This will be the last number of THE CAUCASIAN to those who subscribed under our ten cent campaign offer.

No matter what was in store for William Jennings Bryan in Tuesday's great struggle, when he closed his canvass Monday night he had written his name in the history of our country as one of the most remarkable men of his day and generation.

Yet he came out of the ordeal comparatively fresh, physically suffering indeed, but with his mental faculties as acute, as alert, and as vigorous as the day he electrified the Chicago convention.

A report comes from New Bern, which gives the information that a meeting of the stockholders of the Atlantic and North Carolina Railroad has been called for next Monday.

Democrats want the earth and everything else thrown in. They are never satisfied. A few well meaning Populists are supporting the Democrats in the State, simply for reasons of their own.

While the News and Observer has labored with great pains to expose the trickery (?) of the Republican and Populist parties in the State election, and most of these are visionary schemes of its own diseased imagination.

Major Guthrie, in his last address to readers as an excuse for publishing his address in Democratic papers, says that the Progressive Farmer and other papers had gone to press for last week before he got his address ready.

The Peoples Party came into existence in North Carolina on the following issues: Free silver, a free ballot, and county government.

Democrats are long and loud for the eradication of party prejudice so long as the radicals in the Democratic and Populist parties vote.

LOOKS LIKE MCKINLEY.

Incomplete Returns Received So Far Indicate a Landslide to the Republican Candidate.

DEMOCRATS STILL HOPEFUL.

Large Republican Plurality in All the Eastern States—Democratic Losses South and West—In Doubtful States Districts Heard From Show Republican Gains—North Carolina Goes for Bryan.

The returns up to the hour of going to press are still incomplete but enough are in to indicate that McKinley's election is beyond doubt.

Little Rock, Ark., Nov. 3.—Five counties completely give Bryan a plurality of 4,300. Returns from over the State indicate a vote carried by 25,000 majority.

Wilmington, Del., Nov. 3.—Returns from this city and all over the State are very slow. Those received from a few precincts in this city show slight Republican leads.

Jacksonville, Fla., Nov. 3.—70 precincts give Bryan 4,752; McKinley, 2,751. Net Democratic loss, as compared with State election of '88, is 15,000.

Jacksonville, Fla., Nov. 3.—Davis and Sparkman, Democrats for Congress, are elected.

Jacksonville, Fla., Nov. 3.—Twenty-six precincts out of 622 in Florida, give Bryan and Sewall 1,262; Bryan and Watson, 77; McKinley, 570; Palmer, 307. This indicates for Bryan and Sewall a plurality of 15,000 in the State.

Chicago, Nov. 3.—At 6:15 o'clock indications are McKinley will carry the State with a margin between 60,000 and 65,000 majority.

Chicago, Nov. 3.—Three hundred and forty precincts give McKinley 23,200; Bryan, 10,724; Palmer, 1,290; Levering, 576.

Chicago, Ill., Nov. 3.—One thousand, eight hundred and eighty precincts give McKinley 182,549; Bryan, 133,582; Palmer, 1,574; Levering, 1,276.

Chicago, Nov. 3.—150 precincts in Illinois outside of Cook county, give McKinley 32,000; Bryan, 24,258; Palmer, 285; Same in 1892 gave Harrison 25,763; Cleveland, 22,950.

Chicago, Nov. 3.—If the present ratio of Republican gain is maintained Illinois will give McKinley a plurality of 100,000.

Chicago, Nov. 3.—At 8 o'clock Vice Chairman Payne, of the Republican National Convention, made the following announcement: We have Chicago by about 50,000. Returns from Iowa, Indiana, Kentucky, Minnesota, indicate that those States are safe for McKinley.

Des Moines, Iowa, Nov. 3.—Indications are that Iowa will give McKinley a plurality of 80,000 or 100,000.

Louisville, Nov. 3.—Returns from this city and coming in slowly, but indicate Republican gains, especially in Louisville, which will give McKinley a majority of probably 10,000.

