A NEW PRINCIPAL

The Blind. The Board of Trustees of the above named institution met on Monday of last week. Its chief work was the election of a new Principal to take the place of Mr. W. J. Young, who has held the position since 1885. Mr. Frederick R. Place, of Jackson, Illinois, is the newly elected officer. He was highly recommended to the Board. Mr. Young was elected Assistant Principal for one year with a salary of \$1,000. The action of the Board has caused some criticism among the friends of Mr. Young. This is natural, but it may be said without prejudice, that the Board of Trustees is intrusted with the management of the Institution, and is composed of good men who may be credited with pursuing the course which seems best to

SECOND CLASS MAIL MATTER.

What is known as the "Loud" bill, which proposed to restrict certain kinds of second class mail matter from passing through the mails, has been before both Houses of Congress. Delegates to the State and district conventions are instructed to vote for no man or delegate to the national convention or for any officer who is not unequivocally and sintered in favor of this financial polary and so averages as himself.

The party that betrays the people to suffer the poverty and distress which now exists, and must continue until there is a change in the financial system and in the administration of our governmental affairs.
