## LIVING ISSUES FORWARD.

Many Opinions from All Over The State on Cooperation—None Wanted Except on Principle—No Fusion With Goldbugs or "Half" Goldbugs A Question For Senator Pritchard.

For The Cause Only.  
WOODLAND, N. C., April 10.—I think our county is for free silver, regardless of party. We favor co-operation with the Republicans on principle only.  
W. T. GRIFFIN.

A Question for Senator Pritchard.  
For The Cause Only.  
KERR, N. C., April 4.—Well, more bonds have been issued since I wrote last. Some Democrats say that bond issues do not cause us to pay any more taxes. If the people of the United States do not pay the taxes, who does pay them? We are all pledged with Senator Butler's course in the Senate. He is certainly one of the greatest champions of the people's cause there in the United States.

When I read the Senator's speech it made me proud to think that he was representing North Carolina in the Senate. Butler and Tillman both have the right kind of grit. Keep on, we are with you Senators.  
Some Democrats have the impudence to say that Cleveland is a man honest in his convictions. Any man who will speak thus of Cleveland as an ignoramus as the Democrat we heard of not long since. Some men were talking about the silver question in the Western States. A Populist said that the silver question was first agitated in the West. This smart man of "King Grove's" said that it was not so, for he had been to Mt. Airy, and from there clear to the Blue Ridge, and it was not so there. He said that he did not read, for he had been and seen for himself. This man thought Western North Carolina was the "Western State" and he beat this "King Grove" man's Democratic ignorance! This shows too well how they are led. They are ignorant of the doing of their party, and so they just follow blindly.

Now a word in regard to fusion. We are willing to fuse on terms of principle, and not otherwise. We will vote for no goldbug for any office.  
If Senator Pritchard is on the side of the great, toiling masses, why does he want McKinley for President? The people have been misled in the past. Democrats love their name. They will let principle go and hold to the name. The people should awake to their duty. This is the year in which the great battle for freedom and prosperity is to be fought. Which will win, the masses or the classes?  
Oh, may it be the great toiling masses, the most oppressed people of the land. This may be the last opportunity. Every victory the money power gains, the Rothschild's grip tightens much stronger on this country. There are plenty of people who want the CAUCASIAN, but money is too scarce.  
K. H. DE VANE, JR.

Think We Can Whip Them Single-handed.  
For The Cause Only.  
GREENVILLE, N. C., April 11.—I am a square Populist and I am opposed to free silver at 16 to 1, and I am opposed to any co-operation with any old party that will in any degree destroy the principles on which the People's Party was founded. I think we can whip them single-handed any way. Let us fight like patriots like men. We had rather suffer defeat than to have our principles mingled with old party damnation.  
J. H. COVY.

Can't Lay Our Principles Aside.  
For The Cause Only.  
WILTON, N. C., April 11.—I find a great many persons who would like to have your paper, but times are so hard they cannot pay for it. I endorse the course of Senator Butler on fusion. We can't afford to lay our principles aside for fusion.  
A. E. BOBBITT.

Will Vote Right When The Time Comes.  
For The Cause Only.  
WEEKSVILLE, N. C., April 13.—We have a great many people in this county—Pamlico—who are for the good cause your paper is so nobly battling for, and will vote for the same when election day comes, when we are not able to pay even the small sum of your special offer for the CAUCASIAN. We have never in all our lives been so hard pressed financially. I tell you people are beginning to sweat a little too, and even talk of a needed war; but I tell them the remedy is very simple, and can be administered most successfully and harmoniously, through the ballot box. Democracy, so-called, has nearly leaped the whole lump, and the lump has risen to such proportions it has "busted" the covers and lids of every thing.  
THOS. MEADS.

No Co-operation Except on Principle.  
For The Cause Only.  
SHELBY, N. C., April 13.—I want no co-operation in mine except on principle, and that must be the People's Party principle, for neither of the old parties has any principle at all.  
B. H. HAMRICK.

Redeems What Fountain Said.  
For The Cause Only.  
VAUGHAN, N. C., April 13.—I write to say that I endorse every word Mr. Fountain says in regard to co-operation and everything else, and not only myself, but thousands of others all over the State. If we co-operate let it be on principle and nothing else.  
THOS. B. FLEMING.

A "Gentle" Winder.  
For The Cause Only.  
NEWTON, N. C., April 11.—I have been kicking myself ever since I let my subscription run out. I hear the Demos "cussing" the paper, and I know by that the old CAUCASIAN is a stem winder.  
QUINCE A. SETZER.

Want to Co-operate Against Gold-bugs.  
For The Cause Only.  
FRANKLIN, N. C., April 10.—We, of old Mason, are well pleased

with the paper, and endorse its bold and fearless stand for the right. Those answers of March 19th are all right. With such principles we are sure to win, for the people will be with us.  
We want to co-operate with all the silver forces against the bugs. A straddle bug is, to us, as bad as any. We want to endorse Senator Butler's course in the Senate, and say, so long as the paper and the Senator stand for principle we will be with you.  
T. C. BRYSON.

