the Republican Party has Been Led Astray-Is

"That we here highly resolve that these dead shall not have died in vain; that the nation under God have a new birth of freedom, and that government of the people, by the people, and for the people shall not perish from the earth.' If the party has been led away from these prin-

"It is the misfortune of great parties, when long in power, that to them flock all those who desire to enrich themselves by legislation

which this party can give them. "To the Republican party there have flocked during the past few a body of 2,500 insurgents, who were years many birds of ill-omen, undesirable tenants, who are making the house so foul that they are driving out the rightful owners. These updesirable acquisitions the masses of effect that General Calixto Garcia, the party would only be too glad to the famous insurgent leader, was get rid of for the party's good. I with make in my mind no differ tween the integrity of the common

Spanish sources, General Castellano. is party leadership which is most albeing aware that the insurgent gov. ways in fault when things go wrong. "If the leaders are of the type of za, in buildings constructed by the Mr. Lincoln, we have government insurgents, seventeen leagues from for the people. If they are of other Paerto Principe, at the extreme west types which I might mention, we end of the Cubitas Ridge, proceeded have government for bondholders

try, 400 cavalry, and two field guns. ABIDING PLACE FOR MONOPOLIES. "In late years the influence of

wealth in dictating legislative measures and government policies are becoming more and more apparent. Mr. Cleveland disrupted his party in doing the biddings of a money syndicate, which made enormous profits out of a scandalous bond deal. Today all the trusts, all the monopolies. have taken refuge under the wing of

the nation and its bonor.

"A party which does not rid itself of men who make themselves promexploiting the people and perpetuating the reign of the dollar will loss its influence with the masses, and, like a church which accepts a robber's tithe from wealthy and infaectial pew-holders who wish to eas their conscience, it will soon be all

such and none others. "I have at times seriously thought that the enactment of a law fordid-Action in Removing the Wilsons From cept bequests or gifts from men of great wealth, and making them keep and they have, would tend to make

try retains newspapers; it elects men to the S-nate and to the House; it manipulates national and State

"Dingley Wages." The Boston Post.

In Congressman Dingley's own town is the great Androscoggia mill The Iron Mountain and Texas Panow striking against a cut-down of authorities, after competent hydraulic engineers have investigated thoroughly and assessed or estimated the value.

The company, of course, would not agree to sell their plant and franchises unless they received a fair price, based on the annual rentals they receive for supplying water.

Nevertheless, the events of the last lable record of the existence of the perity and increase their earnings? Is he willing to accept a ten per cent. cut-down as the measure of

President Dole, of Hawaii, arrived in San Francisco last week and intenda journeying to Washington. He will
