ferring to the platform makers) that Grover Cleveland, who is expected to help it on by recommending to

> echo, heard in the halls of Congress, will frighten the people's representatives into giving their consent to a scheme of financiering which will place the country still further at the mercy of money lenders, who hate the greenback, because it stands between them and usurious profits. Oh, for another Andrew Jackson in the White House to fight this

people's money, and we fear that its

parties are wholly dominated by the hydra-headed monster-this destroyer of a nation's prosperity and lib expectation to get anything else out erty!

The people must elect an honest man and patriot for President, or this government is doomed!

Did the Democrate Promise This? Washington Post.] question. The government is now paying more money directly to the pensioners than at any former period