New Orleans, Nov. 3.—Indications point to Bryan carrying the State by 20,000 to 40,000.

Portland, Me., Nov. 3.—A general falling out about 25 per cent, of the total vote compared with that of the State election. Probability that the Republican plurality will be 40,000; State election will be 10,000.

Baltimore, Nov. 3.—Chairman Husk, of the Democratic city committee, concedes Baltimore city to McKinley by 15,000. It gave Cleveland 14,300 in 1892.

Senator-elect Wellington, Chairman of the State Republican Committee, says McKinley's plurality in Maryland will reach 30,000.

Detroit, Mich., Nov. 3.—Chairman Ferry, of Republican State Central Committee, gives the following: 1,176 precincts out of 7,000 give McKinley 5,647 majority over Bryan. Same in 1892 gave Democratic majority of 113. This ratio maintained will give McKinley the State of Michigan by 100,000.

Mississippi, Nov. 3.—Mississippi gives Bryan a majority of 50,000. The vote for McKinley was about 100,000. Seven candidates for Congress (Dem.) are elected by majorities ranging from 1,000 to 5,000.

Omaha, Neb., Nov. 3.—At 9:30 the indications are that the State of Nebraska on the Presidential ticket will be exceedingly close. Seventy-three precincts out of 700 give McKinley 3,000; Bryan, 3,000.

Both candidates are making big gains over the vote of 1892. The gains about offset one another, however. In the larger towns of the State McKinley leads Bryan, and in the smaller villages the count is about even.

The rural districts which have been reported to not bear out the idea that the farmers are voting for Bryan. Ten rural precincts have reported showing about the same ratio which obtains in the smaller towns of the State. This means McKinley will carry Nebraska by a small vote though the silver men do not concede this.

Lincoln, Nov. 3.—The Seventh ward of Lincoln, complete, gives McKinley a majority out of a total vote of 681. Two years ago it was carried by the Republicans by 243.

The Fifth ward of Lincoln gives McKinley 515 and Bryan 614. At Democratic headquarters it is claimed tonight that McKinley will carry the city of Lincoln by not more than 1,000, but they say that will be offset in the rural parts of the county, and chances are that Bryan will carry Lancaster county.

New York, Nov. 3.—Based upon returns from one-fourth of the election district in the Harlem, together with the nearly complete returns from New York and Kings county, which includes New York and Brooklyn, McKinley has carried over Bryan in the State of New York is estimated at 295,000.

Richmond, Va., Nov. 3.—State Chairman J. Taylor Ellison says: "Virginia will go for Bryan by half the usual majority. The reduction is due to the new system of voting."

White River Junction, Vt., Nov. 3.—Beautiful weather to-day helped to

bring out a large vote. Returns came in more promptly than in previous elections, and gave McKinley 38,807, Bryan 7,569, Palmer 957, Levering 694. Republican plurality 30,568; majority over all 29,867. The same in 1892 gave Harrison 28,441, Cleveland 11,122, Weaver 1,021, scattering 2. Republican plurality 16,121, majority over all 15,700. The percentage of gain in the Republican vote is 4 per cent, and loss in the Democratic vote is 38 per cent.

The net Republican gain in the towns heard from, as compared with the State vote is 40,000. The previous high water mark in pluralities for President was 30,564, given to Grant, in 1872. It was 2,900 of Republican delegation in Congress.

Pennsylvania. Philadelphia, Nov. 3.—Returns from Pennsylvania's counties are coming in very slowly, but the returns received indicate a plurality in the State for McKinley of nearly 300,000. The 21 Congressional districts heard from show the election of McKinley by 100,000 to 100,000. With the two Congressmen-at-large this gives the Republicans 22 Congressmen certain, with chances of the most of the remaining eight districts. The Republican city committee has conceded Crow's election for sheriff.