Talk of Sacrificing Our Principles for Office!  
For The Cause Only.  
CLAY, GRANVILLE CO., April 11.—The Populists of this section are with Butler. We feel proud of and thank God for such a leader.  
No, we will never vote for a half goldbug. I have talked with every Populist in this vicinity, and all say, "no goldbug or half goldbug." I believe if our leaders should try to put us in a position to vote for a half goldbug, there would not be a Pop. in this section who would vote for them. We number two-thirds of the voters in this neighborhood, and I think the other third is for silver.  
Talk about sacrificing our principles for office! We voters are not seeking offices. We have entered the fight for life. We say "give us liberty or give us death." I heard one man say, "give us high tariff and we will have more money." Oh, what fools we mortals be! God bless the CAUCASIAN, its editors, and all honest men who are laboring for reform and an honest government.  
J. B. ELLIOTT.

How to Vote on the Line.  
For The Cause Only.  
SAINT LEWIS, N. C., April 11.—Continue to how to the line of principle, and all will be well, fusion or no fusion.  
J. L. LEWIS.

F. F. Can Win If We Have a Square Fight.  
For The Cause Only.  
KINSTON, N. C., April 10.—I could get a great many subscribers if people had any money. If I were able I would send every man in Lenoir county a copy. Your paper is an educator. All true Populists down here are square in "the middle of the road" of our office seekers. If the People's Party ever expects to accomplish anything, it must stay in the "middle of the road." I left the Republican party four years and burned the bridges behind me. If the People's Party does not win this year, it will be because we cannot have a square fight.  
LEWIS GRADY.

Fuse on Principle, or Try It Alone.  
For The Cause Only.  
EUREKA, N. C., April 12.—The Pops down here endorse the course the CAUCASIAN has taken. We are in favor of fusion if we can fuse for principle, but no other way. We can't fuse on this line, let's try it alone, for a light that sits upon a hill cannot be hid.  
K. C. HINNANT.

Fusion is All Right If Properly Accomplished.  
For The Cause Only.  
NEW LIGHT, WAKE CO., N. C., April 14.—The people in this section are almost a unit on the silver question, and will be satisfied with a fusion of the silver forces in any way that is honorable and just that will not defeat the CLOVEN-FOOTED GOLDBUG DEMOCRACY. Many who have heretofore been such political vampires that they could see nothing good only through their political "bees" are now casting off the galling yoke, and are daily apostrophizing to the People's Party, which is in "the middle of the road, and proclaiming LIBERTY, PEACE and GOOD WILL to all mankind; and "whoever will let him come" and put his shoulder to the wheel and help us roll away the goldbug and bonded oppressions heaped upon the yeomanry of this country by his satanic majesty, Grover, the Great, Sherman & Co.

Now there seems to be a great deal said about fusion. It would be perfectly right, provided it can be done honorably, and not controlled too much by office seekers from the two old parties; for the people will not trust a goldbug office seeker from either of the old parties. It is time for the silver men to unite for one common cause, for the preservation of our liberties and good government, county, State and National.  
Mr. Editor, it is a little soon to advocate the claims of any man for a county office, but the Populists and Republicans of New Light will present and advocate the claims of W. T. Suit before the county convention as a suitable candidate for the next Legislature. He is a good and popular man, and in every way fully competent. He can carry the full party strength, and more. Therefore the good people of New Light will urge his nomination, and help make his election sure, for "united we stand, divided we fall. Let us hold to the motto of, *salus populi suprema lex*."  
H. R. CHAPPELL.

All For Free Silver.  
For The Cause Only.  
GUM NECK, N. C., April 11.—We are all free silver men down here except a few Republican office seekers. We believe Senator Butler will take us through O. K.  
J. L. COOPER.

What the Democratic Party Has Come to.  
For The Cause Only.  
MR. J. H. Harrod, a prominent Arkansas Democratic politician, says:  
"If the Rothschilds writes the platform and the devil is the nominee, I will support the ticket."  
That is Arkansas Democracy. That is what the Democratic party has come to—and a majority of the ministers in this State vote that ticket.

Collecting Portraits.  
State Treasurer Worth is making a collection of portraits of ex-treasurers. Last week Mr. Woodbury Wheeler, of Washington, sent him a fine likeness of Colonel John H. Wheeler, who was Treasurer in 1846. Colonel Wheeler was born in Bertie county in 1806 and died in 1882. The portrait will be placed in the hall of the Treasury Department, where there are already the portraits of General Worth, John M. Worth and Donald W. Bain.

Objective Not Subjective.  
From the (Savannah Journal).  
Mr. Wallace—"Your sister or Alice an obliging girl?"  
Willie—"Obliging ain't no name for it. She's all the time obliging me to do what I don't like."

## SENATOR ALLEN DECLINES.

He Will Not Consent to be the Populist Presidential Nominee.  
OMAHA, Neb., April 7.—Senator W. V. Allen to-day addressed a letter to Gov. Holcomb declining to be a candidate on the Populist ticket for Presidential honors. He explained that others in the party deserved the recognition.  
GOES AGAINST THE DIRECTORS.  
The Noted Case of the Bank of New Hanover Decided by the Supreme Court Last Week.

The Supreme court last week handed down its decision in the noted Bank of New Hanover case. The decision of the lower court, against the directors, is affirmed. The court, by a majority of 5 to 4, decided in favor of the Populists.

This is an action brought by a depositor in the wrecked Bank of New Hanover, which has become insolvent, against the directors personally, to recover the amount on deposit at the time of the bank's suspension.
