agent of prosperity" has not lessen Now, will you please put yourself ed the burdens of the great masses; in the position of the State. Suppose but whose daily hints thereof has breaking banks and assignments of

eat passenger and freight rates, the same being based upon a watered valuation and not upon the true valnation of the investment.

We would endorse the action of our representatives in the performance of their duties and the firm stand they have taken as set forth in their memorial, and made known A Mr. Shott and a Mr. Willing by open letter that we have the utfought a duel in which both were most confidence in our central comwounded. This circumstance gave mittee, and we endorse their actions at and during the session of the last legislature as proper and right.

J. D. ELLIOTT. A. W. COLSON, W. H. ADERHOLDT.

To make the bair grow a natural color, prevent baldness, and keep the scalp healthy, Hall's Hair Renewer was invented, and has proved itself