Idaho. Boise City, Idaho, Nov. 3.—Returns come in very slowly and there will be no figures obtainable until to-morrow. The State is conceded to Bryan by 15,000 to 20,000 majority. Borah, silver Republican, is claimed for Congress by 8,000. No reliable estimate can be made yet.

Hartford, Conn., Nov. 3.—McKinley has swept the State by about 60,000 majority. A total vote of 130,000. Lorin A. Cook, of Winsted, Republican, is elected Governor by a plurality of perhaps 35,000. The four Republican Congressmen are elected by a majority ranging from 6,000 to 15,000. The Legislature will stand 229 Republicans, 57 Democrats, a majority of 192 on joint ballot. At 2:30 p. m. the State gave the following: McKinley 82,710; Bryan 45,594; Palmer 4,327.

Columbus, O.—The returns so far received indicate that the Republican excess of that given for Bushnell for Governor last year. That was 91,000. Watson, Republican, has been elected to Congress from this district, defeating Lantz, free silver fusion. It was a close district. It is now thought that there has been but two silver Congressmen elected. Chairman Kurtz, at 11 p. m., claims the State for McKinley, on returns so far received, by 102,000 to 30,000. Usually Democratic gave 4,000 Republican majority.

Iowa. Des Moines, Iowa, Nov. 3.—Iowa returns to 9:30 p. m., are chiefly from rural precincts. They show a uniform and great Republican gain. The Republicans claim the State by 100,000 and the Democrats still refuse to make a statement, despite the fact that returns are not sufficiently complete. They say, however, that the situation is against them. Indications show that the Republicans elected all eleven Congressmen.

Indiana. Indianapolis, Ind., Nov. 3.—McKinley has in all probability carried Indiana by a substantial plurality, although the Democrats still claim it. C. W. Fairbanks says the plurality will be 35,000.

South Carolina. Charleston, S. C., Nov. 3.—It is impossible to-night to give the correct total majority cast. The first returns from the State show a Republican way from telegraph lines. The Democrats carry the State by a majority of 40,000.

Chicago, Nov. 4.—The following has been received at the National Democratic headquarters: "Louisville, Ky., Nov. 4.—Kentucky surely Democratic; not less than 3,000 and hourly increasing. The opposition has resorted to every device of contrivance to keep out the returns. "H. H. SOMMERS, "Chairman State Committee."

Louisville, Ky., Nov. 4.—M. E. Stone, Chicago, Kentucky, says: "Many counties are remote from relays and telegraph, and returns are slow. At this hour, 3:45, we believe we have advantage of 3,000, and corrections and revision may change this slightly. "SAM. J. ROBERTS, "Chairman Rep. State Com."

Sioux Falls, S. D., Nov. 4.—To M. E. Stone, Chicago: "I am confident Bryan will carry the State by five thousand. (Signed) "J. A. BOWLER, "Chairman Dem. Cen. Com."

West Virginia. Wheeling, W. Va., Nov. 4.—Incomplete returns show Republican gains and there is no reason to believe that night's figures of 15,000 plurality. All four Republican candidates for Congress are undoubtedly elected by increased majorities. The Republican ticket for Governor, and the entire Republican State ticket is elected and both branches of the Legislature are Republican. The Democrats voted the Republican ticket.

Alabama. Montgomery, Ala., Nov. 2.—The vote cast in the State, from the present outlook, will be much less than August this year or November, 1892. There is no separation of names in Alabama, but everything on a straight ticket makes the count slow and tedious. Bryan will have the State, but by a greatly reduced majority. Clark, the Populist candidate for Congress in the second district and Democratic candidate in the third are making strong runs, with even chances for success.

Georgia. Atlanta, Ga.—There is no doubt on the election of each of the eleven Democratic nominees for Congress from Georgia. Their majorities range from 2,000 to 3,000, the aggregate Democratic majority of the State being about 30,000 for Congressmen. Approximately the same for Bryan and Sewall. Many Populists voted for McKinley. The Palmer and Buckner vote was insignificant, participants in the Democratic gold movement generally voting for McKinley.

Macon, Ga., Nov. 3.—Every county in the six congressional districts gives a majority for Bartlett (Congressman) and Bryan. Bryan's majority in this district is probably 3,500; Bartlett's majority probably 5,000.

Bryan will win in Kansas. Topeka, Kan., Nov. 4.—3:30 p. m.—At this hour the situation in Kansas is about this: With only one-fifth of the precincts in Bryan electors seem to have carried the State by a slight majority. The four fusion Congressmen, Simpson, R. R. Ruggley, W. D. Vincent and Wm. McCormick have been elected. Republicans probably elect three Congressmen—Case, Frederick, C. P. Harris and Chas. Curtis.

They Give Up Nebraska. Lincoln, Neb., Nov. 4.—The Republican State Committee tonight at 10 o'clock abandoned all claim to the State, except Auditor and Treasurer, which Judge Post says the Republic-

ans have elected. He concedes the election of Holcomb (fusion) for Governor by 8,000, but says that Holcomb's vote in the State will exceed Bryan's 8,000 to 8,000. Only the Congressmen from the First and Second districts.

From returns received up to Thursday noon, the following States are conceded to McKinley, in addition to the foregoing: Arkansas, California, Massachusetts, Minnesota, New Hampshire, New Jersey, North Dakota, Oregon, Rhode Island, Wisconsin. To Bryan the following: Colorado, Missouri, Montana, Nevada, Utah, Washington, Wyoming.

In doubt: Tennessee. The electoral votes of the several States will be cast as indicated below:

vote is very close in several States, and the result cannot be positively known until the entire vote is counted. In all close contests it is wise for both sides to watch the returns to guard against the possibility of mistake intentional or unintentional.

Mr. Bryan dictated this statement to a type-writer, but when pressed for something more for the press, declined to yield, saying that he could give no utterance of his opinion as to the result, or outline his intentions until the outcome should be definitely known. He spoke cheerfully to all, but it became evident towards the latter part of the day that he was growing less and less hopeful. He was especially gratified at the result in Nebraska. During the afternoon Mr. Bryan attended the funeral of an old friend, and he spent the evening with his callers.

KEEP CLAIMING BRYAN. Jones Says He's Elected—The Chairman Gives Out An Explicit Statement.

Chicago, Ill., Nov. 4.—Senator Jones issued the following statement tonight: "I have counted from the beginning as the States upon which we relied for Mr. Bryan's election, the Southern States, with 155 votes, and the State west of the Missouri, with 61 votes, making a total of 217. I have hoped that we would carry Indiana, Michigan and Minnesota. I believe that we have carried all of the Southern States except Maryland, and that we have carried all of the Western States heretofore counted on, which leaves us, not counting Delaware, which I think we have carried, and which I have not heretofore calculated on, 202 votes. One vote we certainly have in Delaware, and probably three. But counting only one vote, which we have beyond doubt, it leaves necessary to a choice fourteen votes. Either Michigan or Indiana would give us those votes. The report received from Rhode Island, South Carolina, Vermont, Tennessee, Texas, Virginia, West Virginia, Wisconsin and Wyoming, shows that they will not allow their names to be used in any way to trick and frauds. The statements made in city papers today that I have given up the contest and admitted Mr. Bryan is defeated is a deliberate purpose on the part of the papers, as well as the Republican managers, to create false impressions in the minds of the people and to lead them to believe that McKinley's election is accomplished and acquiesced in.

BUTLER DOES NOT GIVE UP. Says Country Returns How All Look Favorable—Secretary Edgerton Concedes Nothing as Yet.

WASHINGTON, D. C., Nov. 4.—Chairman Butler, of the Populist National Committee, is not ready to concede the cause of justice is fully established. "Every representative from the back districts is in our favor. This is especially true of South Dakota, which we have carried, and in full. He was especially gratified at the result in Nebraska.
